- a) Status

6. **YOUTH AFFILIATE** (Verbal Report - Jennifer Dent)

7. **BUS ADVERTISING - URBAN OUTDOOR TRANS AD**

8. **CORRESPONDENCE RECEIVED**

- a) Hamilton & District Science & Engineering Fair
- b) Letter of Resignation - Sandro Principato
- c) Vision 2020

9. **MALL DISPLAY** (Jim Auty/Jennifer Dent to report)

10. **PRIME FOCUS - FEBRUARY MEETING = PITCH-IN**

11. **OTHER BUSINESS**

12. **ADJOURNMENT**

Wednesday, December 06, 1995
6:30 o'clock p.m.
The Keg Restaurant
33 Bowen Street, Hamilton

The Keep Hamilton Clean Committee met.

There were present:

**Ron Volterman, Chairperson
Jim Auty, Vice-Chairperson
Evelyn Principato
Michael Cuberovic
Jennifer Dent
Rick Butson
Mark Whittle
Lori Nethercut
Fred Loft
Raffaella Brugnano**

Regrets:

**Sandro Principato
Frank Noto-Campanella**

Also Present:

**Don Heintz, Public Works Department
Al Marshall, Public Works Department
Candice Ramirez, Youth Affiliate**

1. ADOPTION OF MINUTES

The Committee was in receipt of the minutes of the Keep Hamilton Clean Committee for its meeting held 1995 November 01 and these minutes were adopted as circulated.

2. CHAIRPERSON'S REMARKS

Ron Volterman, Chairperson, commented that he was pleased with the Committee's accomplishments and thanked members for all their efforts.

Ron Volterman, on behalf of the Committee, thanked Evelyn Principato for serving on the Keep Hamilton Clean Committee and wished her well in all future endeavours.

Ron Volterman advised members that there were six applicants to fill the four vacancies on the Keep Hamilton Clean Committee.

Don Heintz circulated a memorandum reporting that the following citizens were selected:

James Auty (incumbent)
Fred Loft (incumbent)
Mark Whittle (incumbent)
Claudette Kabitsis

The Committee accepted the motion of appointing these citizens to serve on the Keep Hamilton Clean Committee.

3. BUSINESS ARISING FROM THE MINUTES

At this point, there was no business arising from the minutes.

4. 1996 MEETING DATES

The Keep Hamilton Clean Committee meeting dates for 1996 are scheduled as following:

January 3, February 7, March 6, April 3, May 1, June 5, September 4, October 2, November 6, December 4

The meetings will be held in City Hall, Room 219, at 7:30 o'clock p.m.

b) January meeting on the 10th?

Don Heintz asked Committee members if they wished to have the January meeting postponed to 1996 January 10 since the agenda and the minutes cannot be sent out prior to 1996 January 03.

The Committee agreed to hold the meeting on 1996 January 03 as scheduled.

5. SANTA CLAUS PARADE

a) Discussion on parade; successes and problems

Ron Volterman thanked all Committee members and Youth Affiliate who were involved with the 1995 Santa Claus Parade.

A large number of Spotless Spot winners participated in the parade as well as the winners of the Pitch-In Week Poster Competition.

Several members commented that not as much litter was collected as in previous years since the Committee's entry was placed near the beginning of the parade route.

The following recommendations were proposed for the Committee's involvement in the 1996 Santa Claus Parade:

a) That each Spotless Spot winner be accompanied by a parent/guardian at all times.

b) That Parade organizers be advised that the Keep Hamilton Clean Committee entry be placed near the end of the parade route in order to collect more litter from spectators.

With respect to item b), Al Marshall will speak to Ed Cummings, Parade Chairman about changing the location of the Committee's entry in the parade.

b) Correspondence From Ed Cummings, Parade Chairman

The Committee was in receipt of correspondence from Ed Cummings, Parade Chairman, confirming the acceptance of the Keep Hamilton Clean Committee entry in the 1995 Santa Claus Parade.

c) Letter to John Laurie, Volunteer Driver of the Garbage Packer

A letter was sent to John Laurie, Public Works Department, thanking him for volunteering his time in driving the garbage packer in the Santa Claus Parade.

6. CORRESPONDENCE RECEIVED

a) Thank you card from Lori, David & Riley Nethercut

The Committee was in receipt of a thank you card from Lori, David & Riley Nethercut for the cookie-gram that was sent from the Committee.

The Committee was in receipt of correspondence from Urban Outdoor Trans Ad outlining an advertising proposal.

The Committee agreed to table this item until the 1996 January 03 meeting.

The Committee was in receipt of letters from the 'Artful Cookie' and the Boston Mills Press. These letters were received as circulated.

7. OTHER BUSINESS

Jim Auty made a request to investigate the cost of a transportation storage unit for the puppet show.

The Youth Affiliate held a meeting on 1995 December 04 to discuss ideas for several projects.

The Youth Affiliate are interested in holding a contest asking, "How Does Your School Keep Hamilton Clean".

They are planning to meet with the environmental groups at various schools in the near future.

The Committee agreed to provide funds to purchase sandwiches and drinks for these meetings at the schools.

8. ADJOURNMENT

In closing, Ron Volterman wished all members a safe and happy holiday season.

There being no further business, the meeting then adjourned.

Taken as read and approved,

**Ron Volterman, Chairperson
Keep Hamilton Clean Committee**

Raffaella Brugnano, Secretary

The Corporation of the City of Hamilton

BY-LAW NO. 93- 003

To Amend:

Streets By-law No. 86-77

Respecting

SIGNS

WHEREAS the uncontrolled posting of signs and notices on utility poles on the highway creates a safety hazard for City employees and a potential traffic hazard;

AND WHEREAS the posting of signs and notices creates an aesthetic and visual blight;

AND WHEREAS the City provides kiosks for the public to affix signs in certain parts of the City;

NOW THEREFORE the Council of The Corporation of the City of Hamilton enacts as follows:

1. Section 16a. of By-law 86-77 is repealed and the following is substituted in lieu:

16a. (1) No person shall erect or place or affix a sign or post a notice on property abutting a highway or part of a highway except in accordance with this section.

(2) Any person posting a sign or notice shall follow the directions of the Director of Public Works.

(3) Signs or notices shall be fastened with adhesive tape. No person shall fasten the sign or poster on a utility pole with staples or any metal device.

(4) The person posting the sign or notice shall remove the sign or notice and all posted materials five days after the event advertised has occurred.

(5) No sign or notice which exceeds the dimensions of eleven (11) inches wide by seventeen (17) inches long shall be posted.

(6) For the purposes of this by-law, "sign" does not include a sign that is free standing and on its own supports.

PASSED this 12th day of January , A.D. 1993.

City Clerk

Mayor

FROM FRANK
WESTAWAY

IF YOU NEED HELP - CALL

This is an extract (Section 16a) taken from City of Hamilton By-law 86-077 (to consolidate Streets By-law 9329) adopted by City Council 1986 February 25.

16a. (1) No person shall erect or place or affix a sign or post a notice on property abutting on a defined highway or part of a highway. By-law No. 83-022, S.1.

(2) Every person who erects, places or affixes a sign or posts a notice contrary to subsection 1 shall upon written or oral notice forthwith pull down or remove the sign or notice. By-law No. 83-022, S.1.

(3) Notwithstanding subsection 1, the City may grant permission to erect, place or affix a sign or post a notice

upon such terms and conditions as the City may require, but nothing in this by-law shall oblige the City to grant such permission. By-law No. 83-022, S.1.

(4) For the purpose of this section,

- (a) "building" includes structure;
- (b) "defined highway" means a highway listed in City Traffic By-law No. 66-100 and in Regional Municipality of Hamilton-Wentworth By-law No. R 77-78, situate within the City;
- (c) "local board" has the same meaning as in The Municipal Affairs Act;
- (d) "person" includes the owner of the sign or notice, any individual or organization that has erected or caused to be erected, placed or affixed the sign or that has posted or caused to be posted the sign, or any individual or organization holding themselves out in the content of the sign or notice as sponsoring or responsible for the message therein;
- (e) "property" means a building owned or used by the City, or local board, or used by any person on City land;
- (f) "sign" does not include,
 - (a) a sign, advertising device or other device or apparatus within the meaning of section 5 of Traffic By-law No. 66-100; or
 - (b) a sign that is of a temporary nature and is free standing and on its own supports.
By-law No. 83-022, S.1.

- INFORMATION -

3 c

DATE: 1995 December 11

REPORT TO: Mr. Kevin C. Christenson, Secretary
Transport and Environment Committee

FROM: Mr. D. Lobo
Commissioner of Public Works & Traffic

SUBJECT: Appointments To The Keep Hamilton Clean Committee
(PW 95.0114)

BACKGROUND:

At the meeting of the Transport and Environment Committee held on 1995 April 3, the following was approved with respect to the Keep Hamilton Clean Committee:

- (a) That the responsibilities for the Keep Hamilton Clean Committee be transferred to the Transport and Environment Committee,
- (b) That the Keep Hamilton Clean Committee be recognized as a Committee reporting to the Department of Public Works.

The Committee had four vacancies for existing members whose terms expire at the end of 1995. In addition, one member has resigned for personal reasons. Accordingly, the standard process for the appointment of members to citizen committees was followed with the advertising, orientation sessions and interviews taking place.

The Finance and Administration Committee, at its meeting held on Tuesday, 1995 May 23rd, agreed that the interviewing for the Keep Hamilton Clean Committee should be done by the Public Works Department.

Six applicants came forward to fill four three-year terms and one one-year term. Three of the applicants were incumbents and all applicants were interviewed.

The following Five (5) citizens were appointed:

Fred Loft for a Term to expire 1998 December 31 (incumbent).

Mark Whittle for a Term to expire 1998 December 31 (incumbent).

Jim Auty for a Term to expire 1998 December 31 (incumbent).

Claudette Kabitsis for a Term to expire 1998 December 31.

William Blenkhorn for a Term to expire 1996 December 31 (replacing Sandro Principato who has resigned for personal reasons)

A handwritten signature in dark ink, appearing to be "DL/DH", written in a cursive style.

DL/DH/

December 11, 1995

Mr. Ron Volterman, Chairperson
Keep Hamilton Clean Committee
71 Main Street West
Hamilton, Ontario
L8N 3T4

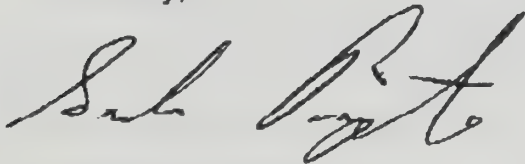

Dear Ron:

Please accept my resignation from the Keep Hamilton Clean Committee effective immediately.

I feel that I can no longer be an effective member of this committee because I have accepted a full time position with an out of town company.

I have enjoyed my time with the committee and the friends I have met along the way. I wish the Committee every success in its future endeavors.

Sincerely,

A handwritten signature in black ink, appearing to read 'Sandro Principato', written in a cursive style.

Sandro Principato

URBAN OUTDOOR TRANS AD

PRODUCT:

Keep Hamilton Clean Week

MARKETS:

Hamilton

SEASONALITY/TIMING:

Late Spring

OBJECTIVES:

**-to create a high level of top-of-mind
awareness for Keep Hamilton Clean Week**

TARGET:

All Persons 12 +

RECOMMENDED TRANSIT PRODUCT: 70" x 21" Exterior Transit Posters

DURATION:

4 weeks

URBAN OUTDOOR TRANS AD

BENEFITS

- Bus Posters cover all areas of the marketplace - from commercial to residential - where other media may not be available
- they offer continuous exposure - all day, seven days a week - delivering your message close to the point of sale as they travel past malls and throughout downtown
- they are flexible - you can change your message once a month with the use of channel inserts (or more frequently with a minimal service charge)
- they are located at eye level on the sides and rears of buses where motorists and pedestrians can't miss them!
- they stand alone so there is no competition for consumers' attention
- they work well alone or in support of other advertising because they reach the entire market over and over again.
- they can be reused, so production costs can be spread over several campaigns

EFFECTIVE RESEARCH:

Daniel Starch Services have conducted awareness studies for various out-of-home media including exterior transit. A compilation of all data gathered for Exterior Transit advertising (King & Seventys) achieved an average recall of 40%!

URBAN OUTDOOR TRANS AD

RECOMMENDED PACKAGE: 70" x 21" Exterior Transit Posters

<u>Market</u>	<u># of Posters</u>	<u>4-Week Rate</u>
Hamilton	16	\$2728

BONUS PACKAGE: With the above 4-week campaign, Urban Outdoor Trans Ad will bonus the Keep Hamilton Clean program 5 additional posters, subject to available space and 2 additional weeks, subject to available space.

TOTAL 6-WEEK MEDIA VALUE: \$5370.75

TOTAL 6-WEEK INVESTMENT: \$2728.00

*includes media cost, production, delivery and all applicable taxes

Re: Hamilton-Wentworth's Annual Vision 2020 Sustainable Community Day

Dear Ms. Brugnano:

On behalf of the Citizen's Steering Committee, I would like to say thank you for bringing Spotless and the Spotless Puppet Show to this year's Annual Day. It was a great to have Spotless at both days, the children really seemed to have enjoyed meeting the mascot. Unfortunately, there was some confusion as to when the puppeteers were to perform but that was straightened out with little problem.

A lot of work went into all aspects of the Day and we are very glad that the Keep Hamilton Clean Committee was able to participate. Please send further words of thanks to ----- for their participation.

To assist in the planning of next year's event, please complete the enclosed surveys and return them c/o Regional Planning.

Sincerely,

Jim Annand
Chair, Citizen's Steering Committee

encl.

To assist us in planning future events and activities, please take a few minutes to answer the following questions. Please return this questionnaire to:

The VISION 2020 Sustainable Community Day
119 King St. West, 14th Floor, Hamilton, ON, L8N 3V9
Fax: (905) 546-4364

What activities/tasks did you help organize/participate in?

Our objectives in holding this event were:

- to increase awareness and understanding about sustainable development and VISION 2020;
- to help individuals identify what actions and activities they can contribute to help Hamilton-Wentworth become a world leading sustainable community; and
- to identify the actions taking Hamilton-Wentworth along the trail to VISION 2020.

Do you feel we achieved these objectives?

. . definitely		partially		not at all

Do you have any suggestions regarding the logistics (i.e. room design, timing, scheduling of activities & workshops, general organization)?

more -->

Had you heard about Hamilton-Wentworth's VISION 2020 Sustainable Community Initiative before participating in the Day?

Yes _____ No _____

Through your participation did you learn anything new about:

- **VISION 2020;**
- **sustainable development; and/or**
- **specific initiatives or activities in our community.**

Yes _____ No _____ , please explain.

General Comments.

Would you be interested in participating in a similar event in 1996?

Yes _____ No _____

NOTICE OF MEETING

FEB 5 1996

Keep Hamilton Clean Committee

Wednesday, 1996 February 7
7:30 o'clock p.m.
Room 219, City Hall

GOVERNMENT DOCUMENTS

Don Heintz, Staff Advisor
Keep Hamilton Clean Committee

NOTE: In order to ensure that there are enough members present at the meeting to form a quorum, it is up to Committee Members to notify the Committee's Staff Advisor at 546-3920 at least 24 hours in advance, if you are unable to attend.

A G E N D A

1. ADOPTION OF MINUTES

Minutes of the Keep Hamilton Clean Committee for meeting held 1995 January 3.

2. CHAIRPERSON'S REMARKS

3. BUSINESS ARISING FROM THE MINUTES

- a) Spotless Debate
- b) Sign By-Law to March meeting
- c) 1996 Grey Cup Parade
- d) Puzzles from Spotless Drawings

SPOTLESS, NOT THOUGHTLESS. CARE ABOUT OUR CITY.

e) Community Air Time on local radio stations

4. **PUPPET SHOW**

a) Status (copy)

5. **SPOTLESS SPOT**

a) Status (copy)

6. **YOUTH AFFILIATE** (Verbal Report - Jennifer Dent)

7. **CORRESPONDENCE RECEIVED**

a) PITCH-IN CANADA - thanks for donation

8. **MALL DISPLAY** (Jim Auty to report)

9. **INTERNATIONAL COASTAL CLEANUP** (Mike Cuberovic to report)

10. **PITCH-IN PREPARATIONS**

a) Cotton Gloves - seconds (copy)

b) Advertising - Bus Ads (copy)

c) Advertising - Television/Radio/Newspaper

d) Invitation

e) PITCH-IN WEEK Promotional Material

11. **OTHER BUSINESS**

12. **ADJOURNMENT**

1996, January 03
7:30 o'clock p.m.
Room 219, City Hall

The Keep Hamilton Clean Committee met.

There were present:

Ron Volterman, Chairperson
Jim Auty, Vice-Chairperson
Michael Cuberovic
Lori Nethercut
Claudette Kabitsis
Mark Alan Whittle
Jennifer Dent
William Blenkhorn
Raffaella Brugnano

Regrets:

Rick Butson
Fred Loft
Frank Noto-Campanella

Also present:

Don Heintz, Public Works Department
Al Marshall, Public Works Department
Krista Blackborow, Youth Affiliate
Candice Ramirez, Youth Affiliate
Chanthan Son, Youth Affiliate

1. ADOPTION OF MINUTES

The Committee was in receipt of the minutes of the Keep Hamilton Clean Committee for its meeting held 1995 December 06 and these minutes were adopted subject to the amendments noted at the meeting.

2. CHAIRPERSON'S REMARKS

Welcome to new Committee members and introductions - Claudette Kabitsis & William Blenkhorn

Ron Volterman, Chairperson, welcomed new members Claudette Kabitsis and William Blenkhorn.

All members introduced themselves.

3. BUSINESS ARISING FROM THE MINUTES

a) Signs By-Law

In the absence of Fred Loft, the Committee agreed to table this item to the 1996 March meeting at which time Frank Westaway, Noise Control Officer, will be invited to attend to review this matter.

b) Financial Report

The Committee was in receipt of a copy of the financial report for the Keep Hamilton Clean Committee.

Don Heintz reported that the 1996 donation to Pitch-In Canada was paid with funds from the 1995 budget.

c) Committee Appointments

A report was sent to Kevin C. Christenson, Secretary of the Transport and Environment Committee with information concerning the appointments to the Keep Hamilton Clean Committee.

Letters were sent to all those who applied for membership on the Keep Hamilton Clean Committee.

4. PUPPET SHOW

a) Status

Mark Alan Whittle reported to the Committee that several volunteers are willing to assist with the puppet show. He is making arrangements to present the puppet show in various locations.

Michael Cuberovic suggested that a letter be sent to elementary schools asking if they would be willing to host the puppet show. All present were in favour.

b) Job Description

Mark Alan Whittle agreed to write a list of job requirements for the puppet show co-ordinator.

5. SPOTLESS SPOT

a) Status

The Committee has received no response from Rob Austin, Editor of the Spectator about obtaining more space for the Spotless Spot.

Submissions are currently being sent to Mark Alan Whittle's address.

The Committee's name has been included with the Spotless Spot.

6. YOUTH AFFILIATE

Jennifer Dent reported that she met with members of the environmental group at Scott Park Secondary School and St. Thomas More Catholic Secondary.

They discussed the Committee's activities and potential Youth Affiliate projects.

The mall display was set up in both schools and received considerable attention.

The environmental group at Scott Park Secondary School was interested in placing the mall display in their school library in the near future.

7. BUS ADVERTISING - URBAN OUTDOOR TRANS AD

The Committee was in receipt of an advertising proposal from Urban Outdoor Trans Ad for the 1996 Pitch-In Week Campaign.

The proposal consists of a four week campaign with sixteen posters, with a bonus of five posters and two additional weeks, subject to available space.

Several Committee members were concerned with the cost of the advertising campaign.

Don Heintz made a suggestion to form a sub-committee to pursue this issue.

The Committee made a motion allowing Lori Nethercut to contact Urban Outdoor Trans Ad to negotiate a contract with a maximum cost of \$2728. All were in favour.

8. CORRESPONDENCE RECEIVED

a) Hamilton District Science & Engineering Fair

The Committee was in receipt of correspondence from Sandy Willet, Chair of the Hamilton District Science and Engineering Fair thanking the Committee for its contribution to the 1995 fair.

b) Letter of Resignation - Sandro Principato

The Committee was in receipt of a letter of resignation, dated 1995 December 11, from Sandro Principato. This letter was received.

c) Vision 2020

The Committee was in receipt of correspondence from the Citizen's Steering Committee of Hamilton Wentworth's Annual Vision 2020 Sustainable Community Day thanking the Committee for its participation in the event.

Committee members involved with the Vision 2020 day were asked to complete a survey.

9. MALL DISPLAY

Jim Auty advised the Committee that he is currently making arrangements to have the mall display set up in various Canada Trust branches.

The mall display will be set up in Westmount Secondary School and Westdale Secondary School.

10. PRIME FOCUS - FEBRUARY MEETING - PITCH-IN

Ron Volterman informed the Committee that the February meeting will be used to make plans for the 1996 Pitch-In Week campaign.

Lori Nethercut enquired if the database with participant's information had been updated.

Jim Auty will bring a copy of the Pitch-In Week Invitation to the February meeting.

11. OTHER BUSINESS

a) Michael Cuberovic had contacted members of the Naturalist's Club, the Hamilton Beach Preservation Committee, Friends of Cootes Paradise, and the Bay Area Restoration Council about possible activities for the International Coastal Clean-up.

A sub-committee will meet with representatives from these organizations at 6:15 p.m. on 1996 February 07 in Room 219, City Hall in order to discuss this issue further.

b) Michael Cuberovic spoke to the organizers of Hamilton's 1995 First Night. They were interested in having Spotless attend this event in the future.

c) Several Committee members enquired if the Committee could be involved with the 1996 Grey Cup Parade.

d) Jim Auty suggested that puzzles could be made from the Spotless Spot drawings. These puzzles can be used as awards for contests.

He agreed to obtain further information on the cost of producing these puzzles.

e) Al Marshall will contact Frank Westaway for information on the enforcement of the Signs By-Law.

f) William Blenkhorn asked if it would be possible for the Committee to obtain community access air-time on Hamilton's radio stations. Michael Cuberovic will investigate this item.

12. ADJOURNMENT

There being no further business, the meeting then adjourned.

Taken as read and approved,

**Ron Volterman, Chairperson
Keep Hamilton Clean Committee**

Raffaella Brugnano, Secretary

RE: PUPPET PLAY FOR STUDENTS IN KINDERGARTEN TO GRADE 2

In our goal to keep hamilton clean, our Committee has developed a puppet play to educate school children in good citizenship and litter awareness. Spotless Visits The School is suitable for children in Kindergarten to Grade 2.

Our play is presented as a live presentation, which requires early booking as our puppeteers are volunteers who must arrange work schedules to perform.

This play has been performed in many classrooms and has been very well received. If you would be interested in learning more about the Keep Hamilton Clean Committee's puppet play, please contact:

Mark Alan Whittle

January 8th 1996

THE KEEP HAMILTON CLEAN COMMITTEE PRESENTS

SPOTLESS VISITS THE SCHOOL

"SPOTLESS Visits the school" is a hand puppet play suitable for children from kindergarten to grade 2. It is 15 minutes long and has a villain, hero, and a message. The hero is SPOTLESS the litter Watchdog, the villain is Mr. Potato Skin Head and the message is to help keep our City of Hamilton and the School yard litter free.

A member of the Keep Hamilton Clean Committee will be in attendance to speak to the children before and after the play. There will be a brief introduction to the play.

we hope that some classroom discussion on the subject of litter and it's effect on the environment would occur a day or so prior to our visit.

A student volunteer to participate with the puppets as the character " Sergeant Sharp Eyes", is required. This is a small part and involves the listing items of litter.

At the end of the play, students are asked are asked to join in singing a short song. the words and tune are included in the teachers kit(provided when the puppet show is booked) and students can practice this in class when discussing litter.

Following the play a short discussion and answer period regarding litter and the play will wrap up the show.

-The thoughtless act of litter-k/1

-The moral of the play (good and bad characters) as it relates to litter-everyone

-Alternate choices for littering/potato peels (composting)-2/3

We hope that the students will enjoy the play and that the message will be well received.

Keep Hamilton Clean Puppeteers

Dear Mr. Austin:

Re: SPOTLESS SPOT

The Keep Hamilton Clean Committee works very hard to promote the idea of a clean community. Part of our program is educating school children on the values of a clean environment. We have had the pleasure of working with The Spectator and its staff for several years in a colouring contest that promotes these ideas.

Hamilton and area children are encouraged to enter this contest through the Spotless Spot in the coloured comics section. Among other things, they have the opportunity to win a T-Shirt, Pin, Certificate and an invitation to appear in the Hamilton Santa Claus Parade. However, the biggest prize for the children winning this colouring contest was seeing their picture appear in the paper.

We understand that the winning picture can no longer appear in the colour pages but would like you to consider the possibility of this feature being relocated to the regular black and white portion of the paper. A black and white copy of the picture appearing in the newspaper would still be a big prize for most children.

I would appreciate your giving consideration to this request and responding as soon as possible.

Yours truly,

Ron Volterman, Chair
The Keep Hamilton Clean Committee

SPOTLESS, NOT THOUGHTLESS. CARE ABOUT OUR CITY.

The Youth Affiliate Group met on Monday 4th December, 1995 (Jennifer, Krista, ^{Chon} ~~Shen~~ Ton; regrets Candice)

Krista presented their ideas for Youth Projects; *School Contest*
canoe race,
hike,
Earthsong booth
~~other~~

It was decided that we should tackle one project *(a t a time)*. So the group will start to bring in more school representatives (2 more this year Westmount and Westdale to the already present St. Thomas Moore and Scot Park) and eventually run a contest amongst the schools asking;

HOW DOES THEIR SCHOOL KEEP HAMILTON CLEAN?

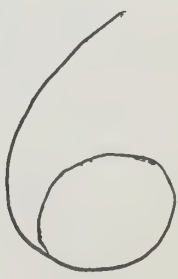

There will be a prize including the OSCAR the Grouch Garbage Can *Award* (students to make this award) and a FREE lunch (corporate sponsorship will be solicited). We want to get media for this event to take place in 1996 (date not set yet).

The group suggested that any medium be used and the students could chose from Video, poster, poetry...

The students and Jennifer would like to attend the Environmental Group's meeting (STM Wednesdays after school 2:45pm and SP Tuesdays at lunch 11:30am) and let them know what we do at the KHCC. It was also requested that a MALL DISPLAY be set up at the school for all to see during the day that we plan to visit the EG (to be discussed with Jim Auty). It would be nice to take sandwiches & pop to these meetings (SP 5-6 people, STM 7-8 people).

Krista and ^{Chon} ~~Shen~~ Ton will ask their respective teachers if it is possible for us to meet with their groups during the week of December 18th. Permission from the KHCC and the school ^{must} be obtained prior to the meetings.

PLAN

1. Get permission to attend schools
 2. \$ for sandwiches
 3. Speeches for each school
 4. Check on Mall Display availability (set-up/take down)
 5. Revise brochure for student focus (?)
 6. Confirm meeting dates & times
 7. Start planning for contest
 8. Get in touch with 2 new schools and set up a similar get-to-know meeting for 1996

Dear Mayor and Councillors

The Board of Directors for PITCH-IN ONTARIO would like to take this opportunity to recognize your financial support which will allow PITCH-IN WEEK to continue in Ontario. It will also help to provide volunteers in your community with free garbage bags for their PITCH-IN WEEK projects.

The continued success of PITCH-IN WEEK in Ontario depends on the continued support of local governments such as yourself. You may wish to include PITCH-IN WEEK in your 1997 and future budgets.

Please display this certificate in your Civic Centre where the residents of your community can see your commitment to maintaining a clean environment. The volunteers in your community very much appreciate your support.

Thank you again for your help and support of PITCH-IN WEEK.

Kindest regards,

Bette Ballhorn

Re: International Coastal Cleanup Campaign

It was a pleasure visiting with you over the phone last Autumn. During our conversation, you learned that the Keep Hamilton Clean Committee (KHCC) was conducting an informal telephone poll among environmental groups within the City to determine whether or not a unified municipal presence during the annual International Coastal Cleanup Campaign is feasible.

I am pleased to report that the idea has received a favourable response from those organizations contacted.

Therefore, the KHCC will conduct an informal meeting regarding the campaign, as follows:

DATE: 1996 February 7 (Wednesday)
TIME: 6:15 p.m. (expected duration - less than one hour)
PLACE: Room 219, Second Floor, City Hall

Please arrange to attend or delegate a representative to be present at this meeting. Regrets only will be received by contacting Michael Cuberovic at 578-3222.

We expect to issue a media release after the meeting announcing your participation in this year's campaign.

Yours truly,

Michael Cuberovic, Media and Promotions Liaison

1996 PITCH-IN WEEK, May 6-12

In Ontario, a Program of The Ontario Federation of Anglers and Hunters in cooperation with PITCH-IN CANADA
Waste management...in action!

Box 45011, Ocean Park R.P.O.
White Rock, B.C., V4A 9L1

January, 1995

His Excellency the R

Dear Fellow Ontarians,

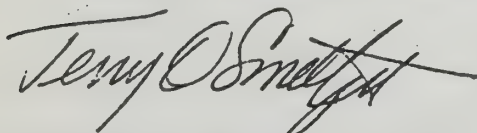

Once again we invite your participation in PITCH-IN WEEK, which has become, thanks to you, Ontario's largest voluntary campaign to clean up the environment.

March 31, 1996 is the date by which we need your project registration form in order to guarantee you some of the free, specially-imprinted garbage bags. If your project covers a large area or involves a great number of volunteers, you may wish to re-use and/or supplement these bags with some of your own.

The future of PITCH-IN WEEK depends on the ongoing support received from the Ontario Ministry of Environment and Energy and local governments, including your own. A list of communities which responded to our request for financial support is included in this Information Kit. **If your community is on this list, please thank your Council.** If it isn't, we urge you to contact them and tell them of your involvement in the Campaign. Suggest they provide financial support to the provincial campaign - it's never too late for them to contribute.

PITCH-IN WEEK is an important program for your environment. Help keep the program a success. Start now by planning your PITCH-IN project. After you register your project with us using the enclosed form, why not **write The Honourable Brenda E. Elliott, Minister of Environment and Energy**, 12th Floor, 135 St. Clair St. West, Toronto, M4V 1P5, and tell her of your plans and how much you appreciate her Ministry's on-going support of this important environmental program which involves more than a million Ontario volunteers.

Have fun "pitching-in" as we help to clean up Ontario!

Terry Smeltzer
President
Ontario Federation of Anglers and Hunters

Bette Ballhorn
Chair
PITCH-IN CANADA

PS Don't forget to send PITCH-IN CANADA a copy of the letter you write to the Minister of Environment and Energy. Thank you for your support.

On behalf of The Ontario Federation of Anglers and Hunters and PITCH-IN CANADA, I am pleased to invite you to participate in this year's PITCH-IN WEEK program to be held May 6 to 12, 1996.

The fact that PITCH-IN WEEK has been successful in attracting thousands of people willing to donate their time and energy to activities that benefit Ontario's urban, rural and wilderness environment is very encouraging. It is this growing trend toward voluntarism and partnership that will help us with our goal of ensuring a healthy environment in the years ahead.

I congratulate you on your efforts and I look forward to the results of this year's campaign.

ONTARIO PITCH-IN WEEK PROJECT REGISTRATION FORM

As part of the **PITCH-IN WEEK** campaign, a limited number of free garbage bags are available to schools and non-profit community organizations for use in **PITCH-IN** projects in Ontario, May 6-12, 1996. Bags will be distributed between April 1-30 by courier on a **first-come, first served** basis. **PITCH-IN** organizers try to allocate the bags as fairly as possible. Participants are encouraged to **re-use** bags, where possible. A donation of \$5.00 or any amount to "**PITCH-IN ONTARIO**" to help cover the cost of shipping and handling is welcomed but not necessary in order to receive bags.

Applications must be postmarked no later than March 31

PLEASE TYPE OR PRINT CLEARLY

Campaign Receives Support from Ministry of Environment and Energy

The president of Ontario's largest non-government conservation organization has announced the provincial government's continued support for PITCH-IN WEEK, a volunteer campaign aimed at cleaning up Ontario.

"The contribution by the Ministry of Environment and Energy will help the Ontario Federation of Anglers and Hunters (O.F.A.H.) take this program to communities throughout Ontario," said O.F.A.H. president Terry Smeltzer.

*Terry Smeltzer, President of
The Ontario Federation of
Anglers and Hunters*

The O.F.A.H. established the PITCH-IN WEEK campaign in Ontario in 1978. In cooperation with O.F.A.H. and PITCH-IN CANADA, youth groups, conservation clubs, schools, church groups, other volunteer organizations and municipalities take part in roadside and property clean-ups, habitat improvement projects, recycling drives and other events aimed at cleaning up the environment in their area.

Projects were planned by 876 local coordinators and over one million people participated in

5,276 PITCH-IN WEEK projects in 409 communities across Ontario last year.

PITCH-IN WEEK will be organized in Ontario by the O.F.A.H. in cooperation with PITCH-IN CANADA from May 6 through 12, 1996.

On behalf of The Ontario Federation of Anglers and Hunters and PITCH-IN CANADA, I am pleased to invite you to participate in this year's PITCH-IN WEEK program to be held May 6 to 12, 1996.

The fact that PITCH-IN WEEK has been successful in attracting thousands of people willing to donate their time and energy to activities that benefit Ontario's urban, rural and wilderness environment is encouraging. It is this growing trend toward voluntarism and partnership that will help us with our goal of ensuring a healthy environment in the years ahead.

I congratulate you on your efforts and I look forward to the results of this year's campaign.

*Brenda Elliott,
Minister of
Environment
and Energy*

Everyone gets Certificate in 1996

Every participant in 1996 PITCH-IN WEEK will be able to receive a Certificate of Participation.

Each project Coordinator will receive a master Certificate which they can reproduce locally. In the past, Certificates were only sent out to organizations, not individuals.

"The new process saves money and allows individuals to

be recognized," says PITCH-IN CANADA, coordinators of PITCH-IN WEEK.

New Campaign Materials

Check the PITCH-IN catalogue for several new items, available for the first time!

They include:

Civic Pride hats, buttons, bumper stickers and a video help promote civic pride in your community.

1996 Campaign T-Shirt – limited edition, must be ordered before March 15, 1996.

Didn't receive our catalogue, have any questions about the Material Order Centre? Call our automated voicemail for more information or to receive your catalogue. Call (604) 473-6497. Or write to: Box 45011, Ocean Park RPO, WHITE ROCK, BC, V4A 9L1.

Clean World Award Nominations Sought

PITCH-IN CANADA is seeking nominations for its Clean World Award.

"Awards are given to individuals or organizations in recognition of their long-term involvement in environmental improvement projects, such as PITCH-IN WEEK and other projects," says **Bette Ballhorn**, Chair, PITCH-IN CANADA.

Recipients have included

Scouts Canada, Girl Guides of Canada, Women's Institutes, and others.

The Clean World Award is signed by PITCH-IN CANADA's Patron, The Governor General of Canada.

Send your nomination, with supporting letters/documentation to Box 45011, Ocean Park RPO, WHITE

ROCK, BC, V4A 9L1. Awards will be announced in the fall.

Ontario Groups Provide Support

Even though most of the volunteers in the PITCH-IN Campaign are young people, many other organizations support the campaign.

Organizations represented on PITCH-IN ONTARIO's Advisory Council are: The Ontario Federation of Anglers and Hunters, The Girl Guides of Canada, Scouts Canada, Federated Women's Institutes of Ontario, The Federation of Ontario Cottagers' Association Inc., The Council of Outdoor Educators of Ontario, The Conservation Council of Ontario, The Ontario Chamber of Commerce and the Ontario Camping Association.

ONTARIO FEDERATION OF ANGLERS & HUNTERS

In Ontario, the publication of this information was made possible by a grant from the Ontario Ministry of Environment and Energy. Ministry of Environment and Energy

VOLUNTEERS TAKE PART IN PROVINCEWIDE CLEAN-UP

(City/Town), (Date of release): Volunteers from (name of group) collected (# of bags or weight) of garbage accumulated in (area) over the winter as part of a provincewide effort to clean-up the environment on (date and time of event).

The volunteers were part of Ontario's PITCH-IN WEEK Campaign, a program of The Ontario Federation of Anglers and Hunters (O.F.A.H.) in cooperation with PITCH-IN CANADA.

"We wanted to show some environmental leadership, and perhaps instill more pride in the beauty of our community," said (name of spokesperson), spokesperson for (name of group). "Also, by actually picking it up, we became more aware of what's being thrown away. We better understand the consequences of littering."

Most of the litter found by the volunteers consisted of (explain). Other items included (list unusual discoveries).

O.F.A.H. President Terry Smeltzer said the PITCH-IN campaign would be impossible without the volunteer help.

"We want to thank everyone from (name of group), and everyone from across the province, who helped out," said Smeltzer. "Without them, the effort never would have been made. We are talking about literally tens of millions of dollars worth of volunteer labor...It's encouraging that so many Ontario residents are willing to give their time for the cause of environmental stewardship."

The O.F.A.H. established PITCH-IN WEEK in Ontario in 1978. Each year since, youth groups, conservation clubs, schools, church groups, volunteer organizations and municipal governments have taken part in roadside and property clean-ups, recycling drives, habitat improvement and other clean-up across the province. In 1995, more than one million volunteers from 409 communities participated.

PITCH-IN WEEK is supported by the Ontario Ministry of Environment and Energy, (name of local municipal government if on list below), the media and a number of voluntary organizations.

Pre-Clean-Up Media Release

FOR IMMEDIATE RELEASE

VOLUNTEERS TO JOIN PROVINCEWIDE CLEAN-UP

(City/Town), (Date of release): Volunteers from (name of group) will be scouring (area) for garbage accumulated over the winter as part of a provincewide effort to clean up the environment on (Date and time of event).

The volunteers are participating in Ontario's PITCH-IN WEEK Campaign, a program of The Ontario Federation of Anglers and Hunters (O.F.A.H.) in cooperation with PITCH-IN CANADA.

"We want to show some environmental leadership, and perhaps instill more pride in the beauty of our community," said (name of spokesperson), spokesperson for (name of group). "Also, by actually picking it up, we will become more aware of what's being thrown away. We better understand the consequences of littering."

O.F.A.H. President Terry Smeltzer said the PITCH-IN campaign would be impossible without the volunteer help.

"Volunteers are the backbone of the project," says Smeltzer. "Last year, more than a million volunteers participated in clean-up events in 409 communities across the province. That's a staggering effort, and one which would be prohibitively expensive to pay for."

The O.F.A.H. established PITCH-IN WEEK in Ontario in 1978. Each year since, youth groups, conservation clubs, schools, church groups, volunteer organizations and municipal governments have taken part in roadside and property clean-ups, recycling drives, habitat improvement and other clean-up events across the province.

PITCH-IN WEEK is supported by the Ontario Ministry of Environment and Energy, (name of local municipal government if on list on reverse), the media and a number of voluntary organizations.

Volunteers to take part in PITCH-IN WEEK activities are welcome. Call local PITCH-IN WEEK coordinator (name of coordinator) at (phone number) to find out how you can help.

11. **OTHER BUSINESS**
12. **ADJOURNMENT**

1996, February 07
7:30 o'clock p.m.
Room 219, City Hall

The Keep Hamilton Clean Committee met.

There were present:

**Ron Volterman, Chairperson
Jim Auty, Vice-Chairperson
William Blenkhorn
Rick Butson
Michael Cuberovic
Jennifer Dent
Claudette Kabitsis
Fred Loft
Lori Nethercut
Frank Noto-Campanella
Mark Alan Whittle
Raffaella Brugnano**

Also present:

**Don Heintz, Public Works Department
Al Marshall, Public Works Department
Krista Blackborow, Youth Affiliate
Candice Ramirez, Youth Affiliate
Chan Than Son, Youth Affiliate
Lynn Kabita, Youth Affiliate**

1. ADOPTION OF MINUTES

The Committee was in receipt of the minutes for the Keep Hamilton Clean Committee for its meeting held 1996 January 03 and were amended as following:

Item 11 (a) Naturalist's Club was changed to Naturalists' Club

The minutes were adopted as amended.

2. CHAIRPERSON'S REMARKS

Ron Volterman, Chairperson, welcomed the Committee's newest youth affiliate, Lynn Kabita, who is a student of Westmount Secondary School. All Committee members introduced themselves to Lynn.

Ron Volterman advised the Committee that certificates have been sent from the Mayor and the City to Evelyn Principato and Sandro Principato recognizing their involvement with the Keep Hamilton Clean Committee.

3. BUSINESS ARISING FROM THE MINUTES

a) Spotless Debate

Ron Volterman reported that he has not been able to contact Michael Clarke regarding the 1996 Spotless Debate.

b) Sign By-Law to March meeting

This item will be discussed during the Committee's meeting in March.

c) 1996 Grey Cup Parade

William Blenkhorn informed the Committee that he is currently exploring the possibility of the Keep Hamilton Clean Committee participating in the 1996 Grey Cup Parade. The parade will be held in Hamilton on 1996 November 23.

d) Puzzles from Spotless Drawings

Jim Auty reported that he has contacted several people who could create puzzles using the spotless drawings. He agreed to investigate this item further.

e) Community Air Time on Local Radio Stations

Michael Cuberovic contacted six major radio stations concerning the possibility of obtaining community service air time for the Keep Hamilton Clean Committee. He stated that the Committee has to provide the radio stations with information for the commercial's script or the K.H.C.C. could provide its own script. The Committee's commercial would have a maximum length of thirty seconds. The radio stations require advanced notice prior to airing the commercial. Lori Nethercut suggested that the Committee could produce its' own audio tract for the commercial. She agreed to research this matter.

4. PUPPET SHOW

a) Status

Letters have been sent to elementary schools asking them if they are interested in hosting the puppet show.

Mark Alan Whittle has received responses from approximately fifteen to twenty schools. He reported that he has two volunteers who are willing to assist with the puppet show and has arranged for a location to rehearse the show.

He asked if the Committee could provide bus tickets for the volunteers who rely on public transport to get to the schools. A motion was made to purchase bus tickets for the puppet show volunteers. All present were in favour.

Mark Alan Whittle agreed to amend the puppet show information letter.

5. SPOTLESS SPOT

a) Status

Ron Volterman advised the Committee that a second letter has been sent to Rob Austin, Editor of the Hamilton Spectator regarding the Spotless Spot. The Committee has received no response from Rob Austin.

William Blenkhorn suggested that someone from the Committee could arrange to meet with Rob Austin in order to discuss the Spotless Spot. He agreed to make arrangements to contact Rob Austin.

6. YOUTH AFFILIATE

Jennifer Dent reported that she is currently making arrangements to meet with the environmental group at Westmount Secondary School. She is interested in having the mall display set up in Westmount's library.

The Youth Affiliate is planning to hold a contest among Hamilton schools asking, "How does your school keep Hamilton clean?". The date for the contest has not yet been determined. The Committee and the Youth Affiliate discussed various prizes which could be awarded to the winning school. Rick Butson offered to solicit donations for prizes.

7. CORRESPONDENCE RECEIVED

a) PITCH-IN CANADA - thanks for donation

The Committee was in receipt of correspondence from Bette Ballhorn, Chair of Pitch-In Canada. This letter thanked the Mayor and Councillors of the City of Hamilton for the financial support for Pitch-In Week. This letter was received as circulated.

8. MALL DISPLAY

Jim Auty reported that he is making arrangements to have the mall display set up in various Canada Trust branches. He said that there is a possibility of having the mall display set up in City Hall; however, it must be taken down each evening as a security measure.

Lori Nethercut suggested that the mall display could be placed in vacant storefronts in local malls.

Raffaella Brugnano asked if the mall display could be set up in McMaster University during their Environment Fair on 1996 March 13.

Jim Auty has created additional foam core panels with pictures for the display.

9. INTERNATIONAL COASTAL CLEAN-UP

Michael Cuberovic reported to the Committee that he received a letter from Pitch-In Canada stating that they no longer sponsor Canada's International Coastal Clean-Up campaign. Future correspondence pertaining to the International Coastal Clean-Up will come from the Center for Marine Conservation.

The 1996 Coastal Clean-up is scheduled for a weekend in September.

A sub-committee of the Keep Hamilton Clean Committee met with representatives from various environmental groups to discuss ideas for Hamilton's Coastal Clean-Up campaign. Michael Cuberovic indicated that there is considerable interest in this event. The representatives from the environmental groups are willing to support the campaign and agreed to contact additional groups to become involved.

10. PITCH-IN PREPARATIONS

a) Cotton Gloves - seconds

Don Heintz advised the Committee that he spoke with people from the Purchasing Department regarding the acquisition of gloves for Pitch-In Week. A purchase order has been made for 600 dozen pairs of gloves at a cost of \$2.50 per dozen/pair. He stated the gloves were of good quality. Several samples of the gloves were circulated at the meeting.

Lori Nethercut recommended that the Committee ask the schools to keep their gloves in order to reuse them next year. The Committee discussed the possibility of having someone go to the schools to pick-up the gloves so they may be reused for Pitch-In Week in 1997. Lori Nethercut stated that she is willing to undertake this task.

b) Advertising - Bus Ads

Ron Volterman reported that the purchase order for the advertising with Urban Outdoor Trans Ad has been issued. He thanked Lori Nethercut on behalf of the Committee for doing an excellent job of negotiating a new contract with Urban Outdoor Trans Ad.

c) Advertising - Television/Radio/Newspaper

Ron Volterman contacted a representative from the T.V. Guide Channel concerning advertising space. He reported that the T.V. Guide Channel charges \$150/week to air a commercial 24 times a day, with a minimum of once per hour. There is an additional production fee of \$200. Ron Volterman was uncertain as to what the

production fee entailed.

Lori Nethercut asked if it possible for the Committee to create its own commercial.

Michael Cuberovic proposed that the T.V. Guide Channel advertising be used to promote the International Coastal Clean-Up. Several members were uncertain whether this advertising should be used for the Coastal Clean-Up since Pitch-In Week is one of the Committee's main priorities, and perhaps other environmental groups could provide funding for advertisements for the Coastal Clean-Up.

Michael Cuberovic made a motion to investigate the possibility of negotiating a deal with the T.V. Guide Channel to obtain free advertising. This motion was defeated after considerable discussion.

A motion was made to examine the possibility of obtaining a new advertising contract with the T.V. Guide Channel with a maximum cost of \$600 plus \$200 production costs (plus applicable taxes). Eleven members were in favour, one was opposed. The motion was carried.

Claudette Kabitsis made a suggestion to advertise Pitch-In Week in local ethnic newspapers. The Committee agreed that this would be a good avenue to look into.

Raffaella Brugnano offered to place a Pitch-In Week announcement on the Hamilton-Wentworth Freenet.

Jim Auty informed those present that the Committee placed a Pitch-In Week advertisement in the T.V. Facts last year and should try to do so this year.

d) Invitation

Jim Auty did not have a copy of the Pitch-In Week invitation sent out to last year's participants. The Committee agreed to use the same format for 1996 with the exception of a few minor adjustments. The return date for the participation forms will be April 8, and Don Heintz' fax number (546-3972) will be added.

e) PITCH-IN WEEK Promotional Material

Michael Cuberovic suggested that a list of safety tips be included with the Pitch-In Week information package inserted with the bags sent to participants. All were in favour.

11. OTHER BUSINESS

a) The Committee agreed that this year's theme for the Public Service Announcement will be, "Litter - Out of Sight, Out of Mind."

b) Don Heintz circulated a memorandum outlining a list of activities the Keep Hamilton Clean Committee undertakes each year. This list will be used for the Committee's meeting plans.

12. ADJOURNMENT

There being no further business, the meeting then adjourned.

Taken as read and approved,

**Ron Volterman, Chairperson
Keep Hamilton Clean Committee**

Raffaella Brugnano, Secretary

The Corporation of the City of Hamilton

BY-LAW NO. 93- 003

To Amend:

Streets By-law No. 86-77

Respecting

SIGNS

3(b)

WHEREAS the uncontrolled posting of signs and notices on utility poles on the highway creates a safety hazard for City employees and a potential traffic hazard;

AND WHEREAS the posting of signs and notices creates an aesthetic and visual blight;

AND WHEREAS the City provides kiosks for the public to affix signs in certain parts of the City;

NOW THEREFORE the Council of The Corporation of the City of Hamilton enacts as follows:

1. Section 16a. of By-law 86-77 is repealed and the following is substituted in lieu:

16a. (1) No person shall erect or place or affix a sign or post a notice on property abutting a highway or part of a highway except in accordance with this section.

(2) Any person posting a sign or notice shall follow the directions of the Director of Public Works.

(3) Signs or notices shall be fastened with adhesive tape. No person shall fasten the sign or poster on a utility pole with staples or any metal device.

(4) The person posting the sign or notice shall remove the sign or notice and all posted materials five days after the event advertised has occurred.

(5) No sign or notice which exceeds the dimensions of eleven (11) inches wide by seventeen (17) inches long shall be posted.

(6) For the purposes of this by-law, "sign" does not include a sign that is free standing and on its own supports.

PASSED this 12th day of January , A.D. 1993.

City Clerk

Mayor

FROM FRANK
WESTAULT

IF YOU NEED HELP - CALL

This is an extract (Section 16a) taken from City of Hamilton By-law 86-077 (to consolidate Streets By-law 9329) adopted by City Council 1986 February 25.

16a. (1) No person shall erect or place or affix a sign or post a notice on property abutting on a defined highway or part of a highway. By-law No. 83-022, S.1.

(2) Every person who erects, places or affixes a sign or posts a notice contrary to subsection 1 shall upon written or oral notice forthwith pull down or remove the sign or notice. By-law No. 83-022, S.1.

(3) Notwithstanding subsection 1, the City may grant permission to erect, place or affix a sign or post a notice

upon such terms and conditions as the City may require, but nothing in this by-law shall oblige the City to grant such permission. By-law No. 83-022, S.1.

(4) For the purpose of this section,

- (a) "building" includes structure;
- (b) "defined highway" means a highway listed in City Traffic By-law No. 66-100 and in Regional Municipality of Hamilton-Wentworth By-law No. R 77-78, situate within the City;
- (c) "local board" has the same meaning as in The Municipal Affairs Act;
- (d) "person" includes the owner of the sign or notice, any individual or organization that has erected or caused to be erected, placed or affixed the sign or that has posted or caused to be posted the sign, or any individual or organization holding themselves out in the content of the sign or notice as sponsoring or responsible for the message therein;
- (e) "property" means a building owned or used by the City, or local board, or used by any person on City land;
- (f) "sign" does not include,
 - (a) a sign, advertising device or other device or apparatus within the meaning of section 5 of Traffic By-law No. 66-100; or
 - (b) a sign that is of a temporary nature and is free standing and on its own supports.
By-law No. 83-022, S.1.

7(a)

THANKS!

Thank you for your feedback regarding your recent dinner party at The Keg!

We hope that all your guests enjoyed their evening with us, and the food, service and atmosphere helped to make the occasion a success!

We understand the effort it takes to coordinate dinner parties, so as a special thank you for your efforts, we have enclosed something just for you.

We appreciate your business and look forward to serving you again soon.

Sincerely,

Mike Homorodean
General Manager

The Canadian Healthy Environment Awards are a component of Environment Canada's Action 21* Program, and are aimed at recognizing individual Canadians and organizations which took positive action toward a healthy environment. This year, a new participation category has been added. The Award winners will be announced during Environment Week (June 1-9, 1996).

*Action 21 is a program of Environment Canada that encourages Canadians to take action in their communities in support of healthy environments

CATEGORIES

The Canadian Healthy Environment Awards will be presented in six categories:

1. Non-profit Organizations

This award is presented to a non-government, non-profit group which has made an outstanding contribution, either a long-term effort or a single recent accomplishment, to the protection of Canada's environment. The contribution can take the form of increased public awareness or the promotion of a particular cause.

Eligibility: Any non-government, non-profit Canadian organization, or Canadian branch of an international organization, which has developed a program dealing with an environment-related topic, or which concentrates on ecosystem conservation, biodiversity, wildlife, toxics, atmospheric change, or any other concerns central to improving environmental quality.

2. Arts, Media and Communications

This award is for an author, journalist, broadcaster, film-maker or performer who is a Canadian resident and whose work has significantly broadened Canadians' awareness of environmental issues. The winner will have contributed to increased knowledge, concern, commitment and/or hope for the environment.

Eligibility: This category is open to a professional communicator/performer in any medium.

3. Corporate Leadership

In recognition of innovative and/or exemplary environmental conduct by a Canadian corporation, institution or association (industrial or other), the winner of this award will have shown that ecological concerns can be reflected in economic decisions, and that profit-based operations can sustain themselves without contributing to environmental destruction.

Eligibility: The nominee must be a corporate entity (not a municipality or charitable organization). Crown corporations are also eligible. The nomination should identify how the company in question has protected the environment or conserved natural resources.

4. Environmental Leadership by a Municipality

This award recognizes an innovative and/or exemplary policy, project or activity which better the environmental quality of a municipality.

Eligibility: Any Canadian regional government or municipality. The nomination should outline the type of policy, project or activity and identify the benefits to the environment.

5. Youth Leadership

This award is given to an outstanding young person who has demonstrated true leadership in an environmental activity, and who is recognized as an inspiration amongst his or her peers.

Eligibility: Any young Canadian citizen between the ages of 13 and 20.

6. Lifetime Achievement

The Lifetime Achievement Award is a special honor to a single individual Canadian whose lifetime dedication to the environment is a source of inspiration.

Eligibility: Any individual Canadian. The nomination should describe the person's work, with details of his or her motivation and scope of activity.

Both successes and failures should be included.

PARTICIPATION CERTIFICATES

You may also submit nominations for Special Participation Certificates to be signed by the Minister of the Environment and awarded to individuals under the following categories:

1. Action by Children

These certificates are presented to children or groups of children under the age of 13 whose dedicated actions help the environment.

2. Individual Commitment

These certificates are presented to private Canadian citizens, or groups of citizens, who have demonstrated dedication to the environmental cause. These people are recognized and respected at the local, regional or national level for environmental achievement, and may be an educator, facilitator, project leader or hands-on volunteer.

DEADLINE FOR SUBMITTING NOMINATIONS

Nominations for the Awards must be postmarked on or before March 31, 1999. The winners will be announced during Environment Week, June 1-9, 1996. Submissions for Special Participation Certificates will be accepted until May 3, 1996.

An acknowledgment will be sent to everyone who submits a nomination form.

Further information

Environment Canada appreciates your interest in the conservation and protection of the environment. We encourage you to make copies of this pamphlet, and send them to other interested organizations. You can help us spread the word by displaying the poster on the reverse.

Please send nomination forms and request additional information to:

WESTERN LAKE ONTARIO ENVIRONMENTAL COALITION EVENTS CALENDAR

March - May, 1996

These events were submitted for this calendar. Please include in any of your group's publications and announcements. Thank You.

TUESDAY, FEBRUARY 27

Municipal Prevention Roundtable "Experiences in Pollution Prevention". At the Sheraton Hamilton Hotel. Topics include: Policy issues and Program Planning, Purchasing and Procurement, Energy Conservation and Building Management, P2 for Business Fleet Management and Transportation, Community P2 Programs and Pollution Prevention as a Tool for Municipal Government. For further information call Karen Broadhurst @ (519) 542-7760 or Beth Goodger (905) 546-2427.

THURSDAY, FEBRUARY 29

No-Till Management Basic Techniques. At the Lamplighter Inn London, Ontario. Pest management control, Crop fertility management, No-till management practices. For information call Lillie Ann Morris (416) 932-2487.

MARCH 3 TO APRIL 14

Maple Syrup Days. 10:00 a.m. to 4:00 p.m. (weekends and holidays; daily March 11 - 22) Horse drawn rides take you to the sugar bush where maple syrup production is demonstrated by modern and pioneer methods. there are candy making demonstrations and maple products for sale. Don't miss the Kelly New Picnic Pavillion where stacks of pancakes and sausages are served. Bird of Prey presentations are at 1:00 p.m. and 3:00 p.m. in the Douglas G. Cockburn Raptor Centre. Call (905) 336-1158

FRIDAY, MARCH 8 OR 15

Learn to locate the planets, the main stars and seasonal constellations and keep abreast of the annual celestial events. There will be lots of interesting things happening in the night sky in 1996. 7:30 p.m. in the McMaster Planetarium, basement of the Burke Science Building McMaster University. By registration only; Deadline March 1. Registration Fee \$5.00/person, children under 12 free. Dr. Doug Welch and McMaster Staff. Call RBG (905) 527-1128

SATURDAY, MARCH 23

Spring Cleanup and Work Party. Give the Dundas Conservation Area an early shot in the arm. Bring weather-appropriate clothing and help prepare the environment for the coming spring. 9 a.m. - noon. Meet at the Dundas Valley Trail Centre. A small gate fee will apply. Call (905) 525-2181, ext. 147, for more information.

SATURDAY, APRIL 6-8

Live Critters, conducted nature walks, build a butterfly house, learn about endangered Canadian flora and fauna. At the RBG Centre and the Nature Interpretive Centre. Info line (905) 527-1158.

FRIDAY, APRIL 5

Getting to Know the Dundas Valley. Get to know the flora and fauna of the Dundas Valley during this guided hike. Pack a lunch and bring the kids; this is a family event. 10 a.m. - noon. Meet at the Dundas Valley Trail Centre. A small gate fee will apply. Call (905) 525-2181, ext. for more information.

SATURDAY, APRIL 13

Pitch in Day. Help the Friends of the Dundas Valley get the natural areas ready for the return of the birds and animals in the spring. Meet at the Dundas Valley Trail Centre at 1:00 p.m. Weather permitting.

SUNDAY, APRIL 21

Spring has Sprung! Take an evening walk to smell the fresh air, see the plants growing and listen for the sounds of birds and amorous Spring Peepers. Cost is \$5.00 per person. 6:30 p.m. Meet at the Dundas Valley Trail Centre. A small gate fee will apply. Call (905) 525-2181, ext 147 for more information.

SUNDAY, APRIL 21

Earth Day B'earthday. 10:00 a.m. to 4:00 p.m. You are cordially invited to a B'earthday celebration. Join the staff of the Mountsberg Wildlife Centre for a day of environmental activities, a wildlife trivia game, papermaking and "Do your care" slideshow on composting and environmental tips. Fun for the whole family. Call (905) 336-1158.

FRIDAY AND SATURDAY, APRIL 26 AND 27

Frogwatcher's Hike. 7:00 p.m. to 9:00 p.m. Secretive songsters and slippery sliders take over the swamp. Help listen and search for Ontario's amphibians this spring. Admission is by advance payment only. Please call (905) 854-2276 or register in person at Mountsberg. Adults: \$10; Children:(under 12)\$7.

SATURDAY,SUNDAY APRIL 27, 28

Trails and Tourism in Ontario. The Annual Ontario Trails Council Conference, Holiday Inn, Peterborough. For details contact the Ontario Trails Council @ (705) 748-1419.

SUNDAY, APRIL 28

Spring Bird Walk. Follow the spring migration and the establishment of nesting territories with these early morning walks. Hendrie Valley is a great birding spot with contrasting habitats and excellent viewing spots. Meet 7:00 a.m. at Cherry Hill Gate, west of the Centennial Rose Garden. Admission will be \$2.00. No pre-registration. James Pringle and Staff. RBG (905) 527-1127.

SUNDAY MAY 5

Explore the Shore. A cycling fundraiser along the Whitby section of the Waterfront Trail, to benefit the Arthritis Society of Durham and the Head Injury Association of Durham. 10:00 a.m. - 2:00 p.m. Call (905) 434-7221.

SUNDAY, MAY 12

Mother's Day Flower Hike. Join the Friends of the Friends of the Dundas Valley in a search for the spring wildflowers as they add brilliant colours to the Dundas Valley Conservation Area. 2 p.m. Meet at the Dundas Valley Trail Centre. A small gate fee will apply. Call (905) 525-2181 ext. 147 for more information.

SUNDAY MAY 12 AND 19

Spring Wildflower Hikes. 1:00 p.m. to 3:00 p.m. Before the Trees are in full bloom, join the staff for a slide show and a guided hike to identify some blooming beauties on the forest floor. Call (905) 336-1158.

SUNDAY, MAY 26

Trees and Shrubs of the Dundas Valley. Volunteers from the Dundas Valley will guide you through the conservation area and describe the wide variety of flora that makes up this natural area. Focus will be on unique and Carolinian species. 10:00 a.m. Meet at the Dundas Valley Trail Centre. A small gate fee will apply. Call (905) 525-2181, ext. 147 for more information.

ENVIRONMENTALISTS OF THE YEAR AWARDS COMMITTEE SEEKS
NOMINATIONS FOR THE 1995 ENVIRONMENTALISTS OF THE YEAR AWARDS

The Environmentalists of the Year Awards have been held each year since 1979, to honour individuals and groups who have made a significant contribution to the protection and/or enhancement of the environment in the Regional Municipality of Hamilton-Wentworth. Past recipients include Dr. Victor Cecilioni, Ray Lowes, Gil Simmons, Dr. Jack Vallentyne, Bruce Duncan, and the Save the Valley Committee. The Environmentalists of the Year Awards are sponsored by the Conserver Society of Hamilton and District, the Hamilton Naturalists' Club, the Hamilton Region Conservation Authority, the Bay Area Restoration Council, the Friends of the Environment Foundation - Mountain Chapter (Canada Trust), and the United Nations Association - Hamilton Chapter.

The awards will include the Dr. Victor Cecilioni Award (for the 1995 Environmentalist of the Year) and Awards of Merit. In addition, Youth Recognition Awards for Environmental Leadership will be awarded by the Hamilton Region Conservation Authority. The awards will be presented at the seventeenth annual Environmentalists of the Year Awards Dinner. The Awards Dinner will be held in Hamilton on Wednesday, June 5, 1996, at the Hillcrest Restaurant and will commence at 6:00 P.M. Dinner tickets will cost \$25.00 and are available from Brian Reid at 627-1990.

CRITERIA FOR SELECTION

Nominees must have made their contribution in the Regional Municipality of Hamilton-Wentworth, or have had a significant connection to the Region. Both group and individual nominees will be eligible. Nominations must be submitted by April 1, 1996.

In selecting the recipient(s) of the awards, the judges will consider the nature of the environmental activities undertaken by each nominee and the resulting achievements having regard to the following:

- Number of years of involvement
- Impact/Results/Benefit to Society and Ecosystem
- Community Involvement (ie # of people or groups involved in the activities)
- Educational Contribution
- Uniqueness/Innovation
- Continuing Commitment to Environmental Issues
- Letters of Support

7(d)

NOMINATION FORM

If you would like to nominate an individual or group to receive an award, please complete the following and provide details regarding criteria for selection (see other side). The nomination should describe in detail the nature and purpose of the environmental activity undertaken by the nominee, the resulting achievements, and the reasons you believe the nomination to be of merit. Letters of reference and additional information should be included with this nomination.

Please forward the nominations to:

The 36th Annual Hamilton District Science and Engineering Fair will take place March 27 - 30, 1996, at McMaster University. Once again, students from the Hamilton, Wentworth, and Halton regions will present science and engineering projects, and share their interest and knowledge not only with their peers but also with educators, judges, professionals, and visitors to the fair. Major winners qualify to enter the Canada Wide Science Fair in North Bay, or the International Science and Engineering Fair in Tuscon, Arizona.

An award donor form is included with this letter. We would appreciate it if you would return the completed form to me, together with a cheque if you are making a financial contribution, by February 23, 1996. A receipt will be issued for income tax purposes.

If you have any questions, please contact me at (905)575-2112, fax (905)575-2392, or email motet@dispatch.mohawkc.on.ca

Thank you for sharing in the belief and hope that many of the challenges of tomorrow will be faced by encouraging the youth of today.

Dear Sir/Madam,

The McMaster Students Union Environment Committee will be hosting its fifth annual Environment Fair on Wednesday, March 13, 1996 from 10:00am to 4:00 pm in the Ewart Angus Foyer of the McMaster Medical Centre. The purpose of this fair is to provide local groups an opportunity to display and inform the public of the environmental initiatives which each has undertaken. We cordially invite you to come and display your current initiatives.

If you wish to have a display, but would not be able to stay, myself and the other committee members will be present all day. As well, if you wish to have a table and/or poster board, please notify me beforehand. In order to rent the tables and poster boards, we are asking each group to cover the costs by donating \$10 per table and \$15 per poster board. The Committee will handle the advertising and will help with any displays.

This event has been very successful in the past and we are hoping for you participation. Please contact me at the phone or fax numbers above by Wednesday, February 28 to let us know if you will be able to attend, as participation is limited to 18 groups.

Thanking you for your time and cooperation,

Yours sincerely,

Manisha Thomas

MEMO TO MICHAEL CUBEROVIC

Keep Hamilton Clean Committee, c/o 27 Tommar Place, Hamilton, ON L8G 5B4

Dear Michael,

Good to hear from you again!

Enclosed you will find information, including data cards and instructions, about the Coastal Clean-Up Program. We are, due to budgetary constraints (what else is new?), no longer able to coordinate this program in Canada. However, we continue to support it strongly and will help put you in touch with the Center for Marine Conservation in the U.S. which compiles the data worldwide.

The Campaign dates have not yet been set. However, any weekend in September is OK. We found that groups undertake this project at the most convenient time for them, taking into account weather conditions etc...

Let us know what happens. Feel free to return your data forms to us and we will make sure they get to the right person. You may also want to consider becoming a local coordinator for this program yourself. For example, in Vancouver the Vancouver Aquarium and Burrard Clean do a great job coordinating local groups, sending data directly to the US. Contact Siba Sheavly at the Center, Atlantic Regional Office, 306A Buckroe Ave., HAMPTON, VA 23664. I will send her a copy of this letter.

Take care and good luck with your planning meeting on the 7th! Look forward to working with your Committee on 1996 PITCH-IN WEEK, May 6-12. Kits are going out the end of January to all your schools, etc... We will send you the registrations, as received.

Allard van Veen

DEPARTMENT OF PUBLIC WORKS AND TRAFFIC

MEMORANDUM

BY FAX ONLY - ONE PAGE - NO COVER

TO: Paul Mason
Regional Sales Manager
Urban Outdoor TransAd

YOUR FILE: #D20551

ATTN: Darlene Cox

FROM: Don Heintz
Project Maintenance Engineer
Public Works & Traffic Department

OUR FILE: 96.0114
PHONE: 546-3920

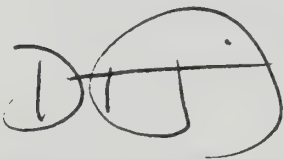

SUBJECT: Keep Hamilton Clean Committee
Storage of Bus Posters

DATE: 1996 February 15

In response to your letter dated 1996 February 9, I must express surprise that you will only store reusable material for up to six months.

Following the 1995 PITCH-IN Campaign and Transit Poster advertising on the HSR Buses, Urban Outdoor TransAd agreed to and did store our posters for the full year (you still have them from last year).

Since it appears that your policy in this regard has changed, may I request that you call or write to us before the end of the six (6) month storage period so that we may pick up the material from your office or other designated location.

DH/

Darlene agreed that
the return &/or destruction
of posters does not apply
since our advertising is
not "single event + disposal
after" DH

a division of
Marketeers & Company

ONTARIO PITCH-IN WEEK PROJECT REGISTRATION FORM

sent by fax on Feb 8/96
10(e)

As part of the **PITCH-IN WEEK** campaign, a limited number of free garbage bags are available to schools and non-profit community organizations for use in **PITCH-IN** projects in Ontario, May 6-12, 1996. Bags will be distributed between April 1-30 by courier on a **first-come, first served** basis. PITCH-IN organizers try to allocate the bags as fairly as possible. Participants are encouraged to **re-use** bags, where possible. A donation of \$5.00 or any amount to "PITCH-IN ONTARIO" to help cover the cost of shipping and handling is welcomed but not necessary in order to receive bags.

Applications must be postmarked no later than March 31

PLEASE TYPE OR PRINT CLEARLY

1. **CONTACT PERSON/COORDINATOR:**

Name (Mr/Mrs/Ms) Don Heintz Phone Number (905) 546-3920
Position Staff Advisor Fax Number (905) 546-3972
Name of your Group (school, organization etc..) Keep Hamilton Clean Committee

2. **ADDRESS TO WHICH BAGS ARE TO BE SENT:** (Provide street address for courier delivery! NO BOX NUMBERS PLEASE!)

Street 161 Studholme Road Village/Town/City Hamilton
Province Ontario Postal Code N/A

3. **INFORMATION ABOUT YOUR SCHOOL/SECTION/UNIT/ORGANIZATION/CLUB** (If you are coordinating a clean-up involving other schools/sections/units/organizations/clubs provide information about **YOUR** SCHOOL/SECTION/UNIT/ORGANIZATION/CLUB **ONLY** in this section.) Turn to question 12 on reverse to provide information about the **other** SCHOOLS/SECTIONS/UNITS/ORGANIZATIONS/CLUBS.

Type of Organization (indicate **ONE** CATEGORY ONLY which best describes your **own** organization)

6. **PROJECT DESCRIPTION:** (please provide details on the scope of your project. Example: number of kilometres you plan to clean up; population of your community; other activities being planned; location of project; date(s) of project, etc...)

Depends on individual groups we
coordinate

YES NO

7. Does your group plan to separate the waste collected during **PITCH-IN WEEK** into recyclable and non-recyclable material? Q1

☒ ☐

please complete reverse

9. Would you like PITCH-IN WEEK to continue in future years? Q2

YES ☒ NO ☐

10. If you answered YES to question 9, have you written The Hon. Brenda E. Elliott, Minister of Environment and Energy, 12th Floor, 135 St. Clair Street West, Toronto, M4V 1P5 to tell her about your project and how much you support her Ministry's support of PITCH-IN WEEK? (Please send a copy of your letter to your local MPP and PITCH-IN) Q3

☒ ☐

11. If your community supports PITCH-IN financially, have you thanked them? If they are not on the enclosed list of PITCH-IN supporters, have you contacted your Council/Mayor to suggest they provide support to us in the future?

☒ ☐

12. Did you use the enclosed media release to inform your local media about your project? (Please send us any clippings for our scrapbook and for our province-wide report) Q4

☒ ☐

13. Do you have any bags left over from the 1995 campaign? YES ☐ NO ☐ If YES, how many bags are left over?

mostly our own material
we still need about 2800
15000 more!

☒ ☐

14. Are you acting as Coordinator for any other schools/sections/units/organizations/clubs? If "NO", you have completed this form.

If "YES", please LIST ALL SCHOOLS/SECTIONS/UNITS/ORGANIZATIONS/CLUBS, OTHER THAN YOUR OWN, who will be using the bags and who should be recognized in the 1996 PITCH-IN WEEK Report. Please be as accurate/detailed as possible. (Organization and Project Codes are listed below, for your easy reference.)

Name of Group	Organization Code	Project Codes	Age of Participants	Number of Participants
EXAMPLE: Johnston Road Elementary School	01	01, 02	6 - 13	500
175 Schools - too numerous to list

Frank Westaway, Public Works Department
Krista Blackborow, Youth Affiliate
Candice Ramirez, Youth Affiliate
Lynn Kumita, Youth Affiliate
Chan Than Son, Youth Affiliate
Bonnie Lok, Youth Affiliate
Allison Rielly, Youth Affiliate**

1. ADOPTION OF MINUTES

The Committee was in receipt of the minutes for the Keep Hamilton Clean Committee for its meeting held 1996 February 07 and these minutes were adopted subject to the amendments noted at the meeting.

2. CHAIRPERSON'S REMARKS

Ron Volterman advised the Committee that the 1996 April 03 meeting will be held in Council Chambers rather than Room 219, City Hall.

3. BUSINESS ARISING FROM THE MINUTES

a) Spotless Debate

Ron Volterman reported that because he had not been able to contact Michael Clarke, it is too late to get the Spotless Debate underway for 1996. The Committee agreed to work on this project in 1997.

b) Sign By-Law

Frank Westaway, By-Law officer presented information concerning the enforcement of the Sign By-Law.

On behalf of the Committee, Ron Volterman thanked him for attending the meeting.

c) 1996 Grey Cup Parade

William Blenkhorn informed the Committee that the City of Hamilton will be hosting a joint Santa Claus/Grey Cup Parade on 1996 November 23. The Committee's entry will be placed near the end of the parade.

d) Puzzles from Spotless Drawings

Jim Auty is currently investigating the possibility of creating puzzles from the Spotless drawings. He will present further information once it becomes available.

e) Community Air Time on local radio stations

Michael Cuberovic reported that he contacted several major radio stations in the Hamilton area regarding community service air time. The Committee can provide its own audio for the radio commercial.

4. PUPPET SHOW

a) Status

Mark Alan Whittle reported that he is having difficulties finding volunteers for the puppet show. He does not want to make any commitments with the schools until he is certain that he has assistance with the show.

William Blenkhorn offered to help with the puppet show.

5. SPOTLESS SPOT

a) Status

Mark Alan Whittle is still receiving a reasonable response to the Spotless Spot contest even though the drawings are not being published in the Spectator.

Ron Volterman will provide William Blenkhorn with the background information on the Spotless Spot Contest before his meeting with Rob Austin, Spectator Editor.

6. YOUTH AFFILIATE

Ron Volterman introduced the Committee's newest youth affiliate members, Bonnie Lok, who is a student at Scott Park Secondary School, and Allison Rielly, who is a student at Westmount Secondary School. All Committee members introduced themselves to Bonnie and Allison.

Jennifer Dent reported that she had a meeting with the environmental group at Westmount Secondary School. They are interested in environmental issues and are working on a number of activities.

The Youth Affiliate circulated a brochure advertising the upcoming Youth Affiliate contest. Four secondary schools expressed interest in participating in the contest. After considerable discussion, a motion was made to purchase a six-foot submarine sandwich as the prize for the winning school. All were in favour.

7. CORRESPONDENCE RECEIVED

a) The Keg

The Committee was in receipt of correspondence from Mike Homorodean, General Manager of The Keg restaurant.

Ron Volterman stated that he had been contacted by the management for feedback on the Committee's meeting held at the Keg in December. The Keg forwarded a coupon for a complimentary entree in appreciation of the Committee's business with them.

b) The Canadian Healthy Environment Awards

The Committee was in receipt of correspondence from Environment Canada with information on the 1996 Canadian Healthy Environment Awards. Don Heintz informed the Committee that he has a copy of the nomination form.

c) Western Lake Ontario Environmental Coalition

The Committee was in receipt of a meeting notice and events schedule for the Western Lake Ontario Environmental Coalition. Ron Volterman suggested that the Committee should contact them in order to advertise Pitch-In Week in their events calendar.

d) Environmentalist of the Year Awards

The Committee was in receipt of correspondence from the Environmentalist of the Year Awards Committee regarding award nominations for the Environmentalist of the Year.

In the past, tickets have been purchased for members who were interested in attending the Environmentalist of the Year Awards dinner. The Awards Dinner will be held on 1996, June 05, at the Hillcrest Restaurant.

The Committee was in favour of purchasing tickets for this year's event. The Committee made a motion to move the Committee's 1996 June 05 meeting to 1996 June 12. All were in favour.

e) Hamilton District Science and Engineering Fair

The Committee was in receipt of a letter from Terry Mote requesting the support of the Committee for the 1996 Hamilton District Science and Engineering Fair.

The Committee agreed to sponsor an award similar to the one given last year:

- a) \$100 for first place, to be awarded at the discretion of the Committee;
- b) \$100 for administrative purposes;
- c) T-shirts and Spotless pins as honourable mention(s)

f) McMaster Students Union Inc.

The Committee was in receipt of a letter from Manisha Thomas, MSU Environment Committee Chair, asking for the Committee's participation in the Environment Fair on 1996, March 11. The Committee agreed to have the mall display at this event. Raffaella Brugnano stated that she would be available to man the display.

8. MALL DISPLAY

Jim Auty reported that the mall display was currently located at Westmount Secondary School. The display will be set up for the McMaster Students Union Environment Fair on 1996, March 11.

9. INTERNATIONAL COASTAL CLEANUP

Michael Cuberovic informed the Committee that the U.S. Center for Marine Conservation will be responsible for the International Coastal Clean-Up Program. The campaign dates have not been set yet; however, any weekend in September is suitable.

He reported that the Bay Area Restoration Council has given him a name of a gentleman living on the beach front who has compiled information on litter found on Hamilton's beaches. This gentleman has created art from litter collected on the beach.

Michael Cuberovic prepared a media release explaining the details and goals of the International Coastal Clean-Up campaign in Hamilton. The Committee was in favour of sending out the media release.

10. PITCH-IN PREPARATIONS

a) Cotton Gloves - seconds

Don Heintz advised the Committee that all six hundred dozen pairs of cotton gloves had been received.

b) Advertising - Bus Ads

The Committee was in receipt of correspondence from Urban Outdoor Trans Ad with the details on the Committee's Bus Advertising campaign.

Jim Auty informed the Committee that the bus poster advertisement had been submitted for the ACE Advertising Awards. The contest entrance fee is \$50. He will request a copy of the awards programme.

c) Advertising - Television/Radio/Newspaper

Jim Auty agreed to design an advertisement suitable for community newspapers.

The Committee decided to place posters in recreation centres and libraries.

Lori Nethercut reported that she had contacted Cable Ads for information on advertising on the TV Guide Channel. The Committee's advertising campaign on the TV Guide Channel will last for four weeks at a cost of \$699.98. The commercial will be thirty seconds in length. The Committee selected a prototype that Jim Auty had created for the commercial.

Lori Nethercut will create the audiotape for the community service radio commercial.

d) Invitation

Jim Auty produced an information letter, the initial contact letter, and the response card to be sent out to the Pitch-In Week participants. The Committee decided that the invitation should be enclosed with the response cards.

Evelyn Principato will print the labels with the participants' names.

e) Pitch-In Week Registration Form

The Committee decided to use the same format for the registration form with the exception of a few minor adjustments. The response cards will be sent to Lori Nethercut's address. The deadline for the response cards is 1996 April 08. Committee members will contact the schools who do not respond by April 08th.

f) Bagging Day

The Committee will hold the bag packing on 1996, April 17th at 7:00 p.m. at the Chedoke Maintenance Depot, 161 Studholme Road. All members were asked to attend.

11. OTHER BUSINESS

a) Lori Nethercut reported that she was not able to call the contact person for the Public Service Announcement. Don Heintz agreed to follow up on this matter.

b) Lori Nethercut informed the Committee that she is making a Keep Hamilton Clean Committee patch for Hamilton's Sesqui Centennial Quilt.

c) The Committee agreed that the 1996 Litter Hot Spots Tour will be held on 1996 May 31.

d) Don Heintz advised the Committee that he had a request for Spotless to appear at the Special Olympics Torch Run at the East End Police Station on 1996 April 24, as well as the Girl Guides/Boy Scouts Parade on 1996, May 25.

12. ADJOURNMENT

There being no further business, the meeting then adjourned

Taken as read and approved,

7 (a)

Dear Ron and committee members.

During the past month I have had to make a personal decision as to where my priorities lie.

At present, my union local, will be going into negotiations with the City of Hamilton and the Regional Municipality of Hamilton Wentworth and proposed meeting dates conflict with this committee's meeting dates.

As well, I am required to be at another meeting on the same nights and dates as our committee meets. and being that they are both at my union office I am finding it hard to commit to attend both and over. I have decided to resign from this committee to allow for someone who can commit themselves to this committee.

Although I feel this committee is very important and it was a must that someone from L.S. be a member. I can no longer find the time.

Thank you for allowing me to sit as a member and I hope this does not inconvenience you in anyway.

Good luck in all your endeavors, I will keep you advised of any problems I may run across

In Friendship / Fred Hoft

Options

- 1) The Committee can recommend to fill the vacancy by the usual process (advertise, orientation sessions, interviews);
- 2) Wait until other members terms of office expire and advertise for them all (including this one) at the same time;
- 3) Recommend not to fill this vacancy at this time;
- 4) or, ask that given the high advertising costs and time involved, that the Committee send a report to T&E recommending that Fred Loft's position be filled by someone recommended by the Committee (have an actual replacement name) and indicate that while this is not city policy, that it will save costs (advertising) and time in light of the fact that Pitch In week is coming up and you need someone on board soon.

Enviro-fair sports green wares

MICHAEL MICHAUD
The Silhouette

Many things green and clean were to be seen at the McMaster Students Union Environment Committee's fourth-annual Enviro-Fair Wednesday.

The event was held at the Ewart Angus Centre at McMaster

Hospital and hosted different companies and organizations coming together to help inform people on new and environmentally friendly programmes.

Chair of the Environment Committee, Manisha Thomas, hopes the fair will "raise awareness and let people know that there are

a lot of companies helping the environment and organization [of environmental projects]."

Concern

Many booths were set up in the lobby, and decorated to target different areas of current environmental concern.

One booth was taken by

Thermo Tech Technologies and was manned by Vice-President of Research and Development, Dan Cumming.

"People are pulling out the glass, the plastics, paper, cardboard," said Cumming.

"What you're left over with is the wet organics," he added.

The corporation helps to convert organic waste and food wastes into useful products such as animal feeds and fertilizers, solving the problem of disposal, and increasing overflow of landfills.

Seedlings

Another organization was Tress for Life Canada.

The organization focusses on Canada's youth, as they sell T-shirts, buttons, seeds and packages instructing youngsters on how to plant their own seedlings.

Ed McRae, Trees for Life office manager, estimated roughly 120,000 volunteers were involved in Trees for Life throughout Canada last year.

CAERAN sells all natural products such as various shampoos, conditioners, bubble bath liquid, fabric softener, and laundry liquid.

All the products are biodegradable within three to five days, and customers can attain a catalogue with every product offered as well as every ingredient used to make each product.

CAERAN distributor Sandra Thomaidis said, "I think this is wonderful."

As opposed to when she first started attending enviro-fairs six years ago, Thomaidis commented, "There's a lot of interest now."

Some other booths included one presented by Natural Source gardening, which sponsors a programme to keep chemicals away from plants.

There were also plans to construct an extensive bike path to minimize the use of automobiles, a plan to clear the water in Hamilton Harbour, and a cartoon dog named "Spotless" who acts as a litter watchdog.

"Amid all the protests and political issues to which we have recently been exposed, it's refreshing to see that there is still a genuine concern for the planet we inhabit, without which it would be pointless to bicker about cut-backs," explained first-year social sciences student Alec McGinn.

Burlington bus route canned

KARA SOMERVILLE
The Silhouette

Even if many opposers of the provincial cutbacks are giving "thumbs down", some may now be forced to give the thumbs out.

As of April 1, the Hamilton Street Railway is cancelling Burlington Bus Route 16, which leaves many students and faculty members without available transportation.

Eleanor Gow has been riding the bus for 11 years, and is very upset with the cancellation.

Gow expressed concern over the way HSR notified riders.

"The only notification given to riders was a flyer that was distributed at some, but not all, of bus 16's runs," Gow said.

Announcements

Gow's main concern is making sure all riders, both frequent and occasional users, are aware of the discontinuation of the bus.

To help spread the word, Gow and other riders have been making announcements during the runs, to tell the people to plan alternate

routes of transportation.

The alternate routes suggested by HSR are to take the bus along the beach to Main and Ottawa, and eventually to McMaster which will take twice as long as the previous route, or to take a GO bus to Hamilton and then a connecting bus to the university, which will be more expensive due to the double fare.

Gow is displeased neither McMaster nor the riders were consulted by HSR before the decision to eliminate the bus route was made.

"We're not happy with the way we've been treated, but I suppose they [HSR] feel that we live in Burlington so they don't care," said Gow.

Many students have expressed similar dissatisfaction, and are not pleased with the alternate options.

Elizabeth Loaring, a student at McMaster, has been riding the number 16 bus for the past two years, and now is faced with undesirable options.

Loaring is planning to move to Hamilton to complete her final year at school because, "the

alternatives are too expensive and too time consuming."

Loaring said, "I'm in fourth year, so it seems silly to be moving now. I wouldn't be moving if the bus had kept running."

Similarly, Carmen Schultz expressed her need to move to Hamilton in order to finish her degree.

Butt

"It's a pain in the butt that it has been cancelled. It's an essential service so they're not wasting money," Schultz said.

Both Schultz and Loaring said they feel a lot of students will be affected by the change.

Schultz said a lot of people in their apartment complex rely on this service, and Loaring said during the prime time morning and afternoon runs, "The bus is packed. I have to go to the back of the bus to get a seat."

Schultz's view on the overall effect of the cancellation seems to summarize views held by many students.

"It screws up my whole plan of doing things," said Schultz.

SARAH DOBEC / PHOTO EDITOR

Bus #16, after 20 long years of service, will be sorely missed.

*Be "Spotless not Thoughtless,
Care about our City"
and together we can
make a difference!*

Pitch-In Week, May 6th - 12th

The Keep Hamilton Clean Committee invites you to participate with them in making Hamilton the cleanest, most beautiful City in Canada.

10(d)

We would like you to choose your favourite area — a Park, a natural ravine area, school yard or just around the Neighbourhood — and make it an even better place.

We are also interested in knowing as much as possible about your efforts. Record information about the site cleaned, how many people were involved, how much was done (number of garbage bags, weight or volume etc.), when you did it and 'before' and 'after' pictures. Pictures can be of special use for our promotional Display Unit. We like to brag and we would like to see your efforts displayed for others to see as well.

P.S.-Move in close when taking pictures - make your point easy to see!

Safety is also an important issue. Do not take unnecessary risks with heavy or dangerous materials.

We look forward to hearing about you efforts.

R.S.V.P. by filling in and returning the enclosed Participation Information Card by the 8th of April, 1996.

Thank you, from The Keep Hamilton Clean Committee

Frank Westaway, Public Works Department
Krista Blackborow, Youth Affiliate
Candice Ramirez, Youth Affiliate
Lynn Kumita, Youth Affiliate
Chan Than Son, Youth Affiliate
Bonnie Lok, Youth Affiliate
Allison Rielly, Youth Affiliate

1. ADOPTION OF MINUTES

The Committee was in receipt of the minutes for the Keep Hamilton Clean Committee for its meeting held 1996 February 07 and these minutes were adopted subject to the amendments noted at the meeting.

2. CHAIRPERSON'S REMARKS

Ron Volterman advised the Committee that the 1996 April 03 meeting will be held in Council Chambers rather than Room 219, City Hall.

3. **BUSINESS ARISING FROM THE MINUTES**

a) Spotless Debate

Ron Volterman reported that because he had not been able to contact Michael Clarke, it is too late to get the Spotless Debate underway for 1996. The Committee agreed to work on this project in 1997.

b) Sign By-Law

Frank Westaway, By-Law officer presented information concerning the enforcement of the Sign By-Law.

On behalf of the Committee, Ron Volterman thanked him for attending the meeting.

c) 1996 Grey Cup Parade

William Blenkhorn informed the Committee that the City of Hamilton will be hosting a joint Santa Claus/Grey Cup Parade on 1996 November 23. The Committee's entry will be placed near the end of the parade.

d) Puzzles from Spotless Drawings

Jim Auty is currently investigating the possibility of creating puzzles from the Spotless drawings. He will present further information once it becomes available.

e) Community Air Time on local radio stations

Michael Cuberovic reported that he contacted several major radio stations in the Hamilton area regarding community service air time. The Committee can provide its own audio for the radio commercial.

4. **PUPPET SHOW**

a) Status

Mark Alan Whittle reported that he is having difficulties finding volunteers for the puppet show. He does not want to make any commitments with the schools until he is certain that he has assistance with the show.

William Blenkhorn offered to help with the puppet show.

5. **SPOTLESS SPOT**

a) Status

Mark Alan Whittle is still receiving a reasonable response to the Spotless Spot contest even though the drawings are not being published in the Spectator.

Ron Volterman will provide William Blenkhorn with the background information on the Spotless Spot Contest before his meeting with Rob Austin, Spectator Editor.

6. YOUTH AFFILIATE

Ron Volterman introduced the Committee's newest youth affiliate members, Bonnie Lok, who is a student at Scott Park Secondary School, and Allison Rielly, who is a student at Westmount Secondary School. All Committee members introduced themselves to Bonnie and Allison.

Jennifer Dent reported that she had a meeting with the environmental group at Westmount Secondary School. They are interested in environmental issues and are working on a number of activities.

The Youth Affiliate circulated a brochure advertising the upcoming Youth Affiliate contest. Four secondary schools expressed interest in participating in the contest. After considerable discussion, a motion was made to purchase a six-foot submarine sandwich as the prize for the winning school. All were in favour.

7. CORRESPONDENCE RECEIVED

a) The Keg

The Committee was in receipt of correspondence from Mike Homorodean, General Manager of The Keg restaurant.

Ron Volterman stated that he had been contacted by the management for feedback on the Committee's meeting held at the Keg in December. The Keg forwarded a coupon for a complimentary entree in appreciation of the Committee's business with them.

b) The Canadian Healthy Environment Awards

The Committee was in receipt of correspondence from Environment Canada with information on the 1996 Canadian Healthy Environment Awards. Don Heintz informed the Committee that he has a copy of the nomination form.

c) Western Lake Ontario Environmental Coalition

The Committee was in receipt of a meeting notice and events schedule for the Western Lake Ontario Environmental Coalition. Ron Volterman suggested that the Committee should contact them in order to advertise Pitch-In Week in their events calendar.

d) Environmentalist of the Year Awards

The Committee was in receipt of correspondence from the Environmentalist of the Year Awards Committee regarding award nominations for the Environmentalist of the Year.

In the past, tickets have been purchased for members who were interested in attending the Environmentalist of the Year Awards dinner. The Awards Dinner will be held on 1996, June 05, at the Hillcrest Restaurant.

The Committee was in favour of purchasing tickets for this year's event. The Committee made a motion to move the Committee's 1996 June 05 meeting to 1996 June 12. All were in favour.

e) Hamilton District Science and Engineering Fair

The Committee was in receipt of a letter from Terry Mote requesting the support of the Committee for the 1996 Hamilton District Science and Engineering Fair.

The Committee agreed to sponsor an award similar to the one given last year:

- a) \$100 for first place, to be awarded at the discretion of the Committee;
- b) \$100 for administrative purposes;
- c) T-shirts and Spotless pins as honourable mention(s)

f) McMaster Students Union Inc.

The Committee was in receipt of a letter from Manisha Thomas, MSU Environment Committee Chair, asking for the Committee's participation in the Environment Fair on 1996, March 11. The Committee agreed to have the mall display at this event. Raffaella Brugnano stated that she would be available to man the display.

8. MALL DISPLAY

Jim Auty reported that the mall display was currently located at Westmount Secondary School. The display will be set up for the McMaster Students Union Environment Fair on 1996, March 11.

9. INTERNATIONAL COASTAL CLEANUP

Michael Cuberovic informed the Committee that the U.S. Center for Marine Conservation will be responsible for the International Coastal Clean-Up Program. The campaign dates have not been set yet; however, any weekend in September is suitable.

He reported that the Bay Area Restoration Council has given him a name of a gentleman living on the beach front who has compiled information on litter found on Hamilton's beaches. This gentleman has created art from litter collected on the beach.

Michael Cuberovic prepared a media release explaining the details and goals of the International Coastal Clean-Up campaign in Hamilton. The Committee was in favour of sending out the media release.

10. PITCH-IN PREPARATIONS

a) Cotton Gloves - seconds

Don Heintz advised the Committee that all six hundred dozen pairs of cotton gloves had been received.

b) Advertising - Bus Ads

The Committee was in receipt of correspondence from Urban Outdoor Trans Ad with the details on the Committee's Bus Advertising campaign.

Jim Auty informed the Committee that the bus poster advertisement had been submitted for the ACE Advertising Awards. The contest entrance fee is \$50. He will request a copy of the awards programme.

c) Advertising - Television/Radio/Newspaper

Jim Auty agreed to design an advertisement suitable for community newspapers.

The Committee decided to place posters in recreation centres and libraries.

Lori Nethercut reported that she had contacted Cable Ads for information on advertising on the TV Guide Channel. The Committee's advertising campaign on the TV Guide Channel will last for four weeks at a cost of \$699.98. The commercial will be thirty seconds in length. The Committee selected a prototype that Jim Auty had created for the commercial.

Lori Nethercut will create the audiotape for the community service radio commercial.

d) Invitation

Jim Auty produced an information letter, the initial contact letter, and the response card to be sent out to the Pitch-In Week participants. The Committee decided that the invitation should be enclosed with the response cards.

Evelyn Principato will print the labels with the participants' names.

e) Pitch-In Week Registration Form

The Committee decided to use the same format for the registration form with the exception of a few minor adjustments. The response cards will be sent to Lori Nethercut's address. The deadline for the response cards is 1996 April 08. Committee members will contact the schools who do not respond by April 08th.

f) Bagging Day

The Committee will hold the bag packing on 1996, April 17th at 7:00 p.m. at the Chedoke Maintenance Depot, 161 Studholme Road. All members were asked to attend.

11. OTHER BUSINESS

a) Lori Nethercut reported that she was not able to call the contact person for the Public Service Announcement. Don Heintz agreed to follow up on this matter.

b) Lori Nethercut informed the Committee that she is making a Keep Hamilton Clean Committee patch for Hamilton's Sesqui Centennial Quilt.

1. HOT SPOTS TOUR

Lori Nethercut gave a brief description of what must be done to set up a successful "Hot Spots Tour". She also advised that, for reasons described at the meeting, she is unable to co-ordinate this year's tour. Bill Blenkhorn, Mark Alan Whittle and Rick Butson agreed to handle these duties.

2. PUPPET PLAY FOR PITCH-IN '96

Mark Alan Whittle advised that, due to his work circumstances, he was unable to devote enough of his time to properly deal with this matter. Bill Blenkhorn, Krista Blackborow and Candice Ramirez agreed to help out with this work and Mark Alan agreed that he would contact Claudette Kabitsis to see if she would also assist with the Puppet Play.

3. ADJOURNMENT

There being no further business, the meeting then adjourned at 8:45 p.m.

Taken as read and approved,

Ron Volterman, Chairperson & Acting Secretary
Keep Hamilton Clean Committee

NOMINATION FORM

If you would like to nominate an individual or group to receive an award, please complete the following and provide details regarding criteria for selection (see other side). The nomination should describe in detail the nature and purpose of the environmental activity undertaken by the nominee, the resulting achievements, and the reasons you believe the nomination to be of merit. Letters of reference and additional information should be included with this nomination.

Please forward the nominations to:

1995 ENVIRONMENTALISTS OF THE YEAR AWARDS

Dear Ron and committee members.

During the past month I have had to make a personal decision as to where my priorities lie.

At present, my union local, will be going into negotiations with the City of Hamilton and the Regional Municipality of Hamilton Wentworth and proposed meeting dates conflict with this committee's meeting dates.

As well, I am required to be at another meeting on the same nights and dates as our committee meets and being that they are both at my union office I am finding it hard to commit to attend both and over. I have decided to resign from this committee to allow for someone who can commit themselves to this committee.

Although I feel this committee is very important and it was a must that someone from L5 be a member, I can no longer find the time.

Thank you for allowing me to sit as a member and I hope this does not inconvenience you in anyway.

Good luck in all your endeavors, I will keep you advised of any problems I may run across

In Friendship / Fred Hoft

Options

- 1) The Committee can recommend to fill the vacancy by the usual process (advertise, orientation sessions, interviews);
- 2) Wait until other members terms of office expire and advertise for them all (including this one) at the same time;
- 3) Recommend not to fill this vacancy at this time;
- 4) or, ask that given the high advertising costs and time involved, that the Committee send a report to T&E recommending that Fred Loft's position be filled by someone recommended by the Committee (have an actual replacement name) and indicate that while this is not city policy, that it will save costs (advertising) and time in light of the fact that Pitch In week is coming up and you need someone on board soon.

Enviro-fair sports green wares

MICHAEL MICHAUD
The Silhouette

Many things green and clean were to be seen at the McMaster Students Union Environment Committee's fourth-annual Enviro-Fair Wednesday.

The event was held at the Ewart Angus Centre at McMaster

Hospital and hosted different companies and organizations coming together to help inform people on new and environmentally friendly programmes.

Chair of the Environment Committee, Manisha Thomas, hopes the fair will "raise awareness and let people know that there are

a lot of companies helping the environment and organization [of environmental projects]".

Concern

Many booths were set up in the lobby, and decorated to target different areas of current environmental concern.

One booth was taken by

Thermo Tech Technologies and was manned by Vice-President of Research and Development, Dan Cumming.

"People are pulling out the glass, the plastics, paper, cardboard," said Cumming.

"What you're left over with is the wet organics," he added.

The corporation helps to convert organic waste and food wastes into useful products such as animal feeds and fertilizers, solving the problem of disposal, and increasing overflow of landfills.

Seedlings

Another organization was Trees for Life Canada.

The organization focusses on Canada's youth, as they sell T-shirts, buttons, seeds and packages instructing youngsters on how to plant their own seedlings.

Ed McRae, Trees for Life office manager, estimated roughly 120,000 volunteers were involved in Trees for Life throughout Canada last year.

CAERAN sells all natural products such as various shampoos, conditioners, bubble bath liquid, fabric softener, and laundry liquid.

All the products are biodegradable within three to five days, and customers can attain a catalogue with every product offered as well as every ingredient used to make each product.

CAERAN distributor Sandra Thomaidis said, "I think this is wonderful."

As opposed to when she first started attending enviro-fairs six years ago, Thomaidis commented, "There's a lot of interest now."

Some other booths included one presented by Natural Source gardening, which sponsors a programme to keep chemicals away from plants.

There were also plans to construct an extensive bike path to minimize the use of automobiles, a plan to clear the water in Hamilton Harbour, and a cartoon dog named "Spotless" who acts as a litter watchdog.

"Amid all the protests and political issues to which we have recently been exposed, it's refreshing to see that there is a genuine concern for the place we inhabit, without which it would be pointless to bicker about cut-backs," explained first-year social sciences student Alec McGinn.

Burlington bus route canned

KARA SOMERVILLE
The Silhouette

Even if many opposers of the provincial cutbacks are giving "thumbs down", some may now be forced to give the thumbs out.

As of April 1, the Hamilton Street Railway is cancelling Burlington Bus Route 16, which leaves many students and faculty members without available transportation.

Eleanor Gow has been riding the bus for 11 years, and is very upset with the cancellation.

Gow expressed concern over the way HSR notified riders.

"The only notification given to riders was a flyer that was distributed at some, but not all, of bus 16's runs," Gow said.

Announcements

Gow's main concern is making sure all riders, both frequent and occasional users, are aware of the discontinuation of the bus.

To help spread the word, Gow and other riders have been making announcements during the runs, to tell the people to plan alternate

routes of transportation.

The alternate routes suggested by HSR are to take the bus along the beach to Main and Ottawa, and eventually to McMaster which will take twice as long as the previous route, or to take a GO bus to Hamilton and then a connecting bus to the university, which will be more expensive due to the double fare.

Gow is displeased neither McMaster nor the riders were consulted by HSR before the decision to eliminate the bus route was made.

"We're not happy with the way we've been treated, but I suppose they [HSR] feel that we live in Burlington so they don't care," said Gow.

Many students have expressed similar dissatisfaction, and are not pleased with the alternate options.

Elizabeth Loaring, a student at McMaster, has been riding the number 16 bus for the past two years, and now is faced with undesirable options.

Loaring is planning to move to Hamilton to complete her final year at school because, "the

alternatives are too expensive and too time consuming."

Loaring said, "I'm in fourth year, so it seems silly to be moving now. I wouldn't be moving if the bus had kept running."

Similarly, Carmen Schultz expressed her need to move to Hamilton in order to finish her degree.

Butt

"It's a pain in the butt that it has been cancelled. It's an essential service so they're not wasting money," Schultz said.

Both Schultz and Loaring said they feel a lot of students will be affected by the change.

Schultz said a lot of people in their apartment complex rely on this service, and Loaring said during the prime time morning and afternoon runs, "The bus is packed. I have to go to the back of the bus to get a seat."

Schultz's view on the overall effect of the cancellation seems to summarize views held by many students.

"It screws up my whole plan of doing things," said Schultz.

Bus #16, after 20 long years of service, will be sorely missed.

and together we can
make a difference!*

Pitch-In Week, May 6th - 12th

The Keep Hamilton Clean Committee invites you to participate with them in making Hamilton the cleanest, most beautiful City in Canada.

10(d)

We would like you to choose your favourite area — a Park, a natural ravine area, school yard or just around the Neighbourhood — and make it an even better place.

We are also interested in knowing as much as possible about your efforts. Record information about the site cleaned, how many people were involved, how much was done (number of garbage bags, weight or volume etc.), when you did it and 'before' and 'after' pictures. Pictures can be of special use for our promotional Display Unit. We like to brag and we would like to see your efforts displayed for others to see as well.
P.S.-Move in close when taking pictures - make your point easy to see!

Safety is also an important issue. Do not take unnecessary risks with heavy or dangerous materials.

We look forward to hearing about you efforts.

R.S.V.P. by filling in and returning the enclosed Participation Information Card by the 8th of April, 1996.

Thank you, from The Keep Hamilton Clean Committee

Public Works Department

SUBJECT: 1996 PITCH-IN WEEK DATE: 1996 March 8
May 6 to May 12 Inclusive

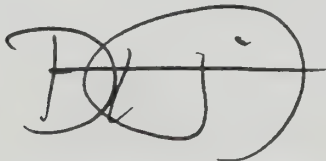

As in previous years, numerous companies are volunteering the use of some of their lugger bins to collect litter and other debris picked up as a part of the week long, Canada-wide, PITCH-IN program which is co-ordinated by the Keep Hamilton Clean Committee.

These companies may include Philip Environmental, Waxman and Sons, Waste Management Halton/Hamilton/Niagara, Laidlaw Waste Systems Limited, Premier Waste Systems Limited (formerly Pat's Disposal), Wentworth Metal Recycling and Regional Disposal Services. It is possible that other companies will also join this major cleanup effort.

As in the past, it is our intent to issue tickets to the companies participating in this cleanup so that their vehicles may be allowed into the Transfer Stations as though they were a City vehicle and so that the cost of dumping those loads is charged to the City of Hamilton and not these private companies who are generously donating their time and equipment. These tickets will provide specific time frames for the disposal of PITCH-IN waste (May 13 - 17, inclusive).

Please honour these tickets and assist the Keep Hamilton Clean Committee to a successful PITCH-IN WEEK for 1996.

Dear Mr. Heintz,

The enclosed materials will explain for you what Night Out is, and its importance to our community. The purpose of this letter is to request the presence of Spotless the Litter Watchdog at this year's festival, on August 6, from 6:30 to 9 p.m. We feel that his message fits perfectly with our own ideas of community involvement, and that he would be a focal point in our celebrations.

Thank you for taking the time to peruse our material.

Stinson Community Association

Night Out Festival

Tuesday, August 6th, 1996

May 1, 1996

Spotless, The Litter Watchdog,
c/o Don Heintz, Public Works,
KHCC, City Hall,
71 Main St. W.,
Hamilton, Ont.
L8N 3T4

Attn: Don Heintz

Dear Mr. Heintz,

Stinson Community Association in conjunction with Hamilton-Wentworth Regional Police, Stinson Street School and Central Memorial Recreation Centre are pleased to host their fifth *Night Out Festival*, and to invite the participation of community organizations such as Spotless, The Litter Watchdog. Our previous four festivals were a huge success, featuring many informative displays, and attended by hundreds of residents of the Stinson community.

Night Out is a single-evening event, from 6:30 to 9:00 p.m., and will be held again this year on Tuesday, August 6, 1996, at Carter Park, opposite the Central Recreation Centre, 93 West Ave. South, in Hamilton.

National Night Out is designed to:

- Heighten crime and drug prevention awareness
- Generate support for, and participation in local anticrime efforts
- Strengthen neighbourhood spirit and police-community relations, and
- Send a message to criminals that our neighbourhoods are organized and fighting back.

As such, it provides an excellent venue for the promotion of those services rendered to the community by its many agencies, including Spotless, The Litter Watchdog. We would therefore be pleased to reserve space for your representative(s) to set up a promotional display or information centre. Booklets, brochures, or other materials appropriate to your public relations efforts could be distributed, *provided they are offered free of charge, and not offered for sale in any way.* The anticipated presence of 600 to 700 members of our neighbourhood would provide a valuable contact for you in this area.

To arrange for space at a table, and seating for your representatives, please contact us before June 1, 1995 so that we can make arrangements for all those attending. *Return the enclosed Application for Space form, indicating your needs, as soon as possible to ensure your participation in our displays section.*

Should your organization be able to help with the expenses of *Night Out*, any donation, large or small would be most welcome. Cheques should be made in favour of Stinson Community Association, re "Night Out Festival". We wish to stress, however, the importance of the personal contact between the community and its agencies, afforded by this project, and urge your participation on August 6.

Yours truly,

(for the committee)

Working together to ensure the quality of life in the Stinson Community

The Hamilton Spectator, July 30, 1994

Neighbors to party on National Night Out

By ADRIAN HUMPHREYS
The Spectator

IT'S PROBABLY a good night for crooks to stay home.

But a fine night for the rest of the community to come out and lay claim to their streets.

"We want everyone to know we're organized and we're fighting back," said Shirley Forsyth, of the Stinson Community Association.

The Stinson neighborhood will be out in force Tuesday night, celebrating along with five other neighborhood associations. They'll all be taking part in the National Night Out, an anti-crime effort that also helps bring the neighbors closer together.

Six more groups will also celebrate later in the week.

Hamilton-Wentworth police and the participating neighborhood group are calling it a night out against crime, and while the anti-crook and anti-drug emphasis is present, their planners want them to be rousing festivals.

Neighbors will lock their doors, turn on their porch lights and spend the evening outside with each other and other members of the community and members of the police force. The activities in all locations start at 6:30 p.m.

Celebrations

The Stinson festivities, in Carter Park at Stinson Street and West Avenue, include free hot dogs and pop, the Hamilton-Wentworth Regional Police Pipe and Drum Band, basketball games, and skilled juggler Bob Cates.

A good start to keeping neighborhood healthy

EARLY MORNING is not my best time. Wednesday a.m., my sand-filled, squinting eyes detected a spider sitting on my left hand. Not being afraid of spiders, my brain finally and calmly resolved the image into that of a blue star. Ah, good memory, good for another 15 minutes of sleep.

The star had been stamped on my hand at 7 p.m. the evening before at Carter Park in the Stinson neighborhood. It came with a free hot dog as this community joined nine others in Hamilton, and hundreds more on the continent, in Night Out Festivals designed as a going-away party for crime and drugs.

While I live in the Stinson School district, I'm actually four houses over the line in the St. Clair area, but the neighbors of my neighboring neighborhood are very neighborly and did extend a special invitation to this extraordinary event.

Entertainment was provided by the excellent Pipe and Drum Band of the Hamilton-Wentworth Regional Police and Jude Johnson, one of this region's most popular singers, and a countless number of small kids streaming and screaming through the splash pad and playground equipment.

Michael Davison

The Hamilton Spectator, Aug. 8/92

There were two dozen displays presented by various local organizations which provided information on everything from property using your blue box to a speakers' bureau pamphlet from the Canadian Mental Health Association. It was a fine and important place to be on Tuesday evening.

The festival really grew out of the Neighborhood Watch program which, based as it is so heavily on protecting one's own property from others including neighbors, is hardly the best model for social action within a community. However, in Stinson the effort has been transformed into a true community association that has assigned no horizons for its effort to build a better neighborhood.

Proud as these citizens are of

time in Carter Park that evening, it would be past time to get out the old lie detector machine or to be certain that the education system was letting down on the teaching of arithmetic. In political terms, the turnout would be described as magic.

Five quick items from my notebook:

I ran into a quartet of politicians at the event -- Ward 2 Councillor Bill McCulloch, Ward 2 public school trustee Carol Mason, Regional Chair Reg Whynott and Hamilton Mayor Bob Morrow. The mayor's political ease and charm and exuberance were stunning. You may not like his public policy ideas or political attention lapses (I don't) but you cannot help but marvel at his skills in front of and among a group of Hamiltonians.

The current and former Stinson community police officers are the best liked cops I've seen since I was a kid. The H-W regional police force is onto something here and they should expand this system as rapidly as possible. Trust makes a difference.

The hands-down winner for the best slogan of all the groups in the display area was the Red Cross with "Recycle life -- Donate Blood."

While the event attracted

children, adult couples and seniors, it failed to attract teenagers in any significant numbers. The certainly accidental exclusion of youth is a matter organizers must seriously consider and resolve. No community can afford to isolate its youth.

The Stinson neighborhood is remarkably diverse ethnically and racially. Wandering about the park, it struck me as odd that few East Asians (the latest wave of immigrants in this community) were in attendance. Fully welcoming and involving these newcomers is another test before this grand group of Hamiltonians.

This area association will celebrate its first birthday in November. If you are privileged to live there, you can become part of the bold experiment by calling 525-9321. If you live in a different neighborhood, you can still be a part of progressive community involvement.

In the St. Clair neighborhood, where I live, a community association is just now being formed and I'm planning to be at the meeting. Why don't you call the city planning department at 546-4221 to find out what is happening in your neighborhood?

Parking is available at the Central Memorial Community Centre on the north side of Stinson Street. Early arrivals (before 5 p.m.) can drive into the park for the purpose of unloading display materials. Use the Stinson Street entrance.

"The Earth at Stake"

The Era of Deregulation and Devolution

Canadian Environment Network Annual General Assembly '96

Hamilton, On. Canada May 30- June 2, 1996

May 7, 1996

Dear Friend,

Enclosed you will find additional information concerning the Canadian Environmental Network Annual General Assembly which will be held this year in our area from May 30 to June 2, 1996.

This will be a special opportunity for local activists to meet with other concerned environmentalists from across Canada. Discussions will take place on issues as diverse as the elimination of persistent toxics, the preservation of endangered species and changes to the Cdn. Environmental Protection Act. Workshops will take place on using the internet as a lobbying tool, making your group more youth friendly, international sustainable development projects and on the conference theme of government deregulation and harmonization of rules with voluntary industrial codes. We're only now starting to really see the environmental impacts of NAFTA and other international trade policies which aren't good news for our Mother Earth. Brian McHattie, John Hannah and co will be offering some special ecotours in which local people could also take part.

I am writing to encourage you to consider attending all or part of the meetings. If your group is a member of the Ontario Environment Network, you can get involved in Caucus meetings taking place on the Friday. There are workshops and general discussions on the Saturday and Sunday which are open to all. Please call the number below to request a specific agenda or send back the enclosed registration form. As local people your only cost is the registration fee and any meals that you wish to take with other delegates at McMaster. Meals run about \$6 for breakfast, \$8 for lunch and \$12 for dinner.

Your assistance in spreading the word and offering assistance with organizing the meetings will be appreciated by the Conserver Society. There are a few specific requests:

1) The most urgent need is for billets for some of the delegates to lower their costs. We need people who can billet someone on any of the following nights: Tuesday, Wednesday, Thursday, Friday, or Saturday or

(over)

Hosted by the Conserver Society of Hamilton and District
255 West Avenue North, Hamilton, On Canada L8L 5C8
Fax: (905) 522-9374 Phone: (905) 522-5779 Email: huttonp@web.apc.org.

a combination of these dates. The Tuesday and Wednesday nights are for national and regional staff who are coming early for some pre-conference meetings.

2) If you have an event or meeting where additional flyers could be distributed to help pass the word, we can supply them upon request.

3) The Saturday evening will have an open cabaret night for delegates and others to showcase their talents. If you are a performer at heart, contact us about participation.

4) As organizers, we are trying to establish a small fund to help support low-income delegates with expenses. Donations from your group or individually will be welcomed, and if directed to the Conserver Society will be eligible for a tax receipt.

Similarly, we are looking for the donations of goods or services to use in a fund raising silent auction to raise funds for the conference. Some financial support has been obtained from the Canadian Labour Congress, but more is needed in these tight economic times. Any suggestions you have will be appreciated.

There's a return envelope enclosed, but feel free to call, fax, or e-mail the Conserver Society for a more immediate response. Hope to see you there.

Thanks,

A handwritten signature in dark ink, appearing to read 'Peter Hutton', written in a cursive style.

Peter Hutton

Greetings:

I have just received the information package re the Canadian Environmental Network Annual General Assembly.

Since this was received after our last meeting, (May 01/96), and the next meeting (June 12/96), is after this event, we are unable to attend.

We would appreciate in the future, if correspondence of this nature could be sent earlier, then the committee could act on it in a timely fashion.

Yours,

Ron Volterman.

INVITATION

The Keep Hamilton Clean Committee invites members of the media to attend the annual "Litter Hot Spot Tour" to be held Friday, May 31, 1996.

The Tour leaves the rear of Hamilton City Hall, upper level, at 0900 A.M. and returns by approximately 2 P.M. .

As in previous years, the committee will identify the City's worst litter spots and will rank the top 10 offenders.

The committee will be accompanied by representatives from the Public Works and Property Standards departments.

News coverage during this event is welcome. Should you have questions regarding arrangements, please contact either Don Heintz, Public Works, 546-3920 or Michael Cuberovic, Media and Promotions Liaison, Keep Hamilton Clean Committee, 578-3222.

Note: As in previous years, our "top-secret" list of litter hot spots will not be disclosed until the tour is ready to depart City Hall.

Sincerely,

11(a)

Michael Cuberovic

P.S. Please help keep our media contact list accurate. Contact Michael Cuberovic with any corrections.

SPOTLESS, NOT THOUGHTLESS. CARE ABOUT OUR CITY.

Trash to the left, trash to the right

Clean committee's annual tour puts house's backyard on Top 10 list

By ADRIAN HUMPHREYS
The Spectator

Trash TV? Yup, it was there. Along with trashed couch, trashed tires, trashed condoms, trashed paint cans, beer crates, bricks and, well, just plain trash.

"These are the neighbours from hell," said Lori Nethercut, on the Keep Hamilton Clean Committee's annual litter hot spots tour, standing beside a chest-high heap of trash, trash, trash.

"All we can say is 'wow'," said Ms Nethercut, co-organizer of the tour, at the frightening scene voted worst of the year — the backyard of a house on West Avenue North.

"This is particularly sad because it is a residential area and easily accessible by children."

Rick Butson, another organizer, called the apparently vacant home "a blight on the community, a scar on an otherwise peaceful community."

The next-door neighbour agrees.

"Kids are going in there playing. It's a shame. You get people coming here at night and dumping stuff and adding to it," said Mark Yensen, 34.

How does he deal with the unsightly mess?

"I just stay on my side of the fence — that's all I can do. It's not very nice scenery."

No, it isn't, but West Avenue is not alone in giving the city a black eye.

The committee toured 10 eyesores yesterday.

The grounds around Grandville Apartments, a large 14-storey complex on Grandville Avenue east of Centennial Parkway, was strewn with car parts, liquor bottles, abandoned shopping carts, fast food containers and cans.

The apartment's pool looked more like a sludge pit than a swimming hole — a deep moss green in colour, the goopy water was littered with floating shopping bags and a headless Barbie doll.

"Unfortunately, Grandville has been on our list every year but last," said Ms Nethercut.

Rick Butson and Lori Nethercut, both members of the Keep Hamilton Clean Committee, look over the hunk of junk in a West Avenue North home's backyard and alley. The committee conducts an annual tour each year of local eyesores.

Gary Yokoyama, The Spectator

The committee ranked the apartment grounds number five.

You might say the scene along the fringe of the parking lot behind the Cineplex Odeon theatre at Centre Mall is a cat-astrophe.

Someone is caring for several felines among the piles of rotting mattresses, concrete blocks, bottles and more of the seemingly ubiquitous shopping carts. And not cleaning up afterwards.

The site — ranked second worst — is home to hundreds of empty cat food tins. "Apart from the cat food, this is the type of stuff we see left and forgotten in place after place after place around the city," said committee chairman Ron Volterman.

Judging by the graffiti, a parkette off Princess Street at Fullerton Avenue is a hangout for young people. The sixth-ranked hot spot is also carpeted with paper, oil drums, paint cans and several packages labeled "caution" and "corrosive."

"This area has gotten worse over the years. It is messy and dangerous and a play area for kids. Not good," said committee member Michael Cuberovic.

TOP 10 FOR TRASH

1. Backyard of house, 120 West Ave. N.
2. Parking lot behind Cineplex Odeon theatres at Centre Mall
3. Railroad tracks, Birge Street near East Avenue North
4. Auto wrecker's yard and house, 259 Bay St. N.
5. Grandville Apartments, Grandville Avenue
6. Parkette off Princess Street at Fullerton Avenue
7. Alley behind Lincoln Alexander Community Centre, Barton Street East
8. CN Rail yard off Bay Street North
9. Rear of store on Rebecca Street between James and Hughson streets
10. York Street pull-off at Highway 403

Are you coming to our party?

We're celebrating our 150th anniversary tomorrow and you're invited to the party.

"Newsies" will be waiting to welcome you to 44 Frid St. between 11 a.m. and 3 p.m.

Robert Smiley, the first editor, will be around — he looks a lot like our history expert James Elliott — to tell you stories about Hamilton and The Spectator in 1846.

And our present editor, Rob Austin, and his team will be on hand to tell how they assign stories and edit the paper today.

Our New Media department will also be giving demos of The Spectator Online in the auditorium.

Publisher Pat Collins will welcome guests just before the presentations to the winners of our recent *Thanks For The Memories* Contest.

Be sure to drop by for a slice of the 1.2m by 2.4m (4 ft. by 8 ft.) cake — otherwise we'll be eating it in the cafeteria for weeks to come.

And don't forget to sign the guest book. We want you to be part of our history.

DOWNTOWN

We have to push council to restore the core and quickly

By FRED LOFT

During the weeks leading up to labour's Days of Protest on Feb. 23 and 24, there were many comments made by some business and local politicians about how downtown businesses would suffer if labour was allowed to close the area down.

Well, as reported, those days went off very smoothly with many of the businesses in the area who were open having a normal business day.

The downtown area did not suffer during the protest days anything more than what it has been suffering for the last 10-15 years. It's real problem wasn't two days of political protest, but lack of political support from those same local politicians who spoke out against the protest as a distraction to cover their own inaction in helping the downtown core to recover.

We have a downtown core where at least 40 per cent of the businesses have closed or left for greener, more prosperous pastures, pastures with free parking and a buying public. A downtown area where empty and boarded-up buildings make it look as if a plague had passed through.

In the midst of this deteriorating centre, we find the newly-renovated Gore Park

which used to be one of Hamilton's jewels, will not keep businesses from leaving nor but now looks like so much glass. The Gore will it keep the shoppers from going elsewhere. Only smart planning, marketing, communications and management by our elected officials, concerned citizens and cooperative businesses can do that. Only a concerted effort, a love of and pride in our city on the part of our elected representatives, can reverse the downward spiral.

Gone are the days of tall, aged trees spreading their large branches over crowded benches, well-maintained grass and a beautiful water fountain. Gone are the days when people visiting the park could use public washrooms (which have since been buried) when it was necessary.

Gone are the days when the Gore was the main meeting place for people shopping, for office workers on lunch, for tourists, for residents who just chose to go for a walk, for feeding pigeons and for waiting for the bus which many people used to miss while soaking up the friendly atmosphere of this gem.

But renovating Gore Park again and again will not bring the people, tourists and/or businesses back to the downtown area. It

Fred Loft of Hamilton is a city of Hamilton public works employee and General Vice-President, Canadian Union of Public Employees, Local 5. He is a member of The Spectator's Community Editorial Board.

them, re-opening our public washrooms, keeping sidewalks clean and enforcing bylaws in regards to posters on poles and buildings, littering, parking in alleyways, no heavy trucks downtown, and defacing private property? Let's all look at ways of keeping our city clean because our Keep Hamilton Clean Committee cannot do it by themselves.

If as much initiative went into improving the quality of our inner core as went into the mayor's beautification program, I believe we would be well on our way to recovering the greatness of Hamilton.

Keeping Hamilton's downtown alive and prosperous should be front and centre on all the elected officials' agendas.

Call your alderman or councillor and have them walk through the city to see the true reason many businesses have had to close.

If they continue to be lackadaisical in their commitment, maybe we should reduce their numbers to show them that we are their bosses and we elected them to handle our city business which includes restoring the downtown, not just Gore Park.

Let's stand up for Hamilton and let's start to restore the core.

Let's start with city council.

14. **BUDGET** (for information)

15. **OTHER BUSINESS**

16. **PHONE LIST** (copy are we up-to-date?)

17. **ADJOURNMENT**

Wednesday, 1996 June 12
7:30 o'clock p.m.
Room 219, City Hall

The Keep Hamilton Clean Committee met.

There were present:

- Ron Volterman, Chairperson
- Jim Auty, Vice-Chairperson
- Lori Nethercut
- Mark Alan Whittle
- William Blenkhorn
- Rick Butson
- Jennifer Dent
- Raffaella Brugnano

Regrets:

- Frank Noto-Campanella
- Claudette Kabitsis
- Michael Cuberovic

Also present:

- Don Heintz, Public Works Department
- Al Marshall, Public Works Department
- Bonnie Lok, Youth Affiliate
- Krista Blackborow, Youth Affiliate
- Candice Ramirez, Youth Affiliate

1. **ADOPTION OF MINUTES**

The Committee was in receipt of the minutes of the Keep Hamilton Clean Committee for its meeting held 1996 May 01 and these minutes were adopted as circulated.

2. **CHAIRPERSON'S REMARKS**

Ron Volterman thanked the Committee for all its hard work in all endeavours this past year. He wished all members a safe and pleasurable summer.

3. **ELECTIONS OF CHAIRPERSON, VICE-CHAIRPERSON AND SECRETARY**

(a) **Chairperson**

Jim Auty, Vice-Chairperson, assumed the Chair and called for nominations for the position of Chairperson. The following nomination was received:

Ron Volterman

Hearing no further nominations, Ron Volterman was elected Chairperson of the Keep Hamilton Clean Committee by acclamation. Ron Volterman accepted the position and thanked the Committee.

(b) Vice-Chairperson

Ron Volterman, Chairperson, called for nominations for the position of Vice-Chairperson and the following nomination was received:

Jim Auty

Hearing no further nominations, Jim Auty was elected Vice-Chairperson of the Keep Hamilton Clean Committee by acclamation.

(c) Secretary

Ron Volterman called for nominations for the position of Secretary. The following nomination was received:

Raffaella Brugnano

There being no further nominations, Raffaella Brugnano was elected Secretary of the Keep Hamilton Clean Committee.

4. BUSINESS ARISING FROM THE MINUTES

a) Environmentalist of the Year

Committee members who attended the Environmentalist of the Year Dinner had many positive comments.

The Committee was advised that Lynn Kumita, Youth Affiliate member received the Youth Award for Environmental Excellence at the Environmentalist of the Year Dinner. Ron Volterman agreed to send a letter of congratulations to Lynn on behalf of the Committee.

5. SPOTLESS SPOT

Mark Alan Whittle reported that the Spotless Spot contest is running smoothly. Approximately eight to ten submissions are being received each week. Some entries have been sent from locations outside Hamilton.

Mark Alan Whittle will add new themes for the Spotless drawings.

6. YOUTH AFFILIATE

Two entries were submitted for the Youth Affiliate's "How Does Your School Keep Hamilton Clean?" contest. Students from Scott Park Secondary School entered a video while St. Thomas More Catholic Secondary students presented a written submission. The entries were judged on creativity and how the school best exemplifies the motto of keeping Hamilton clean. After considerable discussion the Committee selected St. Thomas More's entry as the winner. The Committee was impressed with the high calibre of both submissions. The Committee agreed that the award will be a six foot submarine sandwich and a trophy.

The Youth Affiliate made a recommendation to the Committee to select a new Youth Affiliate Coordinator at the September meeting.

7. **CORRESPONDENCE RECEIVED**

(a) Night Out Festival - Request for Spotless

The Committee was in receipt of correspondence from the Stinson Community Association requesting the Committee's participation in the Night Out Festival. Jim Auty and Raffaella Brugnano agreed to represent the Committee at the event.

(b) Canadian Environmental Network

The Committee was in receipt of correspondence from Peter Hutton dated 1996 May 07 regarding the Canadian Environmental Network's Annual General Assembly on 1996 May 30 - June 02. Ron Volterman forwarded an E-Mail message to Peter Hutton stating that the Committee could not participate because it had received the notice after the Committee's meeting on 1996 May 01.

(c) CHCH-TV Public Service Announcement

The Committee received an invoice from CHCH-TV for airing the Committee's Public Service Announcement. Committee members agreed to send a letter to CHCH-TV thanking them for their service.

8. **MALL DISPLAY**

Jim Auty reported that the mall display will be set up at the Stinson Community Association's Night Out Festival on 1996 August 06.

9. **INTERNATIONAL COASTAL CLEAN-UP**

Due to the absence of Michael Cuberovic the Committee decided to table this item for the September meeting.

10. **PITCH-IN WEEK**

(a) Discussion of the good, the bad, and ideas

Many Committee members commented that this year's Pitch-In Week campaign was well organized. William Blenkhorn suggested that the data on the number of participants and the amount of garbage collected during Pitch-In Week should be sent out to the media.

(b) Hamilton Mountain News Photo

The 1996 May 15th edition of the Hamilton Mountain News featured an article on the "Concession Street Sweep" during Pitch-In Week.

11. **HOT SPOTS TOUR**

(a) Invitation

Michael Cuberovic had sent out invitations to members of the local media inviting them to provide news coverage for the 1996 Hot Spots Tour.

(b) Spectator Article

Adrian Humphreys, Hamilton Spectator reporter wrote an article on the Committee's Hot Spots Tour held on 1996 May 31. His report featured some of the most littered sites on the tour as well as the ranking list of the locations.

(c) Hot Spots Ranking List

A copy of the ranking list from the 1996 Litter Hot Spots Tour was included with the Keep Hamilton Clean Committee's 1996 June 12 agenda.

Lori Nethercut reported that she received many calls from concerned citizens regarding the condition of some of the sites on the Hot Spots Tour.

Several members noted that the Committee must be specific when describing the location of the sites on the tour.

12. **ONGOING, YEAR ROUND ADVERTISING PROGRAM**

Due to the absence of Claudette Kabitsis the Committee decided to table this item to the September meeting.

13. **OTHER BUSINESS**

(a) Spectator Editorial by Fred Loft

The work of the Keep Hamilton Clean Committee was mentioned in an article written by Fred Loft, Hamilton Spectator Community Editorial Board member. Fred Loft is a former member of the Keep Hamilton Clean Committee.

(b) Viewing of the Public Service Announcement

The theme from this year's public service announcement was "Litter - Out of Sight, Out of Mind". The Committee viewed the top three submissions from the Media Studies department at Mohawk College and chose the winner after extensive discussion. Several Committee members noted the high quality of this year's entries.

(c) Special Thanks to Jennifer Dent

Ron Volterman, Chairperson, on behalf of the entire Keep Hamilton Clean Committee thanked Jennifer Dent for serving on the Committee and wished her well in all future endeavours.

14. PHONE LIST

Don Heintz informed members that he updated the Committee's phone list and asked if any changes had to be made.

15. ADJOURNMENT

There being no further business, the meeting then adjourned.

Taken as read and approved,

Ron Volterman, Chairperson
Keep Hamilton Clean Committee

Raffaella Brugnano, Secretary

Scott Park Secondary School
1055 King St. E.,
Hamilton, Ont.
August 13/96

Dear Keep Hamilton Clean Committee,

Last spring, Scott Park's environment club, H.O.M.E (Help Our Mother Earth) eagerly entered the KHCC contest. The contest's objectives state 'projects your school is involved with or has initiated in an attempt to make Hamilton a CLEAN city in which to live'.

I should mention that over the last several years Scott Park has always sent a student representative to your meetings eg. Myra Ham, Phahn Thai, Chantan Son and Bonnie Lok (who will be returning in September) and has actively supported both provincial and municipal 'pitch-ins'. In 1995, our club won the Environmental Youth Leadership Award sponsored by the Hamilton Region Conservation Authority and the Conserver Society. We also have approximately 300 SEEDS projects.

Under the contest guidelines, we produced a video of our Pitch-In efforts in May. This we felt was both current and satisfied the criteria for a clean city. With only 1 working camcorder in the school and the special effects unit broken, we were happy to put together a light-hearted tape showing Scott Park students happily picking up trash. Their efforts were set to 2 musical scores.

We were prepared for tough competition from newer schools with better equipment and larger schools with more students and more club members. We were not so prepared to lose out to an entry which we feel did not satisfy the intent of the contest--that of keeping Hamilton clean.

Thus, our group members would like a clarification of how or why St. Thomas Moore's entry fulfilled the objectives of the contest when more than 70% of their projects, although 'green', did nothing to reduce litter or clean up Hamilton eg. Christmas tree decorations, bird feeders, tree plantings, organic gardening, donations to Cross Canada Trail.

H.O.M.E. will be meeting once again in September and we would greatly appreciate a response to our concerns by then.

Thank you.

Environmentally yours,
Janet Patterson Cazzola, teacher advisor
H.O.M.E.

name

CHANTHAN SUM
CHANTHAN SUM

Dear Mrs. Gazzolla :

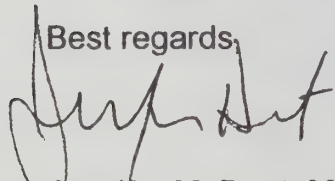

As the co-ordinator for the Youth affiliate group for the KEEP HAMILTON CLEAN COMMITTEE, I hope that you will be able to assist me in finding a representative from your school.

Since there are many "Environmental groups" at the high schools in Hamilton, we would like to have your representatives come to one of our meetings. We meet once a month (the first Wednesday of every month September to June 7:30 - 9:30 p.m. at City Hall). Having one representative per meeting would allow students to see what is happening in our City.

Another possibility would be for all the reps in Hamilton to meet a couple of times per year and discuss what their school is doing. We would also be glad to have the students come along on our annual spring Hot Spots Tour in Hamilton.

Please send me (by phone, mail or fax) the name of your representative and we will let him or her know the details for the next meeting on Wednesday, October 4th at 7:30 p.m.

Best regards,

Jennifer M. Dent, M.Sc.
Member and Youth Affiliate Co-ordinator
Keep Hamilton Clean Committee
City of Hamilton

SPOTLESS, NOT THOUGHTLESS. CARE ABOUT OUR CITY.

The Keep Hamilton Clean

Committee (KHCC) would like to know about the projects your school is involved with or has initiated in an attempt to make Hamilton a clean city in which to live.

All your school has to do is submit an entry into the KHCC's Spotless Award Contest.

You need to show the committee that your school keeps Hamilton clean better than any other school in the city. How do you do that? Choose a medium best suited to getting your message across.

Some good ideas are :

- written report
- video tape
- poster
- poetry
- songs
- any other creative medium

WHAT IS THE CONTEST FOR?

Our city is a beautiful place to live work and play. We would like to keep it that way and make it even more beautiful and clean. The key to this happening is in the hands of the youth of today - people like yourself! We want to raise awareness and keep Hamilton clean. We hope that this contest will help encourage this awareness.

THE PRIZE

The Spotless award is a prize that is a sign of outstanding effort on the part of a school. It is a symbol of thanks from the Keep Hamilton Clean Committee to your school, for making this city a beautiful place to live. It is acknowledgment of a job well done.

Each school involved will receive a certificate of participation from the KHCC. The grand prize will be the KHCC Spotless Award and a six foot submarine for the school's environmental group.

ABOUT OUR COMMITTEE

The KHCC co-ordinates the Pitch-In activities in the Hamilton region. Last year, 58 tons of litter were collected during Pitch-In week not including regular weekly garbage collection. This committee is the central organizer for this function including advertising, garbage bag distribution and other functions.

The committee holds an annual Hot Spots Tour in which members of the committee travel around the city viewing selected messy areas that need to be cleaned-up. With the help of media publicity, the committee encourages the owners to clean-up their property.

The committee also travels to various elementary schools to perform a puppet play teaching the importance of a litter free environment. Every Saturday in the comic section of the Hamilton Spectator, the KHCC has a contest in which children are asked to draw pictures related to a weekly environmental theme.

CLEAN KEEP HAMILTON COMMITTEE

Once upon a time in the land of More, there was a group of students who were concerned about the future of the environment. They felt it was important to keep their city clean and to help become part of the solution rather than the problem regarding environmental issues. They knew they were a small group and could not do big things to help, so they decided to do little things, and that would make all the difference. They called themselves "Youth for Environmental Survival" or Y.E.S. and held meetings at More Greenhouse Hall every Wednesday after a long day of knowledge expansion. At these council meetings they brainstormed and came up with several environmental activities to help raise awareness and promote participation in local environmental problems such as litter. What did they come up with? They decided to have a litterless lunch campaign after they noticed hundreds of paper lunch bags being thrown out everyday and unnecessary garbage created by lunches. To promote the use of reusable containers and lunch bags and to reduce the net amount of garbage the YES group offered prizes to the person with the most litter free lunch. The project was successful. The citizens of Moreland started to bring lunches with less and less garbage and more and more reusable containers. This positive response encouraged the council of YES to help the citizens out by sewing several reusable cloth lunch bags and selling them to the citizens. This resulted in a great decrease in the number of unnecessary paper lunch bags being thrown out. Pleased with these results, YES decided to do another project as an example to the citizens of More showing them alternative methods of dealing with waste. This helped with waste reduction in the community of More.

It was October before anyone realized it, and the citizens of More were holding a pumpkin carving contest. YES was faced with a dilemma; where would all the pumpkin waste go when the contest was over? The solution was simple- compost!! The YES members saw to it that all waste was composted and everyone in Moreland was happy.

Time flew once again and with the first snowfall, Christmas had arrived. The people of Moreland wanted to place a Christmas Tree in the town square. YES thought about the consequences of cutting down a tree just to decorate it. This did not like this idea and decided to seek out an alternative to this problem. The best solution they could find was to buy an evergreen tree with roots intact and embedded in a pot of soil so that it could be planted into the garden of Moreland at the completion of the Christmas season. The tree looked absolutely stunning with its environmentally friendly array of Christmas ornaments including popcorn strings, candy apples, cranberries and pine cones. Everyone in Moreland, especially the members of YES, were happy with the success of the tree and decided to make this a yearly event. As a gift to all the citizens, YES handed out newsletters detailing environmentally friendly ways to enjoy the season and other "green" tips.

One day on the way to school one of the members of YES had a great 'green' idea. The members of YES could help the birds of the area in the winter months by putting out bird feeders! All the members loved the idea for several reasons but especially because the birds of the area were losing their habitat and helping them find food would keep them in the area. The group used old pop bottles and covered them with dried leaves and hung them in the trees around the village of More. It was very rewarding to see the feeders in use and it seemed as though the birds liked it too!

With the arrival of spring, YES started a campaign to plant organically grown plants for Spring gardens. Pesticide free herbs of various types were made available for purchase and organically grown Lilies were sold for mothers day. It was hoped that the herb campaign would encourage the creation of backyard gardens and discourage the use of chemicals.

Every year the citizens of Moreland participate in a clean- up project called Pitch-in. Teachers in Moreland are encouraged to take one class outside for a clean- up of garbage. The school yard was sparkling and smiles of pride and joy covered the faces of Moreland's students.

With the profits earned from the various environmental activities, the council directed some money towards the purchase of a compost bin for the school hoping to initiate a school composting program for the following year. In order to beautify the Moreland grounds they were naturalized. Trees were planted, flowers and shrubs put into place and a home for neighborhood animals was thus created. Finally, the remaining profits were put toward the purchase of a portion of the Cross Canada Rail Trail on behalf of the Youth For Environmental Survival of St. Thomas More Highschool. Through beautifying Moreland, Hamilton was kept clean and an appreciation of the citizens surroundings was augmented. The area was clean, little projects that YES did made a difference and everyone lived happily, cleanly and environmentally ever after.

THE END

6 (a)

Dear Sir:

Re: Keeping Hamilton Clean

I acknowledge your recent letter which was received in the Department of Public Works and Traffic on 1996 May 28.

The Keep Hamilton Clean Committee has been actively working towards a cleaner Hamilton for many years and has had a major positive impact on the amount and extent of littering in the City of Hamilton.

The major activities of that Committee have been the co-ordination of volunteers and interested groups or service clubs during PITCH-IN Week in Hamilton each spring in conjunction with PITCH-IN Ontario, co-ordination of PITCH-IN activities with other neighbouring municipalities, the conduct of an annual "Litter Hot Spots Tour" in which major litter and dumping locations are highlighted for the media in an effort to have these areas cleaned by the owners, an educational Puppet Play which goes to area schools upon request to help spread the word and numerous other activities that occur throughout the year.

The Committee welcomes new ideas and enthusiastic people who want to assist in cleaning up the litter and debris commonly strewn about the City by uncaring individuals.

In addition, as you may be aware, the City must rely primarily on volunteers and service clubs to clean ravines and other open spaces since budgetary funds are not available to hire additional staff in financial times that include probable staffing and service level reductions. The City's very few litter pick up staff do use a bag and rake technique similar to what you have described and, in fact, in years past, have, indeed, used a stick with a nail on the end.

In summary, it is acknowledged that the City cannot hire sufficient employees to keep the City completely clean and we must rely on concerned citizens such as yourself to volunteer their services as a major portion of the effort to keep Hamilton clean. The Keep Hamilton Clean Committee would welcome your suggestions and efforts. You may contact the Committee through this Department.

Yours truly,

Doug Lobo

Commissioner of Public Works and Traffic

HAMILTON REGION CONSERVATION AUTHORITY

MINUTES

JUL 1 7 1996

WESTERN LAKE ONTARIO ENVIRONMENTAL COALITION

THURSDAY, JUNE 20, 1996

7:30 P.M.

AT WOODEND

PRESENT:

Burke Austin, Community Action, Parkdale East
Gord Taylor, Community Action, Parkdale East
Cathy Thomas, Stoney Creek Residents Against Pollution
Doris Evans, Waterdown
Frank Evans, Waterdown
Alison Healing, Ancaster Conservers
Don McLean, Friends of Red Hill
Larry Van Der Pol, For A Safe Environment
John Milton, Dundas Conservers
Peter Hutton, Conserver Society of Hamilton, Inc.
Scott Konkle, Hamilton Region Conservation Authority
Bruce Duncan, Hamilton Region Conservation Authority
Bill Pearce, Hamilton-Wentworth Region

1. AGENDA

Additions were made:

- 5b) Water Quality Testing - Scott konkle
- 9 WLOEC Future

2. MINUTES

The minutes of the February 29, 1996 meeting of WLOEC were received.

3. PRESENTATION - REGIONAL ENVIRONMENT DEPARTMENT REORGANIZATION

Bill Pearce, Strategic Planning Division Head, provided information about the Region's recent reorganization of their Environmental Services, Planning, and part of Roads Department. The Region now has five departments:

- Health
- Community Services (social services)
- Transportation (roads and HSR)

- Environment (planning, environmental services, development engineering group from roads department and airport)
- Support (administration, legal services, systems)

These divisions were put in place April 1, 1996 and the restructuring will continue until September 1, 1996. There is an expectation of staff reductions.

In the Environment Department, there are four divisions (plus financial and administrative support):

- Development
- Strategic Planning
- Waste Management (landfill site, SWARU, water quality)
- Infrastructure Operations (sanitary sewer system, water supply)

There were a number of questions from members. Bill Pearce indicated that he will look at how the Environmentally Sensitive Areas Impact Evaluation Group (ESAIEG) might be involved in the review of regional Projects, even emergency ones (perhaps by establishing a set of guidelines for working in or adjacent to ESAs).

The Regional Environmental Advisory Committee (REAC) will continue to exist as will ESAIEG whose advice has been consistently taken by staff.

An Air Quality Initiative has been started. There is a draft integrated transportation policy but it is two years old. It takes the Red Hill Creek Expressway as a given.

The Region may soon be looking at contaminated lands within the City.

Peter Hutton thanked Bill Pearce for attending, providing an update and answering questions.

4. CANADIAN ENVIRONMENTAL CONFERENCE UPDATE

Peter Hutton told members that the Conserver Society had hosted this conference in Hamilton two weeks ago. There had been 200 attendees and the event was a success.

5. NEW BUSINESS

a) Environmentalist of the Year Award Banquet

Don McLean reported that this committee needs new members and that anyone interested should contact John Struger (336-4966). He advised members that Dr. George Sorger had won the Dr. Victor Cecilioni Award and that Burke Austin was one of the winners of the Awards of Merit.

b) Water Quality Monitoring

Scott Konkle advised members that HRCA is trying to develop a water quality testing network as recommended in a Gore and Storrie report for the Hamilton Harbour

tributaries. The setup cost would be \$150,000 and operating costs would amount to \$70,000 per year. HRCA has a goal of implementing the recommendations and has offered to act as lead agency. Several agencies and individuals have been contacted.

c) WLOEC'S Future

This item will be placed on the next agenda. Several comments were made:

- The meeting location at Woodend is difficult to get to and may be one of the reasons for a low attendance at meetings. A more central location is recommended and will be obtained for the next meeting.
- The mailing list is outdated and needs to be examined. Bruce Duncan will mail out and request updates.
- Should we prepare an annual report card on the regional environment?
- Should WLOEC move towards being a forum much like the Ontario Environmental Network and develop an advocacy role as well as having a council plus caucuses?
- Can a group act as an overall spokesperson for the environment? Perhaps the Bay Area Restoration Council might fill this role.

6. **ANNOUNCEMENTS**

a) The Region/City Bikeways and Parks Map

This new map was available at the meeting.

b) Red Hill Combined Sewer Overflow Class Environmental Assessment

An open house on this project had been hosted by the Region that afternoon. Bruce Duncan distributed comment sheets and asked members to send in comments from their groups, if interested.

7. **GROUP ACTIVITIES**

Don McLean reported for the Friends of Red Hill that the comment period for the Red Hill creek Expressway exemption order is open until July 14, 1996. The Region is anticipating a response from the province by September.

John Milton reported for the Dundas Conservers that a gardening with Nature campaign has begun, encouraging people not to use pesticides.

Burke Austin reported for Community Action Parkdale East that their most recent newsletter has been distributed.

Alison Healing reported for the Ancaster Conservers that a new group, separate from the Conserver Society and called Citizens for Alternatives to Pesticides, has been in existence for one year and has proposed an education program in the schools as well as a bylaw regarding pesticides being used for cosmetic purposes.

Bruce Duncan reported for the Red Hill Revitalization Project that things were progressing well. The biological and archaeological inventories were complete, water quality sampling was ongoing, the trail was over half-completed, and extensive tree and shrub planting had gone on.

Peter Hutton reported for the Conserver Society of Hamilton, Inc. that a yard sale is planned for September and that articles or notes for the newsletter are welcome (contact Steven Nagy at 627-0091). He also reported that Green ventures continues to exist but on a fee for service basis. The Region is providing \$10 for each home being "greened"; Green Ventures is selling rain barrels and composters as well.

Larry Van Der Pol reported for For A Safe Environment that There was a leachate problem at the Glanbrook landfill site and testing is being done downstream by the Niagara Peninsula Conservation Authority.

Cathy Thomas reported for Stoney Creek Residents Against Pollution that members of that group continue to raise funds and have commented on the Taro landfill proposal to Ministry of Environment and Energy. She thanked the Conserver Society for their support. A road access up the Niagara Escarpment is being studied at present.

8. NEXT MEETING

The next meeting will be Tuesday, September 17, 1995 at 7:30 p.m. at a location to be announced.

9. ADJOURNMENT

On motion, the meeting adjourned.

Hamilton-Wentworth's Annual Vision 2020 Sustainable Community Day

June 30, 1996

Raffaella Brugnano, Secretary
Keep Hamilton Clean Committee
10 Astra Court
Hamilton, ON L9C 4P2

Dear Ms. Brugnano:

Hamilton-Wentworth's Annual VISION 2020 Sustainable Community Day will be held on:

October 17, 18, and 19, 1996.

This family oriented, three day celebration of all aspects of our community, continues to increase in size and popularity. Over fifty volunteers are busy preparing:

- the Children's Sustainability Fair;
- the VISION 2020 Exhibition;
- bus tours of various activities, such as, the Harbour Clean-up;
- various walking tours of Downtown Hamilton;
- a CRAZY COMMUTE Day on October 9th; and
- many other related events.

Over 2,500 children from 27 schools in the Hamilton-Wentworth region have already registered to attend the Children's Sustainability Fair which will be held in Jackson Square and the Eaton Centre. An estimated 150 local community groups and businesses will be participating in one or more events. VISION 2020, as you know, is a statement of what our community could look like in the year 2020, if our decisions follow the principles of sustainable development. It is a broad statement covering everything from air quality to education to economic activities.

We would like to thank the Keep Hamilton Clean Committee for its active involvement in 1995. We ask you to consider participating in this year's events and assisting in the development of activities in the topic areas of pollution prevention and community well being. You could assist us by developing an exhibit, preparing an activity for children, organizing volunteers, or in many other ways. Please review the enclosed brochure and if you are interested in participating, return the registration form by **July 12, 1996**.

If you have any questions, please contact Sarah Campbell at 546-4101 or Mark Bekkering at 546-2195. We hope you will join us in bringing together Hamilton-Wentworth's diversity of social, environmental, and economic activities and celebrate our community's journey along the trail to the Sustainable Community of VISION 2020.

Yours sincerely,
Sustainable Community Day
Citizens' Steering Committee

CITY OF HAMILTON
- RECOMMENDATION -

JUL 04 1996

DATE: 1996 June 26

REPORT TO: Tina Agnello, Secretary
Planning and Development Committee

FROM: Doug Lobo
Commissioner of Public Works and Traffic

SUBJECT: Eighth Annual Public Service Announcement
Competition.

6(e)

RECOMMENDATION:

1. That the following prizes be awarded to the Mohawk College broadcasting students for their submissions in the Public Service Announcement (P.S.A.) competition:

First Prize: Matthew Taylor
Second Prize: Debbie Hogg
Third Prize: Sheileen Kew

All of the P.S.A.'s contain messages about keeping Hamilton clean.

2. That funds be provided from Phase IV of the Downtown Action Plan for the first prize at \$600; second prize at \$400; third prize at \$200; and, a donation to Mohawk College Media Studies Department of \$1,300 for development of the videos and use of equipment.

D. Lobo

FINANCIAL/STAFFING/LEGAL IMPLICATIONS:

Funds are available in Phase IV of the Downtown Action Plan Account Number CF 5698-428803006.

BACKGROUND:

City Council at its meeting held 1996 February 13, approved the implementation of the 8th Annual Public Service Announcement in the amount of \$2,500.

In co-operation with Mohawk College Media Studies Department and CHCH-TV Channel 11, the City of Hamilton has been holding an Annual Public Service Announcement Competition for the students of Mohawk College's Media Studies Program. The theme for the public service announcement is to keep Hamilton clean. Previous years winning submissions have been aired free of charge on CHCH-TV Channel 11 on a regular basis. A strong partnership between Hamilton City Council, the Keep Hamilton Clean Committee, Mohawk College Media Studies Department and CHCH-TV Channel 11 has proven to be extremely successful in providing the public with this message.

Re: Pitch In Campaign

Dear Michael,

THANK YOU FOR ASKING US TO HELP!

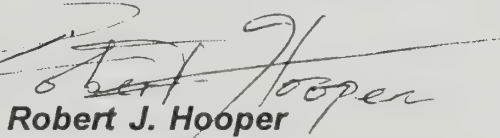

As a reflection of our on-going involvement with the community, a campaign of Public Service Announcements will be aired on behalf of your organization with the equivalent NO-CHARGE DOLLAR VALUE OF \$900.00.

The enclosed Broadcast Order contains the specific details.

CHML gladly contributes to those who help others and our goal at CHML is to make sure that:

WHEN IT HAPPENS IN HAMILTON AND THE SURROUNDING COMMUNITIES, YOU WILL HEAR ABOUT IT ON AM900 CHML!

Yours sincerely,

Dear Mr. Heintz ,

The fourth annual Special Olympic/ Law Enforcement Torch Run Festival held at the East End Police Station was a great success! Regardless of the cool weather and rain, the children and their parents participated in this festival by either watching the events or joining in the fun.

I would like to thank you personally for your commitment and the donation of the mascot costume towards the festival. Your co-operation in this event helped raise funds, but more importantly, awareness! We hope to see you again next year.

Sincerely,

**Philip Slack,

Dear Ron,

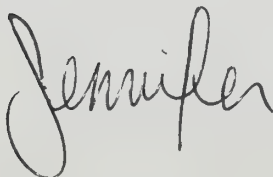

Due to my recent move to Mississauga and upcoming job responsibilities I will be unable to complete my term (September to December '96) on the KHC committee.

I have enjoyed my time working with the committee and building the Youth Affiliate group. I hope that this vital link with the younger generation will be maintained.

Please accept my best wishes for the committee for the year to come!

Best regards,

Medical Department

Vacancy Replacement

At the meeting of the Keep Hamilton Clean Committee on 1996 May 1, the Committee accepted the resignation of Fred Loft from the Committee. It was also pointed out that, effective after the June meeting, Jennifer Dent was getting married and moving to Mississauga and she would be resigning as well (Fred's term expires at the end of 1998 while Jennifer's expires at the end of this year).

If the deficiency had remained at one, I suspect that the Committee would have opted to handle this at the end of the year with the rest of the upcoming vacancies. However, there are now two vacancies which makes waiting to the end of the year much more difficult.

In light of the above, the Committee reviewed the following alternatives:

- 1) The Committee can recommend to fill the vacancy by the usual process (advertise, orientation sessions, interviews);
- 2) Wait until other members terms of office expire and advertise for them all (including this one) at the same time;
- 3) Recommend not to fill this vacancy at this time;
- 4) or, ask that given the high advertising costs and time involved, that the Committee send a report to T&E recommending that Fred Loft's position be filled by someone recommended by the Committee (have an actual replacement name) and indicate that while this is not city policy, that it will save costs (advertising) and time in light of the fact that Pitch In week is coming up and you need someone on board soon.

The Committee agreed that this (the spring time) was not the time of year to fill vacancies - just before adjourning for the summer - but that these two vacancies should be advertised in early September for filling in September so that the selected parties can step in at the October meeting. A motion covering this matter was duly moved, seconded and approved by the members of this Committee.

Excerpt From May, 1996 Minutes

7. CORRESPONDENCE RECEIVED

a) Resignation of Fred Loft

The Committee agreed to accept Fred Loft's letter of resignation. Those present discussed several options to deal with the vacancy. The Committee passed a motion to advertise vacancies on the Committee in early September in order for the selection process to occur by the end of September. This would enable the new appointees to attend the October meeting.

DEPARTMENT OF PUBLIC WORKS AND TRAFFIC

MEMORANDUM

TO: Allard van Veen
PITCH-IN ONTARIO
White Rock, B.C.

YOUR FILE:

FROM: Mr. D. Heintz, Staff Advisor

Public Works Department

OUR FILE: 96.0114
PHONE: 546-3920

SUBJECT: Bags ... Donation ... Shipping

DATE: 1996 July 5

Allard

Thanks for your note which, among other things, confirms that PITCH-IN WEEK in 1997 is May 5 - 11.

Yes, we would be interested in receiving the 10,000 bags;

In this regard, I am sure that it would be the Committee's intention to provide PITCH-IN with a \$2,500 donation this year although that cannot happen until after the September meeting (our next meeting) since that action must be passed as a motion through the Committee. I would appreciate it if you could send to me something like an Invoice that details the amount owed including G.S.T. and so on that I could present to the Committee and use to facilitate the creation of a cheque after Committee approval.

Shipping Address (For large items such as 10,000 bags)

Chedoke Maintenance Depot
161 Studholme Road
Hamilton, Ontario

Hours of operation: 7:00 a.m. to 3:00 p.m (Eastern time, of course!)

Mailing Address (For letters, Invoices and small parcels)

Keep Hamilton Clean Committee
c/o The Department of Public Works & Traffic
71 Main Street West
P.O. Box 2040
Hamilton, Ontario
L8N 3T4

Please advise of the date of delivery of these bags so that someone who is aware that they are coming will be in attendance.

1996 Grey Cup

Santa Claus Parade

The 1996 Grey Cup Festival in Hamilton, Ontario represents the pinnacle of the seven decade history of Canadian Football in this province.

We invite you to share our pride in 1996 by offering you the opportunity to be a part of the celebration of our national sporting heritage.

See You In Hamilton

The 1996 Grey Cup Parade will be held on Saturday, November 23rd, 1996. National television coverage will provide the opportunity for millions of Canadians to catch the excitement of the festivities as displayed in the parade.

Definitions

Floats:

A float is a self-propelled or pulled vehicle decorated in the theme of the parade. For further specifications of a float, see Regulations and Conditions.

Commercial Colour:

An entry commercial in nature, not directly related to the theme of the parade.

Marching Unit:

Marching Units consist of any group that travels on foot, and is not commercial, whose members are not playing any musical instruments, and who are not in any way connected with a band or majorette group or other entry. This includes non-commercial clowns, horse units and colour parties.

Entry Form Enclosed:

For further information, contact:

Grey Cup / Santa Claus Parade Committee,
Phone: (905) 387-2882 - Fax: (905) 388-7334

Entry Fees

- | | |
|--|-------|
| A) Floats | \$750 |
| B) Commercial Colour | \$750 |
| C) Floats or Entries representing non-profit societies Meeting special Grey Cup criteria, and showing a Provincial registration number on the application | \$500 |
| D) Bands n/c (unless a commercial sponsor is obtained, at which time we reserve the right to apply entry fee to band) | N/C |
| E) Majorettes (unless a commercial sponsor is obtained, at which time there will be no charge to individual Majorettes). | N/C |
| F) Marching Units Full details of assembly locations, Float storage, judging procedures, information pertaining to marching units, and route will be supplied following acceptance of your entry form. | N/C |

GENERAL

1. The 1996 Grey Cup/Santa Claus Parade (the "Event") is to be held in Hamilton on Saturday, November 23, 1996. By the completion of an appropriate entry form, the person, association, organization or corporation on whose behalf the entry is given (the "Entrant") may make application to enter the Event. The Grey/Cup Santa Clause Parade Committee (the "Committee") shall have the right to accept or reject any entry made by an Entrant is the Committee's sole discretion.
2. The Committee and all other persons, associations, organizations or corporations involved in the organization and running of the Event (collectively the "Organizing Bodies") **SHALL NOT BE RESPONSIBLE TO THE ENTRANT OR ANY MEMBERS, PARTICIPANTS, LEGAL REPRESENTATIVES, HEIRS, SUCCESSORS, SERVANTS OR AGENTS OF ANY ENTRANT, FOR ANY DAMAGE OR INJURY OF ANY NATURE, INCLUDING PERSONAL INJURY, DEATH, OR PROPERTY DAMAGE CAUSED DIRECTLY OR INDIRECTLY AS A RESULT OF THE ENTRANT'S PARTICIPATION IN THE EVENT.**
3. Regulations and conditions may only be modified with the written consent of the Committee and to the extent therein set out. The Committee may, in its sole discretion, waive any regulations or conditions with respect to any Entrant or Entrants in the Event and any such waiver shall be limited to the terms thereof and not construed as a general waiver. The Committee reserves the right in its sole discretion to refuse entry in the Event to all Entrants who do not comply with these regulations and conditions. In such cases, the Committee shall incur no liability to the Entrant.
4. The Entrant acknowledges that all costs associated with the entry or entries and of its staff shall be borne by the Entrant and in no case shall costs be chargeable to any of the Organizing Bodies and, without limiting the generality of the foregoing, such costs shall include transportation, accommodation, and living expenses, entry fees, float construction, insurance costs, signs and/or banners as required.
5. Entrants will be positioned in the parade by the Committee. It is the responsibility of the Entrant to maintain such position during the Event. Failure to do so may result in removal from the Event whether prior to, or during the Event.
6. All Entrants must obey the directions of the Police or any Parade Marshall who may be appointed by the Committee, given for the purpose of regulating traffic or maintaining order.
7. Any direct or indirect interference with the Event or of any portion of the Event by an Entrant may, in the discretion of the Parade Marshall or his assistants, result in the immediate expulsion of the Entrant from the Event either before or en route, with no refund or monetary compensation.
8. All monies received by the Committee accompanying the application form shall be held in trust pending written notification of acceptance by the Committee.
9. Horse storage will not be arranged by the Committee. Horse entries will receive an additional charge for clean-up.
10. Marchers must be in keeping with the theme of an entry. Groups of fans walking as such cannot be permitted entry.
11. Alcoholic beverages are forbidden on any float, in any vehicle, or on the person of any participant taking part in the Event. Any participant suspected of being under the influence of drugs or alcohol, will be barred from the event. The Entrant shall make this rule and all other rules and regulations concerning the Event known to all persons taking part with the Entrant in the event.

REGULATIONS & CONDITIONS

Floats and Commercial Colours

1. No vehicle shall exceed the width of 8 feet, nor height greater than 12 feet. No single vehicle shall exceed the length of 40 feet. No articulated vehicle shall exceed the length of 60 feet. All floats must be capable of travelling at a minimum of 10 km/h. All floats must receive prior written approval from the Committee.
2. All floats shall be drawn by horse, decorated vehicle or shall be self-propelled. No other vehicle may be entered in the parade without prior written approval of the Committee.
3. The name of the Entrant (or any other name, trade-mark or design, used by the Entrant for commercial advertising purpose) may appear only on the sides of the Entrant's float or floats, and shall not appear elsewhere. The Committee reserves the right to approve form and content of any commercial advertising employing an insignia, logo, or colour of the CFL or the professional football clubs in order to protect itself and the float from a conflict with existing trade-mark and property rights therein.
4. Floats may not be used to dispense merchandise, advertising, or any other material to the public in any way whatsoever. No sound systems are permitted without prior written approval of the Committee.
5. Entrants shall be responsible for removing their floats after the parade, subject to the direction of the Police or Parade Marshall.
6. All float entries must receive the prior written approval of the Committee on the basis of an accurate description and dimensions of the float with a sketch submitted by the Entrant. Sketch or photo and description must include vehicle. The Committee shall return the entry fee for any float which does not receive its approval. The Committee reserves the right, in its sole discretion, to refuse entry into the parade of any float which is not in accordance with the description and sketch submitted by the Entrant and approved by the Committee. In such cases, the Committee shall incur no liability to the Entrant and the entry fee shall not be refunded. It is understood that the Entrant shall be solely responsible to ensure that the float is completed in accordance with the description and the sketch approved by the Committee whose decision shall be final.
7. The Committee reserves the right to place dignitaries anywhere in the Event.
8. The number of entries is limited. Preference is given to quality of entry.
9. All sponsorships are subject to the approval of the Committee.

Float and Safety Precautions

Any guidelines in this section are meant only as general advice. Entrants must comply with all applicable laws, by-laws, codes and regulations. Any entry may be disqualified if this requirement is not met.

1. No smoking on or near floats. Carry a fire extinguisher - be sure it is in good working order and how to use it.
2. All exhaust pipes must be wrapped with asbestos paper where it passes near decorations.
3. All decorations must be of flame resistant (fire proof) material.
4. Be sure of good brakes and proper driver's vision and ventilation.
5. All vehicles must be in excellent mechanical condition and float motors must receive proper cooling and ventilation.
6. Safety Stanchions with Safety Belt must be available and used by personnel riding floats. NO FREE STANDING.

Bands and Marching Units

1. Bands, majorette groups, and marching units must be preceded in the Event by banner showing the Entrant's name.
2. No counter marching, drilling, or stopping at the reviewing stand will be permitted. Failure to adhere to this regulation will result in entry's removal from the Event.
3. The Committee must approve in writing each band, majorette groups and marching unit. Each group is requested to submit a photo of the group in full uniform and formation and must appear for the parade in the form as approved by the Committee, which may deny entry to any group presenting itself in an unkept manner.
4. The number of entries is limited. Preference is given to award winners and then the order in which applications are received.
5. Bands are requested to spread out across the width of the street.

Majorette Groups

1. No counter marching, drilling, or stopping at the reviewing stand will be permitted. Failure to adhere to this regulation will result in entry's removal from the Event.
2. Each group must be approved by the Committee on the same basis as set out above for the admission of bands. Approval will be based on judgement of an independent profession and include history of the group, uniform colours, size, name of leader or instructor and other pertinent matters.

ENTRY INFORMATION

Please detach and return completed Entry Form
BEFORE NOON ON AUGUST 30, 1996.

Applicant's name: _____

JUL 22 1996

Mrs. Pat Jaggard
663 Beach Blvd
Hamilton, Ont
L8H 6X8

Mr. Don Hestz
Chairman
Keep Hamilton Clean Committee
City Hall.
Hamilton, Ont.

Dear Don,
Several months ago I started
the "Robert Allen Jaggard Archives"
in my late husband's (Bob Jaggard)
memory by approaching the
Ontario Women's Heritage
Centre (OWAHC) in Hamilton.
I forgot to have MaryBreen,
the Executive Director of the
(OWAHC) send her letter to
you. But I have taken the
liberty to send a copy which
I had. I the OWAHC wants
to sit in a room with a possible
Booklet about Bob then contact
or write to MaryBreen.
Pat Jaggard.

May 1, 1996

Dear Friend of the Ontario Workers Arts and Heritage Centre,

I am writing to ask for your support with a special publishing project the centre is undertaking.

A few months ago, we were approached by Mrs. Patricia Jaggard, widow of Bob Jaggard, a well known Hamilton labour leader and community activist. Pat donated memorabilia to our resource centre, which led to the discussion of a publishing project about Bob's life. The Centre's Program Committee developed the idea, and the Board agreed to research and produce a small booklet about Bob Jaggard. Our plan is that this publication will be the first in a series of booklets about labour activists across Ontario. We feel it is part of our mandate to document the lives of these men and women, who are so often left out of the historical record.

Pat Jaggard has generously provided seed money for this project, which will cover the research costs. A highly qualified graduate student will conduct oral history interviews and study other print, audio and visual source materials. An editorial committee will cull this information, to create an accessible, informative resource booklet for students of labour history, community activists and a general audience interested in workers' history and culture.

We need your help in two ways. Firstly, we would like to hear from people who might be interested in being interviewed by our researcher ^{THIS} fall, or who have photos or other materials which document Bob's involvement in the labour movement, politics or community action.

Secondly, we need financial support to design and publish the booklet. We are looking for a total of about **\$3000** for an initial print run of 1000 copies. These booklets will be sold through the Centre, helping us raise the profile of workers' history. The proceeds from these sales will allow us to undertake more projects of this kind.

Part for Labour Organizations
If just 30 people were to donate \$100 each, we would have our printing costs. The Centre is a registered charitable organization, and will gladly issue tax receipts for contributions. Please consider supporting this worthwhile project.

Make all cheques payable to the Ontario Workers Arts & Heritage Centre. All donations would be welcomed

Sincerely,

Mary Breen, Executive Director

The Keep Hamilton Clean Committee met.
Quorum formed at 7:50 o'clock p.m..
There were present:

Ron Volterman, Chairperson
Jim Auty, Vice Chairperson
William Blenkhorn
Rick Butson
Frank Noto-Campanella
Claudette Kabitsis
Michael Cuberovic

Regrets:

Lori Nethercut
Mark Alan Whittle
Jennifer Dent
Raffaella Brugnano

Also present:

Don Heintz, Public Works Department
Al Marshall, Public Works Department
Bonnie Lok, Youth Affiliate

1. ADOPTION OF MINUTES

The Committee was in receipt of the minutes of The Keep Hamilton Clean Committee for its meeting held 1996 June 12 and these minutes were adopted as circulated.

2. CHAIRPERSON'S REMARKS

Ron Volterman welcomed everyone back and hoped everyone had a good summer.

3. BUSINESS ARISING FROM THE MINUTES

None

4. SPOTLESS SPOT

Don Heintz reported in Mark Alan Whittle's absence. Don had received a list of five winners from Mark. Don would prefer to receive the names at the rate of one per week as to not keep the kids waiting for their winnings. Mark was also in contact with the Spectator and they are setting up a list of 52 topics for next season. Current list to expire in September or October. The committee members are asked to submit suggestions to Mark Alan. The Committee will be sponsoring a display at Vision 2020 in October (17, 18, 19) and would like to have 1996 winning pictures from the kids on display. Don Heintz will forward a list of winners for Jim Auty to put onto labels. Jim will request that Mark Alan supply the kids pictures.

5. YOUTH AFFILIATE

a) Discussion regarding new Committee Representative

A motion was put forth to accept the resignation of Jennifer Dent (due to her recent marriage and move to Mississauga). Mike Cuberovic motioned to accept and Frank Noto-Campanella seconded the motion. Claudette Kabitsis volunteered as the new Youth Affiliate Representative.

b) Letter from Scott Park Secondary School

The committee discussed the letter and its intent. Appropriate responses were discussed and Ron Volterman will write a letter to the school.

Jim Auty asked if there had been any Certificates awarded as he had not been contacted to produce any. Claudette to contact Jennifer regarding the awarding of the prizes and certificates.

5. YOUTH AFFILIATE cont'd

Jim Auty asked if there had been any Certificates awarded as he had not been contacted to produce any. Claudette to contact Jennifer regarding the awarding of the prizes and certificates.

6. CORRESPONDENCE RECEIVED

a) Letter from Frank Trutwin

Mr. Doug Lobo, Commissioner of Public Works and Traffic, had responded to Mr. Trutwin's concerns on how the KHCC was doing its job.

b) Hamilton Regional Conservation Authority

KHCC in receipt of the minutes of their last meeting and notification of the 1996 September 17 meeting.

c) Hamilton Harbour Remedial Action Plan (no copy)

Their meeting had taken place during the summer and the information was at hand if anyone wanted to peruse it.

d) Vision 2020

Raffaella had received information during the summer and had responded appropriately. This year the event will be held October 17, 18, 19 and committee members are requested to keep some time open to volunteer to man the booth. Raffaella to bring more details to the October meeting.

e) Public Service Announcement Awards

Stated the winners and the prizes won.

f) CHML Free Publicity - Pitch In

Stated contributions to the KHCC in 1996. Ron Volterman responded with a thank you letter similar to the one forwarded to CHCH-TV.

g) Regional Police

Thanking Spotless for the visit to their Special Olympics.

h) City Clerk - Banner over Main Street

KHCC was approached by the Mayor's Office for us to give a couple of our days to the Salvation Army. Don and Ron consulted and on the committee's behalf (during the summer break) to allow this as it was towards the end of our campaign. The Women's Centre also gave up a day.

i) Resignation Jennifer Dent

See Youth Affiliate 5a).

j) "Thank you" from Jennifer (nee Dent) and David Haddon

Card with note and wedding picture was passed around for everyone to see.

7. COMMITTEE VACANCIES (Fred Loft & Jennifer Dent/Haddon)

Consensus of the KHCC is to wait for the Fall adverts and follow procedure then.

8. MALL DISPLAY (Jim Auty to report)

The Mall Display was set-up and well received at the 1996 August 06 Night Out Festival at Carter Park at Stinson & Victoria St.. Several people stopped to talk about areas with litter and the promo

8. MALL DISPLAY (continued)

fliers were handed to them as well (Lori Nethercut may receive responses by mail). Landsdale Policing Centre on King St. East (E. of Emerald St.) has requested the display again and Jim will discuss a schedule date with them. Jim is also to schedule dates for the display to be at Canada Trust Offices as well. The Mall Display is scheduled to be at Vision 2020 in October.

9. INTERNATIONAL COASTAL CLEANUP (Michael Cuberovic to report)

Pitch-in Canada had shown interest in the International Coastal Cleanup as had Michael. When Pitch-In Canada withdrew, they sent Micheal's name to the U.S.A.. Michael soon found himself as "The Canadian representative". Michael had to respond quickly to this 'mix-up'. There will be a cleanup at Van Wagner's Beach 1996 September 28 and KHCC members are welcome to attend. Michael also passed around an August 31st, Spectator article on the subject. He also mentioned, response from area underwater diving associations was amazing and they will be considered more for future events. Michael requested garbage pick-up, weighing and disposal. Don Heintz to follow-up with Michael.

10. PITCH-IN

a) Inventory of garbage bags

Don Heintz mentioned there were about 18,000 garbage bags on hand.

Donation letter was discussed and the GST gets paid because the KHCC got something (garbage bags) in return for the donation. Some of the GST gets rebated as the value of the bags is far less than the donation made. It was moved by Michael Cuberovic and Claudette Kabitsis that a donation of \$2,500 plus GST be made to PITCH-IN ONTARIO. Carried.

11. SANTA CLAUS PARADE

The Santa Claus Parade is being combined with the Grey Cup Parade this year. Don Heintz is to complete and submit the appropriate forms for our participation.

12. ONTARIO WORKERS' ARTS & HERITAGE CENTRE (Regarding Bob Jaggard)

Michael Cuberovic and Claudette Kabitsis moved that the Committee donate \$100 to the Ontario Workers Arts and Heritage Centre towards the publication of a biography of Bob Jaggard, a former, deceased member of this Committee. It was agreed that this was appropriate because of Bob Jaggard's past participation as a KHCC member.

13. ONGOING YEAR ROUND ADVERTISING PROGRAM (Claudette Kabitsis)

Claudette feels there would be long term benefits from such things as school lectures, approaching businesses to first hand explain about the KHCC and its purpose.

A quick review of all that the KHCC gets involved with indicated that there is a lot of coverage now, and that more would not deter from our present course. Claudette will become active with the youth affiliate to have them further promote awareness through their increased activities.

Claudette also to follow-up with leads to articles/promotion via Ethnic newspapers and target for additional participation for Pitch-In 1997 and for years to come.

14. BUDGET (for information)

Quick viewing and no comments or questions came up. In good shape spending only about half to two-thirds of the allocated funds.

15. OTHER BUSINESS

Michael Cuberovic made mention of a report about Hamilton placing 20th on Canada's Cleanest Cities List. Saskatoon placed number 1. The ratings were for air and water quality. The KHCC members are in search of the report in other publications are will try to improve this rating for 1997 and beyond.

Michael Cuberovic asked if others could volunteer, especially the Youth Affiliate, to enable Spotless to attend more events. This would also increase the KHCC's exposure to the public. More exposure could be done during the off-season (summer) months.

Scheduling and the time-frames required for costuming would have to be established.

Don Heintz will try to have a list of opportunities (events & festivals) for the October meeting to enable early planning prior to the heavy Pitch-In activities in the new year.

Michael Cuberovic also thought that the KHCC might create a cartoon/clip art of Spotless with a snorkel. This would be an effective logo to promote the KHCC along with I.C.C. (Coastal Cleanup) events and promotions. Jim Auty volunteered to produce some prototypes. Claudette will have someone do some drawings as well. Mike also mentioned Spotless would not have to actually put on a mask and snorkel or going in diving.

William Blenkhorn voiced concerns about ongoing messages to strip malls and the like. They don't seem to cleanup. They leave garbage cans overflowing and litter blowing around.

Don Heintz reminded members that the KHCC is not an enforcement agency and we can only be there to persuade and make people more aware of what litter is doing to our community.

16. PHONE LIST

Reviewed and no changes or omissions mentioned.

17. ADJOURNMENT

There being no further business, the meeting then adjourned.

Taken as read and approved,

Ron Volterman, Chairperson
Keep Hamilton Clean Committee

Jim Auty, per (sitting in for) Raffaella Brugnano, Secretary

Re: Youth Affiliate's 'Projects your school is involved with' Contest

In response to your letter of 1996 August 13, this matter was reviewed by the Keep Hamilton Committee at its meeting held on 1996 September 4 and we provide the following:

- ◆ Scott Park chose one event whereas St. Thomas More used numerous events to show their involvement.
- ◆ The Committee specifically left it open to the schools to choose their method of presentation. Therefore, this did not affect the outcome of the contest.

The Committee deliberated on the merits of both entries and felt that, while the decision was extremely difficult, the edge went to St. Thomas More due to the diversity of their involvement in the Community.

In the opinion of the Committee, the phrase "show the committee that your school keeps Hamilton clean better than any other school in the city" means the quality of the involvement rather than the method of presentation, and this was the determining factor.

We hope that this letter resolves your concerns. We also hope that you continue with your efforts to Keep Hamilton Clean.

Yours truly,

Ron Volterman, Chair
Keep Hamilton Clean Committee

SPOTLESS, NOT THOUGHTLESS. CARE ABOUT OUR CITY.

THE SPECTATOR Thursday, September 5, 1996

Hamilton places 20th of 25 cities judged on air and water quality

TORONTO

For clean living you just can't top Saskatchewan.

According to a survey done for Chatelaine magazine, Saskatoon is Canada's cleanest city, with Regina close behind.

Hamilton was ranked 20th.

The report, to be published in the magazine's October issue, ranked 25 Canadian cities for the quality of their air and water, based on data from Environment Canada and other sources.

The overall ranking was awarded

based on a combination of the two.

St. John's, Nfld., topped the list for clean air, but dropped to 11th overall because city sewage is dumped into the harbour untreated.

Calgary's extensive water-treatment facility earned it top marks for water quality, but its 15th place showing in air quality dropped it to fourth overall.

The report listed Windsor as the worst city overall. Other area cities and their standing: Kitchener, 10th; St. Catharines-Niagara, 22nd.

From Canadian Press

Saskatoon Canada's cleanest city, survey says

Kitchener rated 10th

For clean living you just can't top Saskatchewan.

Saskatoon is Canada's cleanest city, with Regina close behind, according to a survey done for Chatelaine magazine. Kitchener placed 10th.

The report, to be published in the magazine's October issue, available next week, ranked 25 Canadian cities for the quality of their air and water, based on Environment Canada and other data.

The overall ranking was awarded based on a combination of the two.

St. John's, Nfld., topped the list for clean air, but dropped to 11th overall because city sewage is dumped into the harbor untreated.

Calgary's extensive water-treatment facility earned it top marks for water quality, but its 15th place showing in air quality dropped it to fourth overall.

The report listed Windsor as the worst city overall.

The 25 cities listed in order of cleanliness by Chatelaine magazine are:

1. Saskatoon
2. Regina
3. Sherbrooke, Que.
4. Calgary
5. Ottawa-Hull
6. Victoria
7. Quebec
8. Vancouver
9. Sudbury
10. Kitchener
11. St. John's, Nfld.
12. Saint John, N.B.
13. London, Ont.
14. Thunder Bay
15. Edmonton
16. Oshawa
17. Winnipeg
18. Halifax
19. Trois-Rivieres, Que.
20. Hamilton
21. Montreal
22. St. Catharines-Niagara
23. Toronto
24. Chicoutimi-Jonquiere, Que.

3. **BUSINESS ARISING FROM THE MINUTES**

a) Letter to Scott Park Secondary School

Ron Volterman forwarded a letter to Janet Cazzola, teacher/advisor of the environmental group at Scott Park Secondary School regarding the winning entry of the Youth Affiliate contest.

b) Ontario Workers Arts & Heritage Centre

Ron Volterman informed the Committee that \$100 has been sent to the Ontario Workers Arts and Heritage Centre toward the publication of a biography of the late Bob Jaggard, former member of the Keep Hamilton Clean Committee. Further information will be sent to the Committee in late October to early November.

c) Vision 2020

Activities for Hamilton-Wentworth's Annual Vision 2020 Sustainable Community Day will be held on 1996, October 17, 18, and 19 in various location in the downtown core. The Committee agreed to have the mall display set up for the Sustainable Community Day. Raffaella Brugnano will provide additional information once it becomes available.

d) Canada's Cleanest Cities List

The Committee reviewed two articles from the Hamilton Spectator and the Kitchener-Waterloo Record concerning Canada's cleanest cities list. Committee members have not found any subsequent articles on this report.

4. SPOTLESS SPOT

Mark Alan Whittle is collecting new ideas for the Spotless Spot colouring contest. He circulated a list of topics used in the past, and asked the Committee to submit possible suggestions for the Spotless Spot.

5. YOUTH AFFILIATE

Claudette Kabitsis contacted the teacher advisor for the environmental group at St. Thomas More Catholic Secondary regarding the award for the Youth Affiliate contest. The environmental group will receive a trophy and a six-foot submarine sandwich as part of their award. Certificates will be sent to all the contest participants. Committee members asked if a similar contest will be held in the future.

6. CORRESPONDENCE RECEIVED

a) Environmental Coalition of Western Ontario

The Committee was in receipt of correspondence from the Environmental Coalition of Western Ontario with respect to the Coalition's meeting. The Committee could not send a representative to the meeting since the Coalition's meeting conflicted with the K.H.C.C. meeting.

b) Letter from Fred Loft to Alderman William McCulloch

The Committee was in receipt of a copy of a letter Fred Loft had sent to Alderman McCulloch concerning the poor conditions of the CN station property. Fred Loft is a former member of the Keep Hamilton Clean Committee. Don Heintz mentioned that the city is not responsible for the maintenance of the CN station since it falls under federal government jurisdiction. Ron Volterman made the suggestion of including this location on the Hot Spots tour.

7. COMMITTEE VACANCIES

a) Verbal update on advertisement & orientation sessions

Orientation sessions for citizens interested in becoming involved with various committees, including the Keep Hamilton Clean Committee were held on 1996, September 30, and October 02. Ron Volterman and Jim Auty represented the Committee at the sessions. The deadline for application forms is 1996, October 18.

There are five vacancies on the Committee.

8. MALL DISPLAY

Jim Auty reported that the mall display was not set up at the Landsdale Policing Centre during September. The mall display will be part of the Vision 2020 Sustainable Community Exhibition.

9. INTERNATIONAL COASTAL CLEAN -UP

Michael Cuberovic informed the Committee that the International Coastal Clean-up Campaign was held on 1996, September 28. There were fewer participants than anticipated due to poor weather conditions. The Committee will emphasize that future coastal clean-up events will be held "rain or shine".

Over 80 countries participated in the International Coastal Clean-up.

Michael Cuberovic stated that the Hamilton Beach Preservation Committee does their own clean-ups, and he will ask for any data they have collected.

10. PITCH-IN

Don Heintz reported that approximately 18000 bags are in storage. There are very few gloves remaining from the 1996 Pitch-In Week campaign.

Lori Nethercut asked if it was possible to purchase or place a deposit on gloves or other items the Committee may need with the funds remaining in the 1996 budget. The Committee will examine this possibility at the November meeting. Don Heintz will update the Committee's budget.

11. SANTA CLAUS PARADE

The Hamilton Santa Claus/Grey Cup Parade will be held on 1996, November 23. The Committee's entry will be located near the end of the parade and will include three garbage trucks due because of the expected amount of litter to be collected along the parade route.

Letters will be sent to the winners of the Spotless Spot contest inviting them to participate in the parade. The Committee will strongly recommend that parents must accompany their children during the parade. Michael Cuberovic agreed to co-ordinate the respondents.

12. OTHER BUSINESS

Jim Auty informed the Committee that the Week of the Child will be held from 1996, Oct 19-26. A local elementary school will do a clean-up at Princess Point. He will ask the principal of the school to take photographs of the clean-up and submit them to the Committee.

In the past, the Committee has held its meeting at a location outside City Hall. Lori Nethercut asked all members to think of possible locations for the December meeting. The Committee held its December meetings at the Keg Restaurant in 1994 and 1995.

13. ADJOURNMENT

There being no further business, the meeting then adjourned.

Taken as read and approved,

Ron Volterman, Chairperson
Keep Hamilton Clean Committee

RE: Vision 2020 Sustainable Community Festival

Here is the information regarding the Keep Hamilton Clean Committee's participation in the Vision 2020 activities.

The mall display is to be set up on the third floor of the Eaton Centre. Display set up dates are October 9 - 11, 1996.

The Sustainable Community Day Citizens' Steering Committee has requested Spotless to appear at any of the following events:

- Children's Sustainability Fair, Eaton Centre - Third Floor
October 17 & 18, 1996 9:20 a.m. - 2:30 p.m., October 19, 1996 10:00 a.m. - 2:00 p.m.
- Vision 2020 Community Exhibition Downtown Festival
October 19, 1996 10:00 a.m. - 2:00 p.m.
(Participants are to meet at the Right House, 35 King Street E.)

.....

Committee members may be interested in taking part of other Vision 2020 workshops and tours.

October 12, 1996 Tour registration and workshops will be held in the Ramada Hotel

10:00 a.m. - 10:30 a.m. Restoring the Harbour (workshop)
 11:00 a.m. - 2:00 p.m. Restoring the Harbour (bus tour)
 10:30 a.m. - 11:00 a.m. Restoring the Valley (workshop)
 12:00 p.m. - 2:30 p.m. Visit the Red Hill Valley (walking tour)

October 19, 1996 Tour registration and workshops will be held in the Right House, 35 King St. East

10:00 a.m. - 12:00 p.m. Our Labour History - Downtown Hamilton (walking tour)
 Our Labour History - Hamilton's North End (walking tour)
 11:00 a.m. - 11:30 a.m. A Future for Hamilton's Downtown (workshop)
 Art and the Economy (workshop)
 12:00 p.m. - 2:00 p.m. Downtown Art Galleries & Studios (walking tour)
 Murals in the Downtown (walking tour)
 1:00 p.m. - 3:00 p.m. The History of Hamilton's Downtown (walking tour)
 The Downtown Core & Gore Park (walking tour)
 Imagine the Possibilities (walking tour)

BAY AREA RESTORATION COUNCIL

*You Are Invited to Attend
The Fifth Annual Fall Workshop*

of the

BAY AREA RESTORATION COUNCIL

of Hamilton-Wentworth and Halton Regions Inc.

A BETTER BAY FROM START TO FISH: Quality of Life and the Hamilton Harbour Remedial Action Plan

Saturday, November 16, 1996
9:00 am to 3:30 pm
Canada Centre for Inland Waters
Burlington, Ontario

This one day workshop will explore the vision of a cleaner, better bay and the hope that we will live better, richer, healthier lives. Ongoing discussion about sustainable communities has made it very clear how closely social, environmental, business and development issues are linked, often in unresolved tensions. What, for example, is the relationship between quality of life and economic and population growth?

JOIN US - Explore these topics and help determine the direction of the next 10 years of remedial action on the Hamilton Harbour / Burlington Bay watershed!

BAY AREA RESTORATION COUNCIL Fall Workshop

- 8:45 am REGISTRATION AND COFFEE
- 9:00 am PLENARY SESSION A
Opening Remarks - Kenneth Hall, President,
Bay Area Restoration Council
**10 Years of Remedial Action: A Hopeful
Review** - Keith Rodgers, Vice President,
Bay Area Restoration Council
The View from Here - A Musical Presentation
- 10:00 am REFRESHMENT BREAK
- 10:20 am PLENARY SESSION B - Topic Overviews & Discussion
Part 1: **Economics / Business as a Quality of
Life Issue** - Atif Kubursi, Professor, McMaster
University
Part 2: **Social Concerns as a Quality of Life
Issue** - Jim Sandilands, Chaplain, Joseph Brant
Memorial Hospital
Part 3: **Environmental Concerns and
Quality of Life** - Louise Knox, Coordinator,
Hamilton Harbour Remedial Action Plan
Part 4: **Growth and Quality of Life** -
Adi Irani, Director, Hamilton-Halton Home
Builders Association
- 12:00 pm LUNCH - Bring your own or advance order a
boxed lunch
DISPLAYS - May be viewed in the foyer

BAY AREA RESTORATION COUNCIL Fall Workshop

- 1:00 pm CONCURRENT WORKSHOPS - Choose one of four
Workshops 1 through 4 parallel the themes of Parts 1 through 4 of
the morning plenary. Linking the issue in question with the RAP and
providing recommendations will be the task of each group.
- Workshop 1: **Economics / Business as a
Quality of Life Issue**, Moderated by: Walter
Mulkeiwich, Mayor, City of Burlington
- Workshop 2: **Social Concerns as a Quality of
Life Issue**, Moderated by: Robert Morrow,
Mayor, City of Hamilton
- Workshop 3: **Environmental Concerns and
Quality of Life**
Moderated by: Joyce Savoline, Chairman, Region
of Halton
- Workshop 4: **Growth and Quality of Life**
Moderated by: Terry Cooke, Chairman, Region of
Hamilton-Wentworth
- 2:30 pm REFRESHMENT BREAK
- 2:45 pm PLENARY SESSION C - REPORTS from the
WORKSHOPS
- 3:30 PM ADJOURNMENT
- All sessions take place at:
Canada Centre for Inland Waters,
867 Lakeshore Road, Burlington
FREE PARKING

Note: This workshop is free. A box lunch may be ordered in advance
by mailing a cheque with your RSVP by November 11, 1996.

Not Just a Drop in the Bucket...a Workshop on Planning for the Hamilton Harbour Watershed

Wednesday
November 27, 1996

9:00 am to 4:30 pm

Canada Centre for Inland Waters - Auditorium

Cost: \$15 per person

Registration forms will be accepted until November 18th. Attendance will be limited to the first 100 persons. Please make your cheque payable to the City of Burlington.

To register, detach this form and return with your cheque to:

Watershed Planning Seminar,
Burlington City Hall, 6th Floor
P.O. Box 5013
Burlington, Ontario
L7R 3Z6

About the Hamilton Harbour Watershed Planning Network:

The WPN consists of representatives from local and regional municipalities, conservation authorities, BARC, BAIT, Hamilton Harbour RAP, and environmental organizations.

Our mission is to promote sound planning, management, stewardship and remediation measures in the Hamilton Harbour Watershed ecosystem.

The WPN helps to avoid duplication and promote consistency in watershed planning and management across municipalities in the watershed area.

The WPN provides a forum for open discussion of issues, priorities, techniques and data relevant to watershed planning.

For more information about the Hamilton Harbour Watershed Planning Network, please contact Leo DeLoyde at (905)335-7805.

The WPN is grateful to Environment Canada for providing space at CCIW for this workshop.

Not Just a Drop in the Bucket...

A Workshop on Planning for the Hamilton Harbour Watershed

November 27, 1996

Canada Centre for
Inland Waters
867 Lakeshore Road,
Burlington

Sponsored by the Hamilton Harbour
Watershed Planning Network

67C

WORKSHOP OUTLINE

Introduction (9:00 am)
(Leo DeLoyde -Watershed Planning Network)

Linking the Hamilton Harbour Remedial Action Plan to Watershed Planning (9:15 am)
(Louise Knox -RAP Coordinator)

Update on Major Watershed Planning Initiatives for

Hamilton Harbour (9:30 am)
Grindstone Creek Subwatershed
(Brenda Axon -Halton Region CA)
Spencer Creek Subwatershed
(Darcy Baker -Hamilton- Region CA)
Red Hill Creek Subwatershed
(Pam Hubbard -Region of Hamilton-Wentworth)
Artificial Drainage -combined overflows
(Betty Matthews Malone -Region of Hamilton-Wentworth)

Why Undertake Watershed Planning? (10:45 am)

Panel discussion featuring the insights of a developer, an engineer, a planner, a politician, a landowner and an ecologist.

Paul Mondell -MetroOntario
Hazel Breton -Credit Valley Conservation
Paul Mason -Region of Waterloo
Walter Mulkewich -Mayor of Burlington
Jim Dunnigan -Spencer Creek landowner
Bruce Duncan -Hamilton Region CA

LUNCH (12:15 to 1:30 pm)

**Workshop A:
Bringing Watershed Plans To Life**

- What are the key ingredients of a watershed plan?
- What are the geographic and other priorities that must be addressed?
- How do we bring these ingredients together?

**Workshop B:
Sharing Resources**

(Participants in this workshop are encouraged to bring watershed plans, policies and data to share.)

- What resources are available?
- What resources need to be developed?
- How do we close this gap?

Agenda for Action/Wrap Up
(3:00 pm)

Session facilitators will report back on the recommendations and directions their groups have formulated
General discussion of the areas of priority for watershed planning in Hamilton Harbour and the components of a good watershed plan.

NOTICE OF MEETING

DEC 3 1996

Keep Hamilton Clean Committee

Wednesday, 1996 December 4
7:30 o'clock p.m.

The Keg, 1170 Upper James Street

GOVERNMENT DOCUMENTS

Don Heintz, Staff Advisor
Keep Hamilton Clean Committee

NOTE: In order to ensure that there are enough members present at the meeting to form a quorum, it is up to Committee Members to notify the Committee's Staff Advisor at 546-3920 at least 24 hours in advance, if you are unable to attend.

A G E N D A

1. ADOPTION OF MINUTES

Minutes of the Keep Hamilton Clean Committee for meeting held 1996 November 6.

2. CHAIRPERSON'S REMARKS

3. BUSINESS ARISING FROM THE MINUTES

- a) Location of Keg (map)
- b) Cotton Gloves - Order

4. **CORRESPONDENCE RECEIVED**

- a) Sending Flowers, etc.
- b) Article - Hamilton Spectator

5. **COMMITTEE VACANCIES**

- a) Report Appointing New Members
- b) Filling One Two (2) Year Vacancy

6. **GREY CUP/SANTA CLAUS PARADE**

- a) Discussion on Parade

7. **ROOM BOOKINGS FOR 1997 MEETINGS (ROOM 219)**

8. **EXPENDITURES**

9. **OTHER BUSINESS**

10. **ADJOURNMENT**

M:\W\STORAGE\CLEAN_CC\MEETING\MTGNOTIC

Wednesday, 1996 November 06
7:30 o'clock p.m.
Room 219, City Hall

The Keep Hamilton Clean Committee met.

There were present:

Ron Volterman, Chairperson
Jim Auty, Vice Chairperson
Rick Butson
Michael Cuberovic
Claudette Kabitsis
Lori Nethercut
Raffaella Brugnano

Regrets:

William Blenkhorn
Frank Noto-Campanella
Mark Alan Whittle

Also present:

Don Heintz, Public Works Department
Al Marshall, Public Works Department
Bonnie Lok, Youth Affiliate

1. **ADOPTION OF MINUTES**

The Committee was in receipt of the minutes of the Keep Hamilton Clean Committee for its meeting held 1996 October 02 and these minutes were adopted as circulated.

2. **CHAIRPERSON'S REMARKS**

Ron Volterman, Chairperson had comments on item 7(a) Committee Vacancies.

3. **BUSINESS ARISING FROM THE MINUTES**

a) Canada's Cleanest Cities List

An article from the 1996 October issue of Chatelaine magazine pertaining to Canada's Cleanest Cities List was circulated for the Committee's interest.

b) Ontario Workers Arts & Heritage Centre

A \$100 donation was made on behalf of the Committee to the Ontario Workers Arts & Heritage Centre toward the publication of a biography of Bob Jaggard, former Committee member. Michael Cuberovic circulated an article written about Bob Jaggard.

c) Purchase of Gloves

The Committee examined a copy of its expenditure list.

A motion was passed to purchase 600 dozen pairs of second hand gloves at a maximum cost of \$3.00 per dozen/pair, for a total purchase cost of \$1800 plus applicable taxes.

Don Heintz agreed to follow up on this matter and to present any information to the next meeting.

4. **SPOTLESS SPOT**

All members were asked to give any topics for the Spotless Spot to Mark Alan Whittle.

5. **YOUTH AFFILIATE**

Claudette Kabitsis informed the Committee that a six-foot submarine sandwich had been purchased and sent to the environmental group at St. Thomas More Catholic Secondary. The submarine was part of the school's award for winning the Youth Affiliate contest. Claudette Kabitsis mentioned that the students were very appreciative.

Claudette Kabitsis spoke to members at Westdale Secondary School about becoming involved with Committee activities. She will contact Hill Park Secondary School in the near future.

Allison Rielly, a student at Westmount Secondary School contacted Don Heintz to inform him that she will be Westmount's representative for the Youth Affiliate.

6. **CORRESPONDENCE RECEIVED**

a) Vision 2020

Raffaella Brugnano had forwarded information on the Vision 2020 Sustainable Community Festival. The mall display had been set up on the third floor of the Eaton's Centre during the Festival.

b) Bay Area Restoration Council

The Committee was in receipt of correspondence from the Bay Area Restoration Council concerning their Fifth Annual Fall Workshop on 1996 November 16. All interested members were invited to attend this event.

c) Hamilton Harbour Watershed Planning Network

The Committee was in receipt of an invitation from the Hamilton Harbour Watershed Planning Network to participate in a workshop on planning for the Hamilton Harbour watershed on 1996, November 27. Committee members wishing to attend the workshop were asked to contact Ron Volterman in order to cover registration fees.

7. **COMMITTEE VACANCIES**

a) Verbal Update

Ron Volterman reported that four applicants had applied for the five vacancies on the Committee. All applicants had been interviewed. A motion was passed to accept these citizen's applications.

Because there was still a vacancy remaining on the Committee, Ron Volterman asked members if they knew of anyone who would be willing to fill the position. Michael Cuberovic suggested Danielle Marchese may be interested in participating on the Committee. A motion was made for the interview committee to interview Danielle Marchese. All were in favour.

It was recommended that the four applicants would fill the three-year terms of office while the remaining applicant would fill the vacancy left by Fred Loft, former Committee member.

8. **MALL DISPLAY**

Jim Auty is currently investigating the possibility of setting up the mall display in the Canada Trust Branch on 46 King Street. He reported that the mall display will be set up in the Landsdale Community Policing Station.

Lori Nethercut offered to assist Jim Auty with finding new locations for the mall display.

9. **INTERNATIONAL COASTAL CLEAN UP**

Michael Cuberovic presented some information collected from volunteers who participated in Hamilton's International Coastal Clean up. Approximately a one kilometre area of Hamilton's beachfront was cleaned by twenty-nine volunteers on 1996, September 28. Two hundred and eleven kilograms of debris were collected.

Michael Cuberovic is working on the underwater component of the clean up. He is planning to hold a meeting with those interested in taking part in this event.

He informed the Committee that there is a slide presentation available from the U.S. Center of Marine Conservation on techniques of removing underwater debris. The Committee agreed to purchase the slide presentation at a cost of \$25 (U.S.), plus shipping and handling fees, and applicable taxes if the slide presentation cannot be borrowed from the Center at no charge.

10. **PITCH-IN WEEK**

Lori Nethercut enquired if it is possible to obtain an updated list of Guides/Scouts groups in Hamilton. Several members thought the Committee may be able to send Pitch-In material to the Scout House in order for it to be distributed to the various guide/scout groups in the city.

11. **GREY CUP/SANTA CLAUS PARADE**

The joint Grey Cup/Santa Claus Parade will be held on 1996 November 23. The parade will commence at 2:30 p.m.; however, participants are asked to be at the assembly point at 1:00 p.m. Letters have been sent out to the Spotless Spot winners. Michael Cuberovic has already received responses from seven children.

All Committee members were encouraged to attend the parade.

12. **EXPENDITURE REPORT**

A copy of the Committee's expenditures for 1996 was enclosed with the minutes. It was noted that the Committee was in good financial standing.

13. **DECEMBER MEETING**

The Committee's December meeting is customarily held outside of City Hall. After some discussion it was decided that the next meeting would take place at 7:30 p.m. on 1996, December 04 at The Keg on Upper James Street.

14. OTHER BUSINESS

a) Michael Cuberovic circulated an article on litter from the 1996, October 17 edition of the Hamilton Spectator.

b) Jim Auty asked if there was any interest in creating a website for the Committee. It was agreed that this idea should be examined.

c) The Committee passed a motion to send a cookie bouquet to Mark Alan Whittle, his wife and son; purchase cost not to exceed \$100.

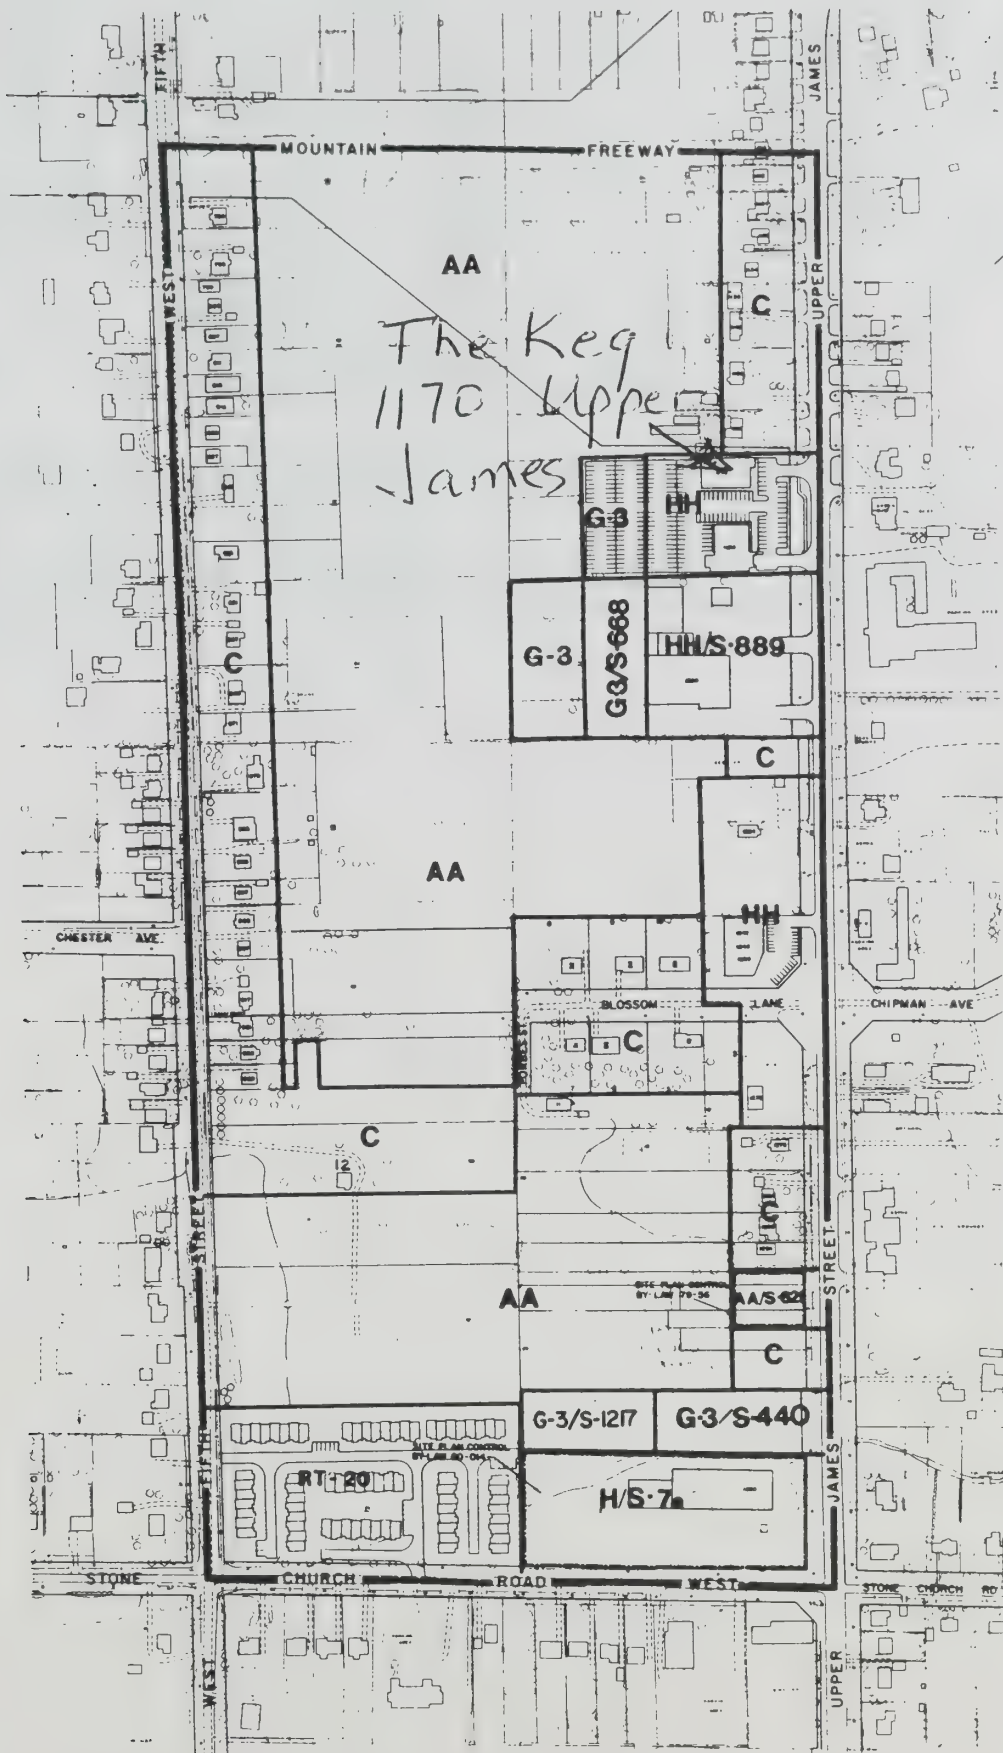

15. ADJOURNMENT

There being no further business, the meeting then adjourned.

Taken as read and approved,

Ron Volterman, Chairperson
Keep Hamilton Clean Committee

Raffaella Brugnano, Secretary

3(a)

3(b)

Heintz, Don

From: Heintz, Don
To: Rendell, Chris
Cc: Farquhar, Doug
Subject: Cotton Gloves - Seconds
Date: Thursday, November 14, 1996 5:10PM

In the last few years, I have ordered second of these gloves for our PITCH-IN Week in May. Our current stock of these thin cotton gloves is zero.

I have been authorized by the Committee to order 600 dozen pairs of "seconds" of these thin cotton gloves if the cost per dozen pairs does not exceed \$3.00 per dozen pair (plus taxes). Last year's price was \$2.50 from Superior Glove. Can you investigate? Should I place a Purchase Requisition with these limits on the system?

600 Dozen Pairs
of "seconds" ordered
@ \$2.50/Dozen Pr. (+ taxes)

4(a)

Heintz, Don

From: Bachand, Paul
To: Heintz, Don
Cc: Mascarenhas, Cecil
Subject: Sending flowers etc.
Date: Friday, November 22, 1996 2:40PM

Further to our recent conversation about a Floral/Birth/Congratulatory gift sent to one of the members of the Keep Hamilton Clean Committee, I have processed the \$41.56 item but would advise that this type of purchase is not a usual corporate policy and should be discontinued.

Some years ago Council advised that only they we're to represent the sending of floral tributes to anyone on behalf of the City. Although voted on by your committee the birth, congratulations, get well, etc tributes are not included in the budgets (ie. this item being chaged to an "Operating Supply?"). I could not see a problem if a collection was taken up as Treasury does among staff for funerals, weddings etc.

This becomes very much of a precedence issue & where to draw the line (ie. like the HR bereavement policy).

If there was an exceptional circumstances ie. at the request of an Alderman, I would refer it to my Manager prior to processing.

If you have any questions please call me at 4527. Thanks. Paul.

Heintz, Don

From: Heintz, Don
To: Bachand, Paul
Cc: Farquhar, Doug
Subject: Keep Hamilton Clean Committee
Date: Monday, November 18, 1996 9:31AM

At the meeting of the Keep Hamilton Clean Committee held on 1996 November 6, it was noted that the wife one of the members had given birth to a baby and that there had been difficulties resulting in possible brain damage. The committee, in discussion, agreed to send a "cookie-gram" from the Artful Cookie (if I recall exactly) to let the parents know that we were thinking of them. Unfortunately, I cannot confirm that it is in the Minutes since they are prepared by one of the citizens on the Committee and she (Raffaella Brugnano) has not submitted them as yet. They usually show up about a week to a week and a half before the next meeting is to take place so that they can go out with the Agenda.

FORUM

SPEAKING OUT

Littering is at heart a matter of social justice

By ROBERT YATES

The world could be greatly simplified and a whole lot easier to understand if we recognized that humanity is made up of two basic types of people.

I am not thinking of male/female, rich/poor, old/young, educated/illiterate, happy/sad, or saints and sinners. The difference I have in mind is far more fundamental.

The most basic characteristic for each human is either as a "litterer" or a "non-litterer." You are one or the other.

A key behaviour

If you could explain the simple act of carelessly scattering waste in public places, you could probably explain all the woes humankind inflicts on itself and the Earth.

Littering seems to be second nature to many otherwise very nice people. They don't have to think about it, and they don't think about it. They just do it. They litter.

But similarly, non-littering is second nature to others. They don't have to think about it, and they don't think about it. They just don't litter. It is an activity which is out of the question. It is not even an option for

people from many small communities gathered in a central location to discuss a common concern. After several days of meeting, camping out and preparing meals, they returned to their respective villages. When they were gone, there was no litter or debris left behind. The person of European descent who recorded this event noted that all those people left no sign that they had been there.

More recently, closer to home, Toronto streets were in squalor after a major parade. It was as if someone had ordered hundreds of trucks full of garbage to be dumped and scattered everywhere. Grass in open places could not be seen for the litter. It is hard to believe such a deliberate mess was the result of an unconscious and seemingly insignificant contribution of many isolated individuals. A candy wrapper here, a styrofoam cup there, a discarded newspaper, an empty paper bag, they all added up. Soon there was a massively oppressive environ-

ment. A blatant case of a littering majority ignorantly oppressing a non-littering minority.

How can the peace of goodwill and social justice ever come about with such widespread insensitivity to one's fellow citizens and one's immediate surroundings?

The answer is simple. It can't.

Different attitudes

The opposing behaviours of litterers and non-litterers reveal two very basic and very different attitudes to our world and each other.

Anyone with any sensitivity as to how things may possibly have a chance to work to the benefit of everyone does not litter. A very real and active mean-spiritedness is made evident by littering. But, it seems in all likelihood it is unconscious to the litterers themselves.

Similarly, the generosity of spirit and consideration for others is likely equally unconscious to the non-litterers.

Any person who litters does not have a profound sense of justice. But even litterers must sense that our world is in need of both justice and people with a sense of justice.

CITY OF HAMILTON
- RECOMMENDATION -

DATE: 1996 November 15

REPORT TO: Mr. Kevin C. Christenson, Secretary
Transport and Environment Committee

FROM: Mr. D. Lobo
Commissioner of Public Works and Traffic

SUBJECT: Keep Hamilton Clean Committee - Appointment of New
Members

RECOMMENDATION:

That the following citizens be appointed to the Keep Hamilton Clean Committee for a term to expire 1999 December 31:

Raffaella Brugnano
Lori Nethercut
Michael Murkovich
Kathy Vucic

*✓ J. England for
D. Lobo*

FINANCIAL/STAFFING/LEGAL IMPLICATIONS:

The staffing level to support this Committee is provided through two (2) volunteer members of the Public Works staff complement with no staff time costs attributable to this Committee.

BACKGROUND:

On 1995 April 3, the Transport and Environment Committee approved that the responsibilities for the Keep Hamilton Clean Committee be transferred to the Transport and Environment Committee from the Finance and Administration Committee.

The Committee shall be comprised of twelve citizen members appointed by the Transport and Environment Committee following the standard City Sub-Committee process. Orientation Sessions were held on 1996 September 30 and October 2 to recruit applicants to fill the existing five vacancies on the Committee (four for a term to expire 1999 December 31 and one for a term to expire 1998 December 31 as a result of a resignation).

Following the Orientation Sessions, two incumbents and two citizens put their names forward for consideration. As approved by the Finance and Administration Committee on 1995 June 6, the interviewing of applicants to the Keep Hamilton Clean Committee was to be conducted by the Public Works Department, to follow the same procedures used for members of the Beautification Committee, as both groups provide resource to the Public Works staff. Mr. Ron Volterman, Chairman of the Keep Hamilton Clean Committee, as well as Public Works staff, interviewed all applicants and recommend the above-noted applicants for membership on the Committee. The Keep Hamilton Clean Committee has been appraised of and endorses this recommendation.

A subsequent report to the Transport and Environment Committee will be forthcoming to deal with the outstanding two-year term that remains vacant.

- RECOMMENDATION -

5 (b)

DATE: 1996 November 25

REPORT TO: The Keep Hamilton Clean Committee

FROM: Mr. R. Volterman
Mr. D. A. Heintz, Staff Advisor

SUBJECT: Filling of Two Year Vacancy

RECOMMENDATION:

That The Keep Hamilton Clean Committee recommend to the Transport & Environment Committee that Danielle Marchese be appointed to fill the vacancy on the committee left when Fred Loft resigned earlier in 1996.

FINANCIAL/STAFFING/LEGAL IMPLICATIONS: n/a

BACKGROUND:

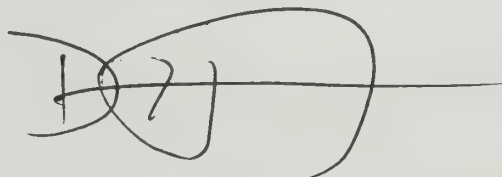

In early 1996, Fred Loft resigned his membership in this Committee.

In September/October, an insufficient number of applications were received to fill the two year vacancy left when Mr, Loft resigned.

At the November meeting, Committee members were encouraged to put forward names of interested persons who may want to join this Committee.

Danielle Marchese's name was put forward and she has, subsequently been interviewed to determine her suitability.

The recommendation is that she be appointed to fill the vacant position.
